HISTORICAL TABLE 88

James Roy Rickman & Doris Dalrymple Rickman

Roy and Doris Rickman were a couple who spent their lives dedicated to serving their family, church and community. They were both born and raised in Macon County and had two daughters, Kaye and Janet.

Roy and Doris were both members of Cowee Baptist Church where they held many positions of service over the years. Doris served as the church pianist for 36 years and was the WMU Director for 15 years. In addition to these, she was also a Sunday School teacher, Discipleship Training leader, member of the Building and Grounds Committee, and Chairperson of the Church Personnel Committee. Roy was a Deacon emeritus, Sunday School teacher, Discipleship Training director, Church Treasurer, church Trustee for 20 years, Brotherhood director, and Chairman of the Finance Committee.

In addition to their church work, Roy and Doris were workers in the Macon Baptist Association. Doris served in many capacities, including associational Pianist, WMU Director, Prayer Chairperson, and Conference leader. Roy was a committee member for Truett Camp, the representative for the Baptist Retirement Homes, and served on other various committees.

Not only were they very active in church, they were also very involved in the community. Doris was a charter member of the High Hopes Garden Club, member of the Macon County Schools Citizen's Advisory Committee, member of the Tourism Development Committee, and Chairperson of the Heart Fund. Roy was a member of the Franklin Rotary Club, member of the Board of Directors of the Franklin Chamber of Commerce, Chairman of the Macon County Social Services Board of Directors, Chairman of the Advisory Committee of Macon County Employment Security Commission, Chairman of the Board of Trustees of the Angel Community Hospital, Director of First Union National Bank, President of North Carolina Automotive Wholesalers Association, and member of the Board of Trustees of the Baptist Retirement Homes of North Carolina.

Roy and Doris worked together daily as they owned and operated Auto Parts and Equipment Company. They were a team in their work, as well as in their service to the Lord. You rarely saw one without the other.

As they were both stricken with cancer, Roy and Doris showed all who knew them their unfailing faith in their Creator. Their Christian example throughout their illness remained strong and steady. As in life, Roy and Doris were together in death. The Lord took them home to be with Him just five days apart. Roy passed away on October 19, 1990 and Doris followed on October 24, 1990. They will be greatly missed by their family and friends, but their love and Christian influence will continue to live on forever.

IN LOVING MEMORY

Rev. Don Ledford - 1934-1991

Our little church at Walnut Creek
Was without a pastor, and things looked bleak.
We knew God would hear our prayer
And send us a man who would really care.

Sunday after Sunday began to roll by,
And little by little our church seemed to die.
Everyone asked what will we do?
God had the answer, that only He knew.

For He had a man in mind all along
To teach us the word, and lead us in song.
That's how Don Ledford came into our life -
Bible in hand, and with Sue his wife.

As days went by, we loved him more and more,
Because it was God that Don stood for.
God saw fit to take him home one day,
And the year he was with us was such a short stay.

Now that he's left us for a little while
We'll remember Don's words, and also his smile.
For Don is in Heaven, and we all know,
He beat us to the place where we all want to go.
Irwin Price

When you set down to write a memorial for your father, what do you say? He was a good husband, father, friend, pastor? Everybody has their own opinion. As a husband, we've watched our Dad split his time being there for our mother (not always as much as he wanted); being a father; no, a Dad; dealing with each child as they needed; being a friend, being there no matter what; and being a pastor, absolutely being there! This was a part of Dad that nothing could waiver and it made Dad the person he was.

Sometimes we feel that our every decision was made by "what would Dad do?" Sometimes his shadow was a lot to live in, but most of the time our decisions turned out to be right. As a husband to our mother we saw our Dad think that God made the "sun rise" and "sun set" in her. I think God gave her to Dad because he knew that was what was needed for a pastor who would reach the people.

As a father, (Dad), he was someone who listened to each one of us children and dealt with us as individuals. He taught us that no two children could be dealt with the same.

As a friend, he was steadfast. We have heard our Dad criticized for associating with people who were not in church. Yet how did God represent himself to these people except our Dad. He used our Dad in a beautiful way.

As a pastor we will let some of his churches say what they felt. Don and Sue, through a ministry of over sixteen years, gratefully served churches in the Macon Baptist Association - Longview, Oak Dale, Calvary, Ridgecrest, and Walnut Creek. He was like the Apostle Paul fighting a good fight of faith, courageous and conquering in his circumstances. He was a man of outstanding character, living above reproach a life that never took from the message he preached. Don loved God's Holy Word and loved to preach from it. His humble faith was fixed on Christ and nothing could remove him from his deep conviction that Christ was everything. He will be greatly missed.

As children of Don Ledford, it was a privilege to share his life with Sue Ledford, his friends, and his churches.

WINDY GAP BAPTIST CHURCH HISTORY

In the late 30's a group of interested Christian people started a Sunday School in the Windy Gap Community. With everyone co-operating the Sunday School was started in the yard of one of the members, or in bad weather in the home. In February land was deeded to the people by Mrs. Bell Solesbee for a building for their services. The people worked together and erected a small shingled building. The Church was non-denominational until 1949 when it was established as a Missionary Baptist Church. It started with twenty seven charter members. Rev. Clint Sawyer was the first pastor.

In 1957 the building which is now standing was built on the land donated by Eugene and Willie Mae Tallent. In 1963, the church bought new pews, tiled all floors and drilled a well, bathrooms were put in and a furnace was installed. In 1966, the steeple was added and land purchased for a cemetery. In 1967 a piano was bought. In 1968 the church was bricked

and new windows were put in. In 1973 a porch was added. In 1977 the walls were panelled and carpet was put down. The church was dedicated on December 16th, 1979. Also in 1979 the sanctuary was remodeled. In the spring of 1980 a sign was erected in front of the church in memory of Duffel and Pallie Ledford. Also in March of 1980 four new Deacons were ordained. In July 1980 Church Bi-Laws were drawn up and approved. In March of 1984, the church saw the need for a fellowship hall. Mrs. Willie Mae Tallent again donated more land for a building. The building was finished with co-operation of the members and a lot of donated materials and labor and was dedicated debt free the same year on December 22. In 1985 the church bought padding for the pews. In 1986 a piano was bought for the Fellowship Building. In 1986, three new Sunday School rooms were completed. Also in 1986 a handicapped ramp was built. On September 6, 1987 Mark Bishop was ordained to preach the gospel and a new Deacon was chosen to replace him.

In 1988 a building adjacent to the church was purchased for a parsonage. Due to an interest free loan by Mr. and Mrs. Paul Smith, the Parsonage was paid off in two years and our present Pastor, Rev. Dale Cannon, moved in with his family and become our first pastor to live in the field. In July 1980, the church installed a heating and air conditioning unit in the Parsonage. At the present we have three services a week, a very active program for our young people (of whom there are many), and a wonderful spirit of fellowship and love among God's people...

Respectfully submitted,
Blanche Younce

WORD OF GOD, ACROSS THE AGES

Word of God, across the ages comes thy message to our life;
Source of hope forever present in our toil and fears and strife;
Constant witness to God's mercy, still our grace what e'er befall,
Guide unfailing, strength eternal, offered freely to us all.

Story of man's wondrous journey from the shadows of the night;
Garnered truth of sage and prophet, guiding forward into light;
Words and deeds of Christ our Master, pointing to the life and way,
Still appealing, still inspiring, 'mid the struggles of today.

In the tongues of all the peoples may the message bless and heal,
As devout and patient scholars more and more its depths reveal;
Bless, O God, to wise and simple, all Thy truth of ageless worth,
Till all lands receive the witness and Thy knowledge fills the earth.

(44) Recognized Rev. Andy Cloer, Chairman of Credentials and Ordination Committee, for report from that Committee. He stated that Highlands Baptist Church had been received under watch-care at the Annual Meeting August 1990, and that several attempts had been made (unsuccessfully) to obtain information needed in order to make a decision regarding the church's admission into the association. (45) Recognized Rev. Harold Savell, Chairman of Associational Strategy Planning, who gave a report and made the following motion: Your Associational Strategy Planning Committee recommends that the Statement of Purpose, objectives and goals which appear in the Book of Reports (refer to the Strategy Planning Committee Report in the 1991 Annual) be adopted as the Association's Statement of Purpose, objectives and goals for the next five years, to be reviewed and revised annually as deemed wise and needed. Motion carried.

OAK GROVE BAPTIST CHURCH HISTORY

Before the Oak Grove Baptist Church was organized many of the people living in the Oak Grove Community were members of the Cowee Baptist Church. During a business meeting being held at Cowee Baptist Church on April 24, 1880, H. P. Caler offered a petition signed by 23 members asking for dismissal from Cowee Church for the purpose of constituting a church in the Oak Grove Community.

On June 26, 1880 joint letters were granted to 24 charter members to constitute the church at Oak Grove.

The constitution for the new church was approved on July 17, 1880 with Rev. J. S. Woodard elected as their first pastor.

On December 18, 1886 a contract to build a new church was given to Mr. L. M. Bradley and Mr. W. H. Harrison. They were to build the church for the sum of $115.00. This was the first church building; previously they had met in what was known as "The Meeting House", a building used for both church and school. The church was to have 3 other buildings plus the present building.

On April 16, 1932 in their regular business meeting the church voted in favor of moving the "Church House" from its present location and rebuilding. The "Executive Building Committee" was made up of Mr. W. L. Bradley, A. A. Davis, S. J. Dean, Floyd Martin, Verlin McCoy, J. F. Browning, Frank Burnett, D. A. Hall, and Early Bradley. They were empowered "to select the site and erect the building using all the lumber in the present building that can be used". What was begun on April 16, 1932 was not to become a reality until October 26, 1942 when the new building was dedicated. This building served the community well until 1991 when it was torn down upon the completion of the new church building.

Oak Grove Baptist Church just recently burned the note for their new building. It had been only 28 months since the first work had begun; now what has been estimated to be a $300,000.00 building has been built and paid for.

It was in January 1989 when the ground-breaking took place. In February the plans were drawn up by Jeff Parrish and presented for approval. The actual work began in March 1989 with only volunteer labor from the men in the community and other churches.

Under the leadership of the building committee, which was made up of Jeff Parrish, Mark Ivester, J. D. Parrish, George Straite, and the pastor, Rev. John Rogers, the work continued each Saturday until it was finished with only the materials and the very skilled jobs being paid for.

In November the money ran out and it was at this time that a couple in the church agreed to loan the church $30,000.00 interest free with which to finish the building. The note was obtained and signed and what normally would have taken five years to repay took only seven months. This is testimony of the power of Christ through willing people.

Our first service was held in the new building on Sunday morning, September 30, 1990.

The dedication and open house was held on Sunday afternoon, October 7, 1990.

The note burning was held on Sunday morning, June 16, 1991.

REPORTS

ANNUITY BOARD REPORT

Protection is an instinct each adult has toward his spouse and children.

It hurts to see a child fall or a spouse passed over for a promotion. We want to shield loved ones from the hurts of everyday life.

That kind of protection is impossible, but there is financial protection available to ministers that can provide a life-saving margin for his family in the event of his disability or death.

The good news is it costs him nothing if he is an eligible participant in the Church Annuity Plan.

The Protection Section of the Church Annuity Plan is provided by the state convention, and includes several benefits.

These benefits can mean receiving:

* up to $67,500 in special survivor benefits if you die prior to retirement, or while receiving a disability benefit.

* up to $300 a month if you become disabled and unable to perform any gainful employment due to physical or mental incapacity.

Additionally, up to $35 each month can be credited to your retirement income account during your disability and your survivor benefits will remain.

This valuable family protection is funded from Cooperative Program dollars that match dollars contributed to your account by you and your church.

"The Church Annuity Plan offers significant up-front family protection that leaves your dollars free to build your retirement security. It is

an important benefit that many ministers overlook in the retirement plan," Frank Schwall, senior vice president of Member Services.

The average annuitant in North Carolina receives $287.43 per month, up from $234 last year.

North Carolina has 3,396 members making contributions to Annuity Board retirement plans.

It is exciting to think about what has been done to help ministers retire with dignity and to have protection as they plan for retirement. Strong efforts have been made to make all of our churches (and ministers) aware of the opportunities and the need to act on them.

But there is still much to be done! Consider these facts:

* small contributions make the annuitant's benefits small:
  In North Carolina
  185 receive less than $50
  482 receive less than $100
  1041 receive less than $200
  1338 receive less than $300

There is a <u>great</u> challenge still before us to help ministers prepare for the future and to help churches be responsible employers.

BAPTIST CHILDREN'S HOMES REPORT

For an institution that's 106 years old, Baptist Children's Homes of North Carolina (BCH) looks strongly to the future!

Three pillars that uphold that futuristic foundation are: **1. The return of the Thanksgiving Offering beginning in November 1991; 2. The success of our "Give a child a chance!" financial campaign, and 3. Baptists' continued support of BCH through the Cooperative Program.**

This financial undergirding made it possible for BCH to serve more than 1,200 children and families last year through facilities at 13 locations across the state. Because Baptists cared enough to give, residents like Lynn will go to Wingate College this fall; Chris graduated from UNC-Chapel Hill; Jennifer is in her second year at Haywood Community College and Mark earned a football scholarship to North Carolina A&T. Each of these lives proceeds on firm footing because Baptist Children's Homes was there to pave their pathway.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, simply is unable to care for her children. Her frustration with life leads to limitless freedom for the children,

which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives.

Baptist Children's Homes provides a safe environment where children learn to name their problems and address them to change behavior. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH's "Give a child a chance!" campaign is raising $11 million over three years to expand Cameron Boys Camp, boost general operating income and increase endowment. Gifts and pledges through July totaled $9.3 million and response across the state has been overwhelming and heart gratifying.

Last year Baptist Men of North Carolina helped construct the new Tommy and Jeanie Eller Chuckwagon at Cameron Boys Camp that was dedicated May 19.

BCH celebrated this spring the 20th anniversary of the founding of Broyhill Home, our western-most campus, in Waynesville/Clyde. With the help of J. E. Broyhill and his family, the home was opened in 1971 on 91 hilly acres. It has capacity for 48 children in group care and for eight girls in emergency care.

In August 1990, BCH began the Gregg Children's Center for before and after school care. The Davidson County program offers security to children of working couples, who now don't have to go home to empty houses.

Children's hopes the world over have been bolstered by the 1991 return of the Thanksgiving Offering voted by messengers to the 1989 state convention. While suffering though its 13-year absence, BCH lost more than $2 million in potential gifts. Our goal this year is $500,000. Because of a partnership established in December with the Baptist Children's Homes of Sao Paulo, Brazil, BCH-North Carolina will donate 10 percent of everything it receives over the $500,000 goal for work in that desperately needy land.

In August 1990, BCH signed an agreement with Gaston County Department of Social Services to operate two emergency care homes owned by the county. That raises to seven the number of emergency care homes BCH operates. Emergency care, in which a child at risk of abuse or neglect can receive shelter right away, is the service most in demand throughout the state. Children stay a maximum of 60 days while BCH works with the custodian to determine a long-term plan of care.

The **Cooperative Program** continues to anchor our budget planning from the churches. We urge renewed commitment to cooperative giving among our North Carolina churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize our ability to care for children.

Baptist Children's Homes has a 106-year history. But its history is just the knot that ties it to a boundless, unbroken ribbon of promise

that stretches beyond the future to wrap children and families with eternal blessings.

Mr. Bruce Bryant

BAPTIST FOUNDATION REPORT

The Board of Directors and the staff of the North Carolina Baptist Foundation are committed to effective leadership in generating increased perpetual financial support of Baptist causes throughout the state, nation and world. With assets approximately $27 million (market value) at the end of the 1990 fiscal year, the income distribution to Baptist causes is significant each year.

Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income being paid to Baptist causes in perpetuity.

Earned income distributed to Baptist institutions and mission causes during fiscal year of 1990:	$647,180
Earned income distributed to individuals with Baptist causes named as charitable remainderman during fiscal year of 1990:	$686,124

The staff of the Foundation consists of seven full time employees and two persons who provide part-time service in accounting and legal services. The servicing of individual accounts requires continuous contact with trustors, donors and those designating gifts through Wills. The increased number of requests for assistance in seminars and conferences by churches, associations and individuals has made part-time assistance necessary in regions of the state some distance from the office.

There are continual improvements being made in available charitable estate planning computer software, constant changes in state and federal regulations which affect charitable estate planning and an increased need for technical training and assistance to serve the ever increasing needs of both the development staffs of our institutions and the individuals utilizing the Foundation services. The Foundation continues to provide for these needs to maximize the growth in financial support for Baptist causes.

In 1990, the Foundation moved into a new home. The 6,000 square foot office building was constructed from gifts from individuals and is located on property provided by the Baptist State Convention next to the Baptist Building in Cary. The new facility was occupied in February 1990 and provides much needed space for the work of staff as well as for conferences and meetings. Baptist groups are invited to use the meeting rooms when in the Raleigh/Cary area. We extend an invitation to church groups to call and arrange a visit to the newest building used for the Lord's service by North Carolina Baptists.

Respectfully submitted,
Mrs. Saundra Holcombe

BAPTIST HOSPITAL REPORT

The year 1991 is significant in the history of Baptist Hospital - it marks the 50th anniversary of its entering a partnership with the Bowman Gray School of Medicine of Wake Forest University, to form one of the 126 academic medical centers in the nation. Appropriate events have been planned to celebrate this anniversary.

This partnership makes it possible for Baptist Hospital to offer it's patients the most advanced technology for diagnosing and treating their health problems. For example, ours is one of 15 medical centers in the nation involved in clinical trials of a new coronary laser which vaporizes plaque in blocked coronary arteries. We are one of five centers in the U.S. conducting clinical trials in stereotactic radiosurgery, a procedure in which high-energy beams of radiation from a linear accelerator are focused by computers on brain tumors and lesions to destroy them. This procedure can be done on an outpatient basis. We are one of 24 Comprehensive Cancer Centers in the nation. We are designated organ procurement agency for northwest North Carolina, and we recently received approval to begin performing pancreatic transplants this year. Early in 1992, we expect to open our new Center for Position Emission Tomography, one of the most advanced radiological services which is capable of measuring the chemical structure of the body. This new diagnostic procedure promises to make possible earlier detection, and hence, earlier treatment of tumors, hopefully, improving the outcome of the treatment.

During the past year, the hospital admitted approximately 22,000 patients, and almost 400,000 persons were treated through the various outpatient services of the Medical Center. These patients came from most counties in North Carolina, from 32 other states, and from several other countries.

During the past year, Baptist Hospital was re-accredited by the Joint Commission on Accreditation of Health Care Organizations, and the survey team which visited our institution ranked it in the top 10 percent of hospitals in the nation. Also, according to a recent report from the North Carolina Medical Database Commission, average charges for care at Baptist Hospital are 10 percent below the average charges for similar diagnoses in hospitals statewide, and substantially lower than charges in the other North Carolina academic medical centers.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided Clinical Pastoral Education to 42 students during the past year. The Pastoral Care staff provided more than 54,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 21,700 counseling sessions. The Professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

For the first time since 1978, a Mother's Day Offering exclusively for Baptist Hospital Benevolent Care was received in North Carolina Baptist Churches. At the time this report is being written, results of the Mother's Day Offering appear to be very favorable. The staff and patients at Baptist Hospital are profoundly grateful to North Carolina Baptists for this support.

BAPTIST RETIREMENT HOMES REPORT

1991; MAKING LIFE FOR OLDER ADULTS THE BEST OF TIMES

The Baptist Retirement Homes of North Carolina, Inc. operates four residential facilities for older Adults around the State - the Albemarle Baptist Home in the Southern Piedmont, the Western North Carolina Baptist Home in Asheville, the Hamilton Baptist Home in Eastern North Carolina, and The Brookridge Retirement Community in Winston-Salem.

In Asheville, 1991 began with a great deal of excitement. After more than five years of trying to receive state approval to build a nursing care bed addition, the Baptist Retirement Homes was awarded a Certificate of Need for 100 medicaid certified nursing care beds for its Western North Carolina Baptist Home on Richmond Hill in Northwest Asheville. Currently the only nursing care provided by the Baptist Retirement Homes is the 85 bed nursing care unit at the Brookridge Retirement Community in Winston-Salem. The addition of 100 medicaid certified beds will mean that quality nursing care can be offered to Western North Carolina Baptists regardless of their ability to pay for the institutional services that they need.

The 39,000 square foot addition will cost approximately $2.8 million. At the present time, the Baptist Retirement Homes has raised approximately $2 million of the $2.8 million needed to make this long hoped for dream a reality. Baptists across Western North Carolina are being urged to help Baptist Retirement Homes meet the financial challenge of building this new unit on Richmond Hill.

In Winston-Salem, the Brookridge Retirement Community completed its second year of operation. Under the leadership of a well-trained and committed Christian staff, the Brookridge Retirement Community's Independent Living Area and Health Care Unit are considered among the finest in the State.

In Albemarle and Hamilton, Assisted Living care is provided to Older Adults in residential settings. The Albemarle and Hamilton facilities offer quality care to Older Adults regardless of their ability to pay for the cost of the care they receive. . . a service unmatched by any other church related long-term care institution in this State.

Please support our ministry with your prayers and financial resources. Help us make life for Baptist Older Adults . . . The Best of Times!

Respectfully submitted,
Mrs. Janet Tipton

THE BIBLICAL RECORDER REPORT

The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from

respected libraries, it is true of religious publications. We live in an electronic, fast-food, everything is disposable age! We often think we know the answers only to discover later we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may ne an uninvolved or disruptive Baptist. No democracy, including our local churches and the denomination they comprise, can survive long without an informed, involved constituency which makes corporate decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. We are steadily adding churches to the CNS program.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry.

Never has God given Baptists a greater opportunity; never have there been as many difficulties and obstacles to overcome. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact: The Biblical Recorder, 232 West Millbrook Road, Raleigh, NC 27609 (919) 847-2127.

Respectfully submitted,
Mrs. Jean Farmer

BROTHERHOOD REPORT

Baptist Men and Boys have many opportunities facing them now and in the years to come. The Brazilian Partnership is coming to a close soon. However, the Poland Partnership is crying our for help as Baptist Men help build a seminary to train pastors and church leaders for the countries surrounding Poland. The Baptist Men of North Carolina are laying the foundation for a new Partnership with the New York Baptist State Convention where 22 million of a population of 26 million are unchurched. Many other mission action opportunities are right here under our nose at home. The Department of Aging and Macon Program for Progress can point you to many needs where elderly persons are existing in sub-standard living conditions. We need Men and Boys who will say "YES, I'LL GO, I'LL DO!" The theme for 1992's Baptist Mens' Convention is "Being God's Total Man!" Join us in these exciting challenges before us this year. Volunteer!

CHRISTIAN ACTION LEAGUE REPORT

This has been a most eventful year for the cause of Applied Christianity.

With North Carolina facing a 1.1 billion dollar shortfall and with news accounts stating that citizens from North Carolina are spending 100 million dollars annually in the Virginia lottery, it appeared almost inevitable that a lottery bill would pass the 1991 legislative session.

In addition to the economic factors, the gambling industry had 13 lobbyists working the halls of the legislature daily promoting lottery legislation.

Even though lottery legislation passed the Senate, it was quite evident that the lottery lobbyists could not line up enough votes to get the measure through the House of Representatives. Lottery supporters did not push for a vote, for they knew that the legislation would be dead. Therefore, the proposal will be eligible to be considered in the next legislative session when it convenes in June, 1992.

Between now and then, it is of utmost importance that you secure a commitment from your representatives in the North Carolina House to oppose state-sponsored gambling. The Senate will not be voting on the lottery in 1992 because it has already passed that body.

Key lottery supporters were Senator Ken Royall (D-Durham), Senator George Daniels (D-Caswell), Representative David Redwine (D-Brunswick), Representative Joe Mavretic (D-Edgecombe), Representative Robert Hunter(D-McDowell) and Representative Frank Rhodes (R-Forsyth).

Opponents of the legislation were led by Governor Jim Martin, Lieutenant Governor Jim Gardner, Senate President Pro-Tem Henson Barnes (D-Wayne), and Speaker of the House Dan Blue (D-Wake).

While we were successful in side-tracking lottery legislation, the legislature refused to enact the following proposals:

1. Parental Consent... North Carolina remains one of the few states in the nation that allows a minor to receive an abortion without parental consent. Legislation to enact parental consent passed the House, but died in the Senate.

2. Drunk Driving... The House passed legislation that would change the alcohol blood level from .1 to .08 as the breathalyzer standard for Driving-While-Impaired. The Senate refused to act on this proposal.

3. Open Containers Of Alcoholic Beverage In Motor Vehicles... It is ironic that an open liquor bottle is prohibited in a motor vehicle, yet there is no limit to the number of open beer containers allowed in a motor vehicle. Highway safety authorities confirm that a large majority of the drivers charged with driving-while-impaired are beer drinkers. N.C. Highway Patrol officials endorsed the open container legislation, but it got "hung up" in a House committee.

4. Teen-Age Pregnancies...In order to address this growing problem, legislation was introduced to require sexual abstinence instruction to be a part of the curriculum of our public schools. (Such instruction has been very successful in reducing teen-age pregnancies in other areas

of our country.) However, such a program was opposed by our N.C. Department of Public Instruction. Education officials charged that such legislation would be imposing a standard of morality upon our youth. The measure simply stated: "The State Board of Education shall adopt rules to provide that the public school curriculum shall include instruction, in appropriate grades and classes, that abstinence from sexual activity outside of marriage is the expected standard for all school-age children, that abstinence from sexual activity is the only certain means of avoiding out-of wedlock pregnancy, sexually transmitted diseases, including Aids, and other associated health problems; and that a mutually faithful monogamous relationship in the context of marriage is the best lifelong means of avoiding sexually transmitted diseases, including AIDS."

5. Abortion Fund...North Carolina is the only Southeastern state that used state tax funds for medically unnecessary abortions. Some $400,000 of state tax funds have been budgeted by the state legislature to pay for these elective abortions. Therefore, we are denying thousands of babies right here in North Carolina their constitutional right of life, liberty, and the pursuit of happiness.

How can we turn the tide on these important moral issues? It will occur when North Carolina Baptist and other Christians are willing to become actively and publicly involved in upholding our Judeo-Christian moral standards. It is not enough to wring our hands and just talk about problems. We need to cry out publicly and act against sin. Baptists need to be informed about the stands taken on these issues by those who are running for public office, and then vote for those who reflect our standards.

In addition to a demanding legislative session, the Christian Action League has successfully assisted several counties and municipalities in liquor, beer, and wine referendums.

Good Government Seminars were conducted in the Asheville and Wilmington areas, at which some of the above issues were addressed.

Nationally recognized authorities came to share their expertise on the issues of gambling and family matters. These included Dr. Paul Cameron, Chairman of the Family Research Institute, Washington, D.C.; Austin McGuigan, former States's Attorney for Connecticut, and Bill Swindell, National Field Director, American Family Association, Tupelo, Mississippi.

We praise God for your prayer and financial support as we join in addressing the moral and ethical issues facing our society.

CHRISTIAN HIGHER EDUCATION REPORT
BAPTIST COLLEGE REPORT

A "new-old" event is about to take place in North Carolina life: A Special Committee!

From time to time we Baptists feel the need to take a hard look at ourselves. We do that through the time-honored practice of asking

trusted people to serve on a committee for a year, sometimes two. In 1956, for example, "The Committee of Twenty-Five" began a comprehensive study which eventually embraced all aspects of North Carolina Baptist life. That committee reported to a special session of the Baptist State Convention called for that purpose on May 5-6, 1959. Again, "The Committee of Twenty," appointed in 1967, worked for two years before presenting its comprehensive findings and recommendations to the Convention in November of 1969. Both of these committees provided clarity and guidance for North Carolina Baptists which endured for many years.

New times call for a fresh look at ourselves. The "new times" which have taken shape in the Southern Baptist Convention since 1979 have particular relevance for institutions, agencies, their trustees and the Convention. North Carolina Baptist institutions and agencies have rendered distinguished Christian service for a total of 1,108 years! New times call for a new look by a competent special committee.

In May the General Board approved a 17-member "Institutions Relations Committee." Lamar Brooks, Wilmington, is chairman. Other members are: Jean P. Abernethy, Marion; Dot Allred, Gastonia; Curtis Lee Barbery, Bennett; Harold Bennett, Boone; Don Bolden, Burlington; Caralie Brown, Raleigh; Kathryn H. Hamrick, Shelby; John H. Hewett, Asheville; Milton A. Hollifield, Jr., Stanley; John M. Hough, Jr., Salisbury; James H. Johnson, Candler; Robert B. Poole, Elizabeth City; George W. Pullium, Jr., Knightdale; Hobart Smith, Charlotte; A. Eugene Warren, Charlotte; J.L. Wilson, Winston-Salem. Their report is due in November, 1992.

The "new-old" way of study and thought is the North Carolina Baptist, tried-and-true way to confront changing times. We thank these 17 good men and women who will help us to shape the future together in harmony. They request and deserve our fervent prayers.

Mrs. Vicci Owens

COOPERATIVE PROGRAM REPORT

Have you ever tried to describe the Cooperative Program in one sentence? You may have said something like this. The Cooperative Program is:

- my mission dollar stretched around the world.
- the glue that holds Southern Baptists together and enables them to stick to the Great Commission.
- the lifeline of missions.
- the key to carrying out Bold Mission Thrust.
- Southern Baptists unified budget for supporting state and worldwide mission ministries.
- a way that I can join hands with all other Southern Baptists to witness to the lost.

Each of these statements is true, but the Cooperative Program is much more than can be described in one or more sentences. It also is an enabler of dreams and hopes. The work of the more than 7,800 Southern Baptist home and foreign missionaries demonstrates the fulfillment of dreams. For thousands of students attending Southern Baptist seminaries hopes are being realized. The multitudes of people ministered to in the United States and in more than 114 countries of the world, and the

hundreds of thousands won to faith in Jesus Christ might have been the impossible dream without the Cooperative Program.

When you think about the Cooperative Program, think about the hopes and dreams of those who are giving their lives to preaching, teaching, and ministering in His Name. The millions of dollars being given through the Cooperative Program every year, by people like you in churches like yours, regularly support the large number of state and worldwide ministries.

Jesus said, **"Go into all the world and preach good news to all creation"** (Mark 16:15, NIV). Jesus also said, **"You are the light of the world"** (Matt. 5:14, NASB).

CREDENTIALS AND ORDINATION COMMITTEE REPORT

The Credentials and Ordination Committee met with Brother Tim Keener and the deacons and pastor from the Wells Grove Baptist Church, to examine Brother Keener, for ordination for a deacon.
Recommendation was made to Wells Grove Baptist Church that they proceed with the ordination. Brother Tim Keener was ordained July 21, 1991.

The Credentials and Ordination Committee recommends that due to a lack of response from Highlands Baptist Church, that they be denied admission into Macon Baptist Association at this time.

DIRECTOR OF MISSIONS REPORT

"What is it you do anyway?" This question has been asked by many ACTEEN groups over this past year. This is a tough question to answer. Some deep thought has been given to clarify the answer in my own mind. I pray this response will answer the question.

My role as Director of Missions is to lead our association to fulfill its mission more faithfully, effectively, and efficiently. This role has three dimensions that cover the entire life of the association.

First, the Director of Missions, as a mission strategist, must know the context in which he serves. He must have a spiritual vision for what the association can do and lead the association to make strategic decisions about direction and priorities that are faithful to what God is doing in the world. The Director of Missions calls on the churches and association to join in what God is doing in our associational area, to apply the unchanging Word of God to the needs and opportunities that are revealed.

Secondly, your DOM serves as a minister to churches and church leaders. This involves a relationship that is interpersonal and direct rather than organizationally and programmatically. His responsibility is to seek to enhance fellowship and mutual care among churches and church

leaders or help the association really become a family of churches. This is not an easy task especially when people, leaders, and churches can be so diverse, complicated, or conflict.

Thirdly, your DOM is the general leader of the association. He becomes the leader of leaders of all programs and units of the association's organizational life. His concerns include the association's organization for fellowship, governing, mission performance, administrative services, and staff. His concern is also with leading our association to fulfill its mission in regard to missions, ministries, religious education, church development, training, church growth, evangelism and other priorities. In other words, the DOM's leadership pervades the entire life and work of the association.

Last year I wrote about some of the things I felt our association needed such as an understanding of what the association is, an understanding of the purpose of the association, the need to emphasize our similarities rather than our differences, and the need for building trust. I believe many persons have a better understanding of what an association is than at this time last year. We need to continue to grow in our understanding. Through the process of Strategy Planning we're discovering a sense of purpose and direction. Emphasizing similarities and building trust are tasks and ministries that must never be relinquished but rather continued and renewed daily.

This year has seen good and positive participation from our churches. However, there is room for much more improvement. Our hope is to involve every church in our association in the life and work of our association through prayer, giving, and personal participation. With God's help and wisdom, we shall strive for this end. Our work is just beginning. There is much to do and accomplish. God has given us a vision. Every member, every church is NEEDED in this effort. God has gifted our people and churches to do His will and accomplish these objectives. If it were impossible, would God have revealed them to us? We must work together if this dream is to become reality. 65% of our nation is unchurched. 51% of our state is unchurched. At least 45% of our county is unchurched. How many in your community or neighborhood is unchurched? It's time for us to get serious and become committed to our Father's will and purpose for our lives, churches, association in reaching our lost world for Christ.

I want to thank the many people who have been so instrumental in the beginning of new ministries in our Association such as the Migrant Ministry, VBS for Special Friends, and other resort ministries. Thanks to the immediate response of our WMUs and other mission organizations within our Association that needs were met at a moment's notice. Thanks to all the volunteers who have eagerly served when asked to help, even on the spur of the moment. Thanks to my wife, Judy, without whose help I could not make it, who served as associational secretary until this past June. Thanks to our program leaders for their tireless efforts and enthusiastic energy. Thanks to our Associational Moderator and other associational leaders and committees for wise, open, and effective leadership that has launched our Association into areas we have never been before. Thanks to our new secretary, Ila Sue Cook, for her positive attitude and diligent work. Thank God for his guidance and strength in opening our vision to see and understand His will for evangelizing the lost and developing the saved in our Association.

Many people are dying to be loved and accepted. They seek a family. We can offer them God's invitation to join the family of God. In turn, our churches can and should join together as the family of churches called Macon Baptist Association to further God's mission. With all our love and energy we enter the challenge of this service with each of you to go where we've never gone before, to do what we've never done before, to become all that we've never been before - TOGETHER.

Your Family Member,
Lester Evans, Director of Missions

DISCIPLESHIP TRAINING REPORT

During the year the Discipleship Training Team attended the training meeting at Ridgecrest. Our Team was complete except for a Children's leader.

There were three boys (all from First Baptist Church), who completed the Children's Bible Drill. We need many more churches and many more boys and girls participating in the Children's Bible Drill.

Three of us met with State leaders at Black Mountain recently for a Strategic planning meeting. Concrete plans were made for much work.

I have met with several churches and am available to do whatever I can to either start new Discipleship Training Groups or Strengthen the ones which already exist. If I can help in any way, do not hesitate to call on me.

EVANGELISM REPORT

Evangelism is the preaching or teaching of the gospel of Jesus Christ our Lord. It is sharing the plan of salvation with the lost in our world today. Evangelism is moving ahead in the Macon Baptist Association. We had a planning period and set a goal which was to provide a witness training event this year.

Our event was a Lay Evangelism School May 27-30, 1991. We started the class with fifteen (15) people representing five churches. These people were certified to purchase materials and teach the Lay Evangelism School.

We have had a total of 190 baptisms for the past year - July 1, 1990 - June 30, 1991. This is a increase over the past year (136). Let us now go forward for the Lord Jesus Christ.

FOREIGN MISSIONS REPORT

The Foreign Mission Board is still in full swing and going strong. Sharing the gospel across cultural barriers is a distinguishing mark of foreign missions. Simply trying to learn a new language and express the content of the gospel to people with no Christian background is extremely challenging.

The Southern Baptist Convention established the Foreign Mission Board in 1845 and by 1990 more than 3800 missionaries were assigned to some 120 countries. Two of the newest countries added in '90 were Czechoslovakia and Denmark.

The following annual statistical report for 1990 was reported by Jim Slack of the Foreign Mission Board's Research and Planning Office. Thirty-five new missionaries were appointed leaving a total of 414. Overseas Baptist churches baptized 208,381 new Christians. A record number of 11,650 Southern Baptist volunteers participated in overseas projects. Southern Baptist spent nearly 7.5 million dollars for overseas hunger relief projects.

Let us continue to pray and offer our support for our missionaries as they continue their work on foreign soil.

FRUITLAND BAPTIST BIBLE INSTITUTE REPORT

Fruitland's new President, Rev. Mack Roberts, is pleased to report that the administrative transition at Fruitland went rather smoothly. All faculty, staff, and students have been more than cooperative and helpful. The school is continuously working to keep lines of communication open and to build a productive team that will enhance the effectiveness and usefulness of Fruitland. The morale of the entire Fruitland family is good.

Every effort is being made to chart a clear direction for Fruitland's present and future. There have been several additions to the curriculum. Every possible opportunity to visit with the local pastors and D.O.M.'s through Pastor's Conferences and Associational Meetings is being made to let them know what Fruitland has to offer. Dr. John Rymer is now full-time on the staff.

Enrollment has increased during the last three quarters and the number of inquiries are up. The school is continuing to work on recruiting through alumni and the local church.

Fruitland continues to be a vital part of North Carolina's Baptist ministry. The school provides a unique opportunity for education and ministry preparation. Many students have gone on to be honor students in our Baptist Colleges and these students could never have gone to college initially.

HOME MISSIONS REPORT

The Home Mission Board reports a record number of Missions Personnel serving in 1990 - 4,573. Last year the Home Mission Board coordinated the work of 1,290 Mission Service Corps volunteers in more than 900 locations, averaging 2,000 service hours per year. Approximately 150 Southern Baptist Chaplains served with our Armed Forces in The Persian Gulf War. They are Missionaries going places many of us cannot go, doing things, many of us cannot do. As you pray for all involved in the war, pray especially for these Chaplains.

From all indications, Southern Baptist are increasing their emphasis on Evangelism and are progressing steadily toward the goal of 500,000 per year by the end of this century. In 1990, Southern Baptists Baptized 378,000, an increase of 7.7% over 1989.

The most significant highlight of the year was the "Here's Hope Jesus Cares For You" National Simultaneous Revival Emphasis. This, no doubt, was one of the greatest Evangelistic events ever conducted by Southern Baptists. The participation was impressive, 100% of the State Conventions, 99% of the Associations and 63% or 22,500 of the churches. There were 104,100 professions of Faith in six weeks and 77,00 of those to be Baptized into Southern Baptist Churches. Out of the Revival Meetings, almost 700 New Churches were begun with approximately two million copies of the "Here's Hope New Testaments" distributed in 14 different languages.

This is a most encouraging report amid the over publicized reports of controversy and confusion in our Convention. May God continue to Bless a people committed to His Word and Witness.

Rev. Steve Reeves

MACON BAPTIST ASSOCIATION HISTORY
1990-1991

The book of reports for the 87th Session of Macon Baptist Association was dedicated to Mr. and Mrs. Fred Corbin in appreciation for their faithfulness and commitment to sound doctrine, and their support of Macon Baptist Association.

The book of reports was also in memoriam to Mr. and Mrs. Clyde Drake for their many years of service in the church and community. Clyde went home to be with the Lord November 15, 1988, and Patricia joined him November 27, 1991.

ANNUAL MEETING

The 87th Session of Macon Baptist Association opened at 6:45 pm, Thursday, August 16, 1990, at Newman Chapel Baptist Church, with Moderator Rev. Herbert Gibson presiding. The theme for the meeting was "Share Heritage and Hope - Extend Christ's Mission in Macon County" and the scripture reference was John 20:21. The meeting began with piano mediation by Mrs. Terry Henson, and Mr. Spurgeon Freeman leading the group in singing "Since Jesus Came Into My Heart." The Rev. Alton Dendy, pastor of the host church, welcomed the group, read the scripture and led in prayer. The Clerk Jo Anne Elmore reported that 45 uniform letters were sent out and 43 returned. She read a letter from Fairview Baptist Church stating their withdrawal from membership in the association. A letter from the Rev. Tom Harris, pastor of Highlands Baptist Church requesting membership in the association was read and referred to the Credentials Committee. This church was accepted under the watchcare of Macon Baptist Association.

The Executive Committee outlined the standard legal procedure necessary to be taken in order to incorporate the Association. This procedure was confirmed and the Rev. Steve Reeves presented the interim constitution and by-laws, and moved the adoption thereof. The motion carried.

Special music was presented by Newman Chapel Choir. The statistic report showed 135 messengers, 9 associational officers, and 1 denominational representative present, with 38 churches represented. The Rev. Mark Bishop, pastor of Community Missionary Church, brought the annual sermon. The benediction was given by the Rev. Ron Owens, and the meeting adjourned at 9:10 pm.

The second session opened at 3:55 pm, Friday, August 17, 1990, at Burningtown Baptist Church with Vice Moderator Rev. Ron Owens presiding,

piano meditation by Mrs. Terry Henson and Mr. Spurgeon Freeman leading the group in singing "I Love Thee." The Rev. Edwin Crisp, pastor of Burningtown, welcomed the session, read the scripture and led in prayer.

Mr. Max Gladwell, Chairman of the Trustees, submitted a recommendation that the parcel of land offered by the Theron Slagle Estate be accepted and used for a picnic area with limited overnight camping. This recommendation was accepted.

Recommendation was made by the Missions Committee that Macon Baptist Association join in partnership with the surrounding associations of Truett, Tuckasegee, Tennessee River, Cheoah, and Haywood to enlist persons to form teams to work with the State of Sao Paulo, Brazil in strengthening existing churches, and starting new churches, with no financial responsibility to Macon Baptist Association. The motion carried.

Special music was presented by Burningtown Baptist Church, and Dr. Randy Gardner, pastor of Franklin First Church, brought the doctrinal message.

The statistical report showed the following present: 87 messengers, 8 associational officers, 4 denominational representatives, and 22 visitors, for a total of 121 representing 27 churches. Grace for the evening meal was given by Mike Ramsey of Cowee Church.

The night session opened at 6:55 pm with special music by the "Far Out Four" (Directors of Missions of the far Western associations), followed by piano meditation by Mrs. Terry Henson and Mr. Spurgeon Freeman leading the congregation in singing, "Set My Soul Afire."

The Moderator recognized Mrs. Agnes Kelley, daughter of Mr. Theron Slagle, and expressed thanks and appreciation for the donation of property to Macon Baptist Association.

The Rev. Ron Owens presented the report of the committee for place, program, and speaker for the next meetings as follows: Semi-annual meeting at Windy Gap on January 14, 1991, with Rev. Ray Fox as speaker; and Oak Grove Baptist Church on Friday, August 16, 1991, with Rev. Eddie Trull as afternoon speaker, and Rev. Alton Dendy as speaker for the night session.

A document stating our declaration of commitment to growth in witnessing and growth in giving was presented by the Rev. Eddie Trull. This was signed by the Rev. Herbert Gibson as moderator, the Rev. MISSIONS COMMITTEE REPORT

The Missions Committee met three times in 1990-1991. Several items were discussed during the meetings.

One such item was concerning the hiring of a part-time secretary for the Association. Judy Evans, having served as the secretary for 18 months with the understanding that when the job became too much for her along with her vocation she would resign, offered her resignation. After screening applications, discussion and deliberation, the Missions Committee agreed to hire Ila Sue Cook for this position effective July 8, 1991. The Missions Committee also discussed the following proposals and agreed to offer them as recommendations to the Association for approval:

WORLD MISSIONS CONFERENCE 1996

The awareness and involvement in missions was raised throughout the participating churches of our association as a result of the 1990 World Missions Conference. This event brought about much encouragement, education, and inspiration toward missions. Much effort and time must be invested in an association preparing for a World Missions Conference. Missionaries must be enlisted, finances raised, and arrangements made for such a special event. World Mission Conferences are a great way for us to receive more exposure and information about our mission efforts. We need to be involved in missions. Therefore, the Missions Committee recommends that our association plan and participate in another World Missions Conference in 1996.

PROPERTY PROPOSAL

The Missions Committee would like to express a deep appreciation for the very generous offer of property from Mrs. Agnes Kelley. However, after very thorough deliberation, research, exploration, and interviewing, we neither feel that we can fulfill Mrs. Kelley's dream for the property

nor find a great enough interest throughout the association to warrant the effort and expense to develop and maintain the property. It is with regret, therefore, that the Missions Committee recommends that the association decline this very generous offer.

MISSIONARY HOUSING PROPOSAL

On August 19, 1988 the Missions Committee recommended to the Association in Annual Session that a fund be established with at least 6 month's rent available, to advertise the availability of a missionary residence in Macon Baptist Association through the Foreign Mission Board and in writing directly to missionaries, and upon the response of a missionary wishing to spend furlough here, to rent/lease a home for the period of time needed. This motion was carried.

Since August 1988 the Missions Committee has advertised this proposal through the proper channels and has been awaiting a response. We now have $3295.00 in the fund. This is approximately enough to rent/lease a home for six months at a rate $500.00 per month. However, more funding may be required since the home will have to be furnished and the utility expenses covered.

Dr. Duane Kuykendall and his family have responded to our proposal for possible furlough between August 1992 - December 1992. We must send a reply to their response very soon.

Therefore, the Missions Committee recommends that the Association take the necessary steps to rent/lease a furnished home comparable to the Kuykendall family's needs, to adequately increase the missionary housing fund through the giving of our churches to cover utilities or other cost involved over the period of time of the furlough, and inform the Kuykendall family of our decision in writing.

BUDGET PROPOSAL FOR 1992

Because our present fiscal year begins July 1 and ends June 30, we are actually into the new proposed budget before it is even offered for information at the July Executive Committee Meeting. Moreover, the budget is not approved until the Annual Meeting in mid-August and becomes retroactive. This means we are spending monies one and one-half months before they are actually approved by the Association.

Furthermore, at present, we operate out of two budgets during the year, that is, one budget for six months of the year (January - June) and another budget for six months of the year (July - December) while the State and Federal tax year runs from January through December. For our fiscal financial year to coincide with that of the State and Federal tax year would help with budget preparation, tax withholding, accounting concerning the treasurer.

For these reasons and after much consideration the Missions Committee concluded that an 18 month budget proposal would solve these problems. Consequently, an 18 month budget would get our Association to the point where the annual budget would be voted on in the August Annual Meeting but would not take effect until January of the following year.

Therefore, the Missions Committee recommends that the Association adopt this 18 month proposed budget covering the period July 1, 1991 through December 31, 1992.

It has been a joy working with the Missions Committee and the missions director.

SEMINARY EXTENSION REPORT

We have had a busy year with Seminary Extension in the Macon Baptist Association. We began offering college level courses for the first time and now have approximately five people working toward a college level Seminary Extension Diploma.

Two courses were offered this year with ten people or more enrolled in each class. Next year we hope to offer a total of six courses here in the Macon Center. This fall we will be offering Old Testament I, Southern Baptist Heritage, and Isaiah. There will also be Scholarships available again this year.

Also, new this year is the formation of a Seminary Extension Committee. Hopefully this will allow for more and better planning and better representation from all involved with the Seminary Extension Program. As always any suggestions for Seminary Extension are welcome and are helpful as we plan.

It is my hope that through Seminary Extension all who are lead to work for our Lord can equip themselves to do a better job of what God has called them for. May we all pray that we can be sensitive to each other's needs and work to help each other grow in their respective ministries. Hopefully we can see opportunities for study made available for those just beginning to work for our Lord; as well as, those who are seeking to better equip themselves after many years of ministry.

Respectfully Submitted,
Rev. Davis Hooper
Seminary Extension Director

STATE MISSION REPORT

State Missions cover a very broad range of ministries. In fact, there are too many to list in this brief report. However, every ministry, program, or effort is focused toward fulfilling the Great Commission. Proof of this is revealed in the emphasis "MISSION VISION '95." In reviewing the purpose statement of our Baptist State Convention and in planning for the future through Long Range Planning, several important features arose. This process led to the affirmation of the Lordship of Jesus Christ, the authority of the Bible for faith and practice, the priority of winning people to Jesus Christ, and the equal responsibility of all Christians for reaching people through the ministry of the gospel. In keeping with these affirmations, and in response to clear and present needs, the following major objectives were adopted for the period 1991-95:

Win the Lost
Start New Congregations
Develop Disciples
Magnify Worship
Support Missions
Minister to Human Needs
Strengthen Families

Thus, all Convention programs, agencies, and institutions will be appropriately involved in efforts to implement these objectives. The two essential ingredients of a positive attitude and a strong commitment are necessary if our churches are to experience growth and fulfill the Great Commission.

SUNDAY SCHOOL ASSISTeam REPORT

During the past year our Associational ASSISTeam has been organized and received training at Ridgecrest to assist churches in our association with various areas of Sunday School training, growth, and development. The ASSISTeam consists of Priscilla Tunnell, Preschool Consultant; Pat Cook, Children's Consultant; Janet Long, Youth Consultant; Nancy Folsom, Adult Consultant; and myself, Lamar King, ASSISTeam Leader working with General Officers.

The ASSISTeam is available to help with Sunday School training, growth, and development through conferences and training sessions or on a one to one basis through individual church consultations. One area the ASSISTeam has received training, and is available for assistance, is concerning the improved Sunday School literature being introduced this year by the Sunday School Board of the Southern Baptist Convention. A literature workshop was held at First Baptist Church, Franklin, on May 20 as a part of the Key Leadership Conference. Other workshops will be available through the State Convention.

On October 5, at First Baptist Church, Franklin, a Sunday School Fall Training Conference will be held. This conference will be sponsored by the Sunday School Department of the North Carolina State Baptist Convention. Training will be available in all areas of Sunday School work. We encourage all churches to involve their Sunday School workers.

Please feel free to call on the ASSISTeam members to assist your church with anything that will help our Sunday Schools grow and reach people for Christ.

Devotedly,
C. Lamar King

TRUETT CAMP REPORT

We had two weeks of girl's camp this year with nine girls being saved and several rededications being made. A good time was experienced by those attending. Laura Moore was director and Becky Brown was her assistant.

We had the largest number in attendance of Music Week this year since its beginning. J. Gilbert was the director. Several decisions were made for the Lord this week. Many parents and friends attended the concert held Friday on campus.

We are expecting a very good boy's camp this year as several registrations have come in. Aud Brown will be the director and he always does a very good job keeping the boys busy and happy.

The new conference center is finished and is ready to be used by any group that wishes to use it at reasonable rates. Your help in repaying the debt of $46,000.00 plus interest would be deeply appreciated.

We are in the process of doing a facelift on the grounds of the camp also.

We are truly grateful for the churches in Region 10 for your prayers and support of the camp. We still encourage you to put the camp in your church budget or help in any way you can.

We are trying to minister to all ages in our region and beyond in a spiritual sense as well as physical.

Bible study and a worshipful atmosphere is still first and a major part of the camp program.

Continue to send your children and plan an outing, retreat or conference at the camp in the near future.

Respectfully submitted,
Richard Roberson, Camp Director
Troy Ledford, Camp Committee Member

VACATION BIBLE SCHOOL REPORT

Vacation Bible School keeps getting better and better. Our churches are seeing the need to continue VBS when our other organizations are losing members and interest. We are also seeing need for preparation, planning, and an excitement of seeing souls led to the Lord. Over the past three years I have seen the attendance to our Associational VBS Clinic increase with an attendance this year of 142. Representing nearly 30 of our churches.

Our statistics for last year were: 36 churches conducted a Vacation Bible School; Total Enrollment was 2,478; There were 63 Professions of Faith; We discovered 529 prospects, transferring 75 to our Sunday School Enrollment; and 306 were placed in the prospect file.

Churches participating in the Achievement Standard were: Distinguished; Iotla, Liberty. Advanced; Buck Creek, Burningtown, Coweeta, Franklin First, Holly Springs, Newman Chapel, Oak Dale, Pine Grove, Ridgecrest, Wells Grove. Merit; Black Mountain, Cowee, Highlands First, Longview, Mashburn Branch, Mount Hope, Prentiss, Sugarfork.

We had a terrific Vacation Bible School Team this year. Thanks so very much Team: John Sim - Adult, Tony Ledford - Youth, Nancy Folsom - Older Children, Martha Barclay - Middle Children, Vickie Mashburn - Younger Children, Linda Browning - Older Preschool, Mary Beth Houston - Birth-3 years.

VBS continues to be the leading way to increase your church - members through salvation, Sunday School growth and excitement from a successful school.

Respectfully submitted,
Diane Keener
Associational VBS Director

WOMAN'S MISSIONARY UNION REPORT

Due to the absence of Woman's Missionary Union Director the Associational WMU organization has been moving slowly this year. Thanks to Mrs. Gail Walters, Mission Action Director, who planned and co-ordinated mission action projects through out the year. Some of these projects being, Christian gifts of pens to Woman's Correctional Institute in Raleigh; made and placed signs in camp grounds to promote

times and places of worship in local churches; food donations to SWARM for volunteer missionaries conducting Back Yard Bible Clubs.

A special thanks goes to all local church WMU Directors who with their love for Christ and His church and their love for and devotion to missions, the local church WMU organizations have made progress this year. Windy Gap has re-organized WMU, Pine Grove is working to get WMU organized. Our prayers are for these churches and their leaders. Churches receiving recognition on Church WMU achievement guide: Cowee-distinguished; Mount Hope - standard.

With the help of dedicated leaders and supporters of WMU an Associational meeting was planned and held at Cowee Church on April 23, 1991. The meeting was well attended. The meeting was dedicated to Doris Rickman, past director of both the associational and her church WMU at Cowee. Cowee Pastor, Rev. Harold Savell, gave the invocation. The Acteens from First Baptist presented the call to prayer. Rev. Lloyd Fish, representing Baptist Retirement Homes of NC, reported on and promoted the planned 100 bed Medicaid
certified nursing care addition to be added to its Western Baptist Home in Asheville. Because of Roy and Doris Rickmans long time work with and support of Baptist Retirement Homes this unit will be named "The James R. and Doris D. Rickman Nursing Care Center." Music was directed by Janet Tipton with the group "Ladies Rejoice" singing I'D RATHER HAVE JESUS.

Nancy Curtis, Executive Director of WMU for NC was guest speaker, her message was very challenging and interesting. Director of Missions, Rev. Lester Evans, challenged the new officers for coming year 1991-92.

WMU Director - Dixie M. Shook
Assistant WMU Director - Janet Long
Baptist Women - Ruby Curtis
Baptist Young Women - June Trull
Assistant B.Y.W. - Sherri Houston
Acteens - Dale West
GA's - Kathy Parker
Mission Friends - Frances Wilson
Mission Action - Gail Walters
Secretary - Elaine Bradley

The 1989-90 church letters to the association showed us with an on going WMU enrollment of 804. This leaves us with many more women to reach. Our prayer is that God will work in the heart and minds of our Baptist Pastors and key ladies to organize and promote WMU in their church.

"To Him who by means of his power working in us is able to do so much more than we can ever ask for, or even think of; to God be the glory in the church and in Christ Jesus for all time, forever and ever! Amen" (Eph. 3:20-21 TEV)

Respectfully submitted,
Dixie M. Shook, WMU Director

DEDICATION

Mrs. Hyldah Stalcup Shepherd

Mrs. Hyldah Stalcup Shepherd was born Feb. 27, 1903 to Rev. Jesse B. and Alice Kelly Stalcup. Rev. Jesse B. Stalcup was a well known Baptist minister in the area. The Godly influence of her parents became apparent throughout Hyldah's entire life as she lovingly and faithfully gave of her time, talents and gifts to further the cause of Christ. After the death of her husband, Harry Shepherd, in 1933 she cared for her elderly mother.

On April 16, 1917 she became a member of Franklin First Baptist Church. For 50 years she served in Children I (first and second grade) as department director, teacher and pianist. Music was special to her. She started singing in the junior choir when she joined the church and later became the pianist for the evening worship services. She also served as church secretary for a number of years. Her years of devoted service were celebrated when she observed her 25th year as BIBLICAL RECORDER representative in the church, an event that coincided with her 50th year as a member of the church as well as her 50th year as a choir member.

She became a member of Woman's Missionary Union in 1918. Hyldah was always concerned about Missions both at home and abroad. She gave financial support to several students in Africa and South America. One student became a pastor/teacher in Nigeria. Over the years she provided financial support for several children to attend George Truett Camp and Camp Living Water of the American Sunday School Union.

Beginning in 1955, Hyldah served as Missions Study Chairman on the Associational WMU Council. During the emphasis on the Moody Home Ministries, she was one of the original Founders who contributed $1,000.00 or more. She served as secretary of the Macon Seminary Extension Center for many years. During these sessions, Hyldah bought books and provided scholarships so many who were not financially able to attend could do so. She received the Pastoral Training Certificate from the Macon Seminary Extension Center signifying the completion of the required 16 courses of study.

In the latter days of her faithful attendance Hyldah loved her Naomi class, singing in the Chancel choir, attending worship services and never missing a meeting of the Hyldah Shepherd Night Current Missions Group.

Hyldah Stalcup Shepherd now resides in the Mountain Trace Nursing Center in Sylva, North Carolina but her lifelong contribution to the growth of the Kingdom of God in Macon County will be a lasting legacy.

AQUONE BAPTIST CHURCH HISTORY

The church was organized on May 17, 1942 as the Nantahala No. 2 Baptist Church when the Nantahala dam was built and the lake covered the old Aquone Church. There were two churches built. One was built over on Little Choga as Nantahala No. 1. The other was built above the Aquone cemetery as Nantahala No. 2. Aquone had church at the Nantahala No. 2 until the new church was built during 1971-72. The congregation moved into the new church on November 11, 1973. The church voted to change the name from Nantahala No. 2 to the Aquone Baptist Church. The church was dedicated on May 2, 1976. The church has since built a baptistry with two dressing rooms in the back of the church. The baptistry was dedicated on March 18, 1990. New carpet and floor covering have been installed in the fellowship hall and the Sunday School rooms. A copier has been purchased and the church had its first bulletin on May 31, 1992. The church thanks God for their present pastor, Rev. Roy Lindsay.

HIGDONVILLE BAPTIST CHURCH HISTORY

The Higdonville Baptist Church was organized in 1950, with approximately 30 members. However, Higdonville was one of the very first Sunday Schools in Macon County, possibly dating back to the early 1800's. Sugarfork and Franklin Churches helped to organize the church at Higdonville, with Higdonville becoming a mission of Sugarfork Baptist Church. Following Sunday School in the mornings at Higdonville, the congregation would move down to Sugarfork for worship service at 11:00 O,clock.

Services were held in the old Higdonville schoolhouse until 1954, at which time construction began on the present day church building. Rev. C.N. Cook was the first interim pastor and Rev. C.T. Taylor was the first elected pastor. Other pastors to serve this church were: Reverends Jarius Underwood, Lee Crawford, James Jones, James Shields, Paul Sorrells,(ordained by this church in 1957), Judson Hall,(ordained by this church in 1960), Ronald Bradley, Harold Hughes, Gene Hawkins, Lester Evans, Earl Dendy, Harold Horne, Ron Owens, Arnold Showers (brief interim) and the present pastor, Rev. Roy Lowe.

Higdonville is recognized as one of the most mission minded churches in the association and state, for many years giving as much as thirty-five percent of its entire budget to mission work. Higdonville has a special awareness of our community needs in the form of many love offerings, and a ongoing church project of growing sweet corn for members and The Home for the Aging and Children's Home each summer. Several members have joined volunteer teams to build churches in various parts of the world.

Gradual improvements have been made to the church and grounds down through the years:
1976: Church sanctuary and basement classrooms carpeted. Began cemetery improvements.
1977: Purchased new piano
1980: Installed stained glass windows in sanctuary.
1982: Installed new speaker system for up stairs and down. Padded church pews and installed new light fixtures.
1983: New well dug and grounds landscaped.

By 1984 with God continuing to bless, the church began thinking about a building program to best meet Higdonville's future needs. The next few years were spent planning for this. The last five years have been very busy for us. In 1987, ground was broken for our new building program with plans for enlarging the sanctuary fifty to sixty seats, choir loft, four classrooms, two baths, office and baptismal facilities on the upper level and a large fellowship hall and complete kitchen on the lower. In 1992, all our plans have been realized, with only a few finishing touches remaining, and the baptismal to be finished at a later time.

By having highly qualified and WILLING men in our church--builders, electricians, masons, plumbers and planners--who donated all free labor, we feel the cost of our building was almost cut in half. We

give God the credit and the glory for His leadership and thanks to the Pastors of our church during this time, Rev. Harold Horne, Rev. Ron Owens, Rev. Arnold Showers and our present pastor, Rev. Roy Lowe.

In the future we pray many souls will be won to Christ and that the work at Higdonville Baptist Church will always glorify God. Presently Higdonville has a total of 143 members.

REPORTS

BAPTIST CHILDREN'S HOMES REPORT

Like a marathon runner, Baptist Children's Homes of North Carolina (BCH) "hit the wall" in 1991-92, but persevered to finish standing up!

In an exhausting year for staff and a myriad of volunteers, BCH successfully concluded its first statewide fund-raising campaign, received its first Thanksgiving Offering since 1979, dedicated expansion of Cameron Boys Camp, broke ground for the new Fleshmen-Pratt Education Center in Thomsaville, inaugurated an innovative Bible study program at Mills Home, installed two new pastors at campus churches and solidified programs that have placed it among child care leaders for decades.

These efforts enabled BCH to serve more than 1,300 children and families at 13 facilities statewide, including Chris, named All-Conference nose guard for 2A state champion Thomasville Bulldogs: Sandi, who has enrolled at Gardner-Webb College: Deborah, named outstanding Freshman at Thomasville High after enduring a court battle that sent her father to prison for abuse; Jennifer, who married on the Broyhill campus where she'd lived for seven years; Kathy, who will continue to live at Broyhill while she attends college; and a host of others who are making life-changing commitments because they've received a second chance at Baptist Children's Homes.

In April, BCH successfully concluded its "Give a Child a Chance!" financial campaign by gaining three-year commitments for $11.2 million, topping the $7.5 million goal, and the challenge goal of $11 million. Significant priorities accomplished in the campaign are: expansion and relocation of Cameron Boys Camp to a more secluded site on its 903 acres of wilderness; ground-breaking for the Fleshmen-Pratt Education Center, a model day care facility for infants, toddlers and two-year-olds; a unique Staff Training Institute for child care workers and social workers; and more than $2.7 million committed for permanent endowment.

And, the first Thanksgiving Offering for BCH since 1979 raised $510,000, a sum more than $100,000 greater than realized through the combined offering with Baptist Hospital and Baptist Retirement Homes. BCH sent $1,000 from the Thanksgiving Offering to the Baptist Children's Homes of Sao Paulo, Brazil as fulfillment of a

promise to donate 10 percent of everything received over the goal to our partners in the south.

In addition, BCH maintained the partnership with our Brazilian counterparts by sending three training teams to Brazil, and hosting a group of Brazilian pastors in Thomasville.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, is unable to care for her children. Her frustration with life, often due to alcohol or drug abuse, or having been abused herself, leads to limitless freedom for the children, which leads to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives. Behavior problems make it impossible for the child to continue to live at home.

Baptist Children's Homes provides a safe environment where children learn to name their problems and set goals to overcome them, which leads to behavior change. At the same time, willing family members also are addressing their problems with the help of BCH social workers. In many cases, children and families are restored.

BCH enjoyed a year of tremendous success, in human terms and in institutional terms, which will allow it to continue to affect change in lives. Success in the "Give a Child a Chance!" Campaign will help provide a margin of excellence in the future when the pledges are paid. Already, the enthusiasm engendered by the effort have lifted the spirits of staff across the state.

Still, the Cooperative Program continues to anchor our budget planning. We urge renewed commitment to cooperative giving among our churches. It is essential, not only for us, but for the entire missions enterprise built painstakingly for a century and a half. Baptist Children's Homes receives $1.5 million from Cooperative Program receipts each year. This is the stackpole around which we build our other income planning. A decrease in Cooperative Program dollars to Baptist Children's Homes would seriously jeopardize their ability to care for children.

An increasingly important aspect of our support comes from estate gifts and bequests. More and more people who want their resources to provide new life for children include BCH in their wills.

When Sandi, and Kathy, and Chris, and Barbara come to us, full of potential and hope, we want to be able to continue to tell them North Carolina Baptists care enough to give them a chance!

Mr. Bruce Bryant

BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation, as an agency of the Baptist State Convention of North Carolina, is committed under the guidance

of the Holy Spirit in serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

Assets are managed under the direction of the Foundation Board of Directors with interest income being paid either in perpetuity to Baptist causes named by the donor or to the donor (or heirs) for their lifetime (or specific period of time) before the income is then paid in perpetuity to the named Baptist causes.

Earned income distributed and paid to Baptist churches, institutions and mission causes during fiscal year 1991:	$ 1,100,606.00
Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1991:	$ 1,062,643.00
Total market value of Foundation assets, December 31, 1991:	$36,283,384.00

During 1991, the Board of Directors, with the assistance of nationally recognized investment consulting firm, adopted a detailed Investment Policy to govern the types of investments that its fiscal agents may make in keeping with the Christian commitment of the Foundation, as well as attempt to insure that the future spending value of the invested trust fund dollar will keep up with inflation. A study revealed that during the past five years the fiscal agents managing the Foundation assets ranked near the top nationally with other investment managers who operate under investment guidelines similar to the ones provided by the Foundation Board.

The Foundation staff and operations are housed in a building adjacent to the Baptist State Convention Building in Cary. Individuals and church groups are invited to call and arrange a visit of their Trust Agency's office building.

The significance of the Foundation services was illustrated in a recent experience that staff members had while eating in a fast food restaurant in Durham. In taking a seat adjacent to a table occupied by a young black police officer, we observed the enthusiasm of a white lad of about 4 years of age as he stood talking to the officer. As the mother and a younger child, coming from another area of the restaurant, called for the lad to join them, he walked away from the table 6 to 8 feet, turned around and said to the officer, who was now standing and preparing to leave, "Can I give you a hug?" After an affirmative answer from the officer, the child walked over to the officer, reached around his legs and gave him a hug. The officer confirmed to us that he wished the world was filled with people like this child. The example corresponds to what so many already have done through the Foundation. As they approach the time of leaving this earthly life, they look back affectionately on what the Lord has done for

them during their life and decide that they want to leave an expression of their love through an enduring and lasting gift (a "hug", if you please) that will serve the Lord until His return.

BAPTIST HOSPITAL REPORT

Baptist Hospital utilizes the skills and training of more than 5,700 employees to provide outstanding health care in settings as varied as the Brenner Children's Hospital, the Trauma Center, and the J. Paul Sticht Center on Aging and Rehabilitation. Last year, the Joint Committee on the Accreditation of Health Care Organizations said that Baptist Hospital ranks in the top 10 percent of all hospitals in the nation.

During the past year, the hospital admitted 24,000 patients. It performed 16,662 surgical procedures, including 1,020 open heart operations, 29 kidney transplants and 80 bone marrow transplants. The AirCare helicopter flew 742 missions.

Total revenue of the hospital during the year was $407,280,000. Cooperative Program gifts from the churches were $656,180, which was applied to the budget of the Department of Pastoral Care. The Mother's Day Offering and other special gifts from the churches totaled $424,406 and was used for benevolent care for patients who had no other means of paying their hospital bills.

The Pastoral Care Department, which is funded in part through the Cooperative Program, provided clinical pastoral education to 55 students during the past year. The Pastoral Care staff provided more than 53,000 specific ministries to hospital patients, family members, and staff. And, the counseling division provided over 24,000 counseling sessions. The professional staff of the Pastoral Care Department continues to respond to requests for help from churches in conflict, from pastors and their families across the state.

The various services of the hospital are readily accessible to all North Carolina Baptists and others. A telephone call to the Health-On-Call Office (919-716-2255) can secure an outpatient appointment with any one of the various specialists on the staff or can begin the process of gaining admission to the hospital if that need is indicated.

Charges for the hospital services compare very favorably with those in other hospitals of the state. Reports from the North Carolina Medical Database Commission indicate that Baptist Hospital's charges are lower than the average in other hospitals which provide similar services and are considerably lower than in the other teaching hospitals. Our hospital did not have an increase in it's rates for the current fiscal year of July 1, 1992 - June 30, 1993.

The hospital's physical plant continues to expand. A new 840-space parking deck was opened in January. A new Emergency Department/Dietary building which will also make possible more private patient rooms is under construction now. Construction will begin soon on the 170-bed skilled and intermediate care nursing facility and on the J. Paul Sticht Center on Aging and Rehabilitation. This expansion will make it possible not only to serve more people, but to serve them better.

The staff and the patients of Baptist Hospital are grateful to North Carolina Baptists for the heritage they have given the institution and for the moral and financial support they continue to give to its ministry.

The amounts given to NC Baptist Hospital from Macon Baptist Association: Hospitals - $3,482.07; 25% of Homes and Hospitals Offerings - $674.85 = Total given - $4,156.92.

BAPTIST RETIREMENT HOMES REPORT

One of the greatest needs facing North Carolina Baptists as they move into 1993 is the ability to provide affordable quality long-term care services to the "Aged Saints" of our convention.

The fastest growing segment of North Carolina Baptist life are those individuals in the age category of 85 and older. That age group is growing at five times the rate of any other population segment in Baptist life. The 85 and older group is also that age group most likely to need the services provided by a long-term care institution like Baptist Retirement Homes. Unfortunately in 1992 in our State, there were not enough nursing care beds to meet the needs of the growing number of Older Adults who were functionally impaired and needed the services of a long-term care provider. Complicating the shortage problem was the fact that the cost of those beds was high (more than the average North Carolina Baptist Older Adult could pay). And to make matters even worse, in spite of the high cost of those beds, often the quality of care provided through those beds was fair at best. In other words, the greatest problem facing North Carolina Baptist Older Adults in 1992 was the fact that there were simply not enough affordable quality nursing care beds available for use by people like you and me and our Older Adult family members.

Having become aware some years ago of the above mentioned problem, Baptist Retirement Homes (for the last five year period) has been working to develop a system of affordable quality nursing care beds throughout the State for use by North Carolina Baptist Older Adults. New nursing care beds became available in the Piedmont area of our State in 1989 (through the opening of the Brookridge Retirement Community). In 1992, affordable quality nursing care will become available to Western North Carolina Baptist Older Adults through the new Rickman Nursing Care Center being built on

Richmond Hill in Northwest Asheville. It is our institution's hope that by 1994 affordable quality nursing care will also be available to Eastern North Carolina Baptist Older Adults as well. Your support has made the above possible.

In 1992, North Carolina Baptists through their gifts to the Cooperative Program and North Carolina Offering for Older Adults made it possible for Baptist Retirement Homes to provide financial assistance to more than 60% of all the Older Adults living in its health care related facilities. In addition, Western North Carolina Baptists contributed more than $2.5 million toward the construction of the new Rickman Nursing Care Center in Asheville...a new facility that will enable Baptist Retirement Homes to make life for many Western North Carolina Baptists truly...the Best of Times.

Thank you North Carolina Baptists for your support. Please continue to pray for our ministry and its ability to meet the ever growing needs of the Older Adults of our Convention.

THE BIBLICAL RECORDER REPORT

Last year we reported to you: "The Baptist world is changing rapidly; some would contend it is for good while others think it is nothing short of a tragedy." In these past 12 months, the changes are beyond description--on the world scene and in Baptist life.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. Never was the Recorder more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact: The Biblical Recorder, 232 West Millbrook Road, Raleigh, NC 27609 (919) 847-2127.

CHRISTIAN ACTION LEAGUE REPORT

CHRISTIAN ACTION LEAGUE OF NORTH CAROLINA, INC.
1991-1992

For the 10th consecutive year, the gambling industry has not been able to secure passage of any gambling legislation such as a lottery or pari-mutuel betting (horse and dog racing).

The industry made its biggest push ever during the 1991-1992 legislative session. They secured 14 of the most effective and best known lobbyists that money can buy to push for their cause, but to no avail. When the legislature adjourned on July 24th, the gambling industry threw in the towel realizing that they did not have the votes in the N.C. House to pass their state-sponsored gambling bill, the lottery.

What made the difference? People like you did. You secured the commitments from your legislators that the role of government is not to exploit their weakest citizens, but to appeal to their strengths. Gambling violates that age-old principle.

There is one thing for sure. The pro-gambling forces will be back. However, the issue will be decided on November 3rd at the General Election. If you elect legislators who are opposed to state-sponsored gambling, it will not make any difference how many lobbyists the gambling industry employs. The decision is in your hands. How do the candidates from your area stand on this issue?

There are other very important moral issues that you need to discuss with your legislative candidates. Some of them are:

1. SEX EDUCATION...Are our young people being deceived into believing that "safe sex" outside of marriage is possible and okay? The current rise in venereal diseases and teenage pregnancies, and the related emotional problems tells us we must focus attention on this issue.

2. ABORTION...The Supreme Court ruling regarding the abortion law of the state of Pennsylvania opens the door for further restrictions and conditions under which abortions can be performed--leaving this up to the states. This year we have worked on trying to get legislation passed requiring parental consent for abortion on minors, and reducing abortion funding. Both of these measures passed in the House but died in the Senate.

3. ALCOHOL/DRUG ISSUES...It is so important that we continue to address problems related to alcohol use and abuse. Reducing the blood alcohol standard for DWI from .10 to .08 was one of our targets this year, but it also failed to pass in the Senate after passing in the House.

We cannot overemphasize the importance of getting to know who your candidates are and how they stand on these key issues. Plato put it so well: "The price that good people pay for not being

involved in politics is to be governed by people worse than themselves."

Thank you for standing with us in the cause of applied Christianity.

CHRISTIAN LIFE REPORT

The Christian Life Committee emphasizes the application of the principles of the Christian faith in several areas: Moral issues, Family ministry, Single Adults, Senior Adults, Substance abuse, Hunger and Environment.

The Christian Life Commission of the Southern Baptist Convention seeks to provide Christian ethics services to other Baptists to enable us to deal more effectively with the serious moral challenges of our time.

The Baptists now support a full-time staff in Washington D.C. to represent Southern Baptists in the planning of federal programs. The Washington (and Nashville) staffs work with Congress and the White House to share convictions and concerns of Southern Baptists.

In the past year the Commission has been active in the issues of alcohol advertising, abortion, drug abuse, pornography, and the school graduation prayer case and work in the field of race relations.

The Commission also continued its work in the education and action related to the issue of hunger.

The Christian Life Council of North Carolina offers a wide variety of resources in the area of Family ministry for couples, parents, families, seniors and singles. There are studies and modules for use in churches and other enrichment suggestions.

National enrichment opportunities include the National Single Adult Conference September 4-7, 1992, Senior Adult conferences in September and October 1992 and the Fall Festival of Marriage Weekends in October 1992. These events are all held at Ridgecrest.

The Christian Life Council encourages associations and churches to form Christian Life Committees to assist pastors in these areas.

COOPERATIVE PROGRAM

Many years ago Southern Baptists, led of the Holy Spirit, developed what we know as the Cooperative Program. Through the years the Cooperative Program has come to be one of the most efficient missions organizations ever. The Cooperative Program gives every Baptist the opportunity to participate in the various ministries and missions that are a part of Southern Baptist life.

In North Carolina approximately 2/3 of every Cooperative Program dollar stays in N. C. to support our Christian colleges, social services and various agencies of the General Board.

The other 1/3 of the Cooperative Program dollar is then sent to the Southern Baptist Convention to support our seminaries, Foreign Mission Board, Home Mission Board and the agencies and missions.

Through the Cooperative Program, Macon County Baptists are able to be a part of ministries and missions that reach around the world. I would like to thank each of you for your faithful support.

CREDENTIALS AND ORDINATION COMMITTEE REPORT

The Credentials and Ordination Committee worked with the East Franklin Baptist Church in helping them to draw up and adopt a Constitution and By Laws. We also met with the Windy Gap Baptist Church and examined Brother Danny Rogers for the office of a Deacon. Recommendation was made that they ordain Brother Rogers and he is now serving as one of their deacons.

DIRECTOR OF MISSIONS REPORT

God has certainly used this past year to teach me some very valuable lessons through the surfacing of many rewarding opportunities of service as well as some deep concerns. There always seems to be too little time to do so much. I now realize just how relentless one must work in order to move toward breakthrough growth. We've made the commitment to assist our churches in developing growth patterns in the various church programs. Growing is hard work! Sometimes there's growth pangs! Growth cannot occur without the aid of the Holy Spirit. Our sensitivity, receptivity, and responsibility to the Holy Spirit determine how much God can do through us and with us. We need to experience breakthrough in our attitude, spirituality, and practices. For the past three years our association has experienced an increase in Sunday School enrollment. That's good! That means we are moving off the plateau toward steady growth. Our goals include assisting our churches in developing Sunday School into an outreach/evangelistic organization as well as a Bible

Study. We hope to locate every unchurched residence in Macon County by 1996 and present the gospel to all unchurched residences in Macon County by 2000. These are worthy goals, Great Commission goals. These goals are the purpose/reasons our churches exist. Accomplishing these goals may require rediscovering a sense of purpose, changes in organization or methods, or simply improving what you're already doing. As your servant, we stand ready to assist you.

Our missions organizations such as Brotherhood and WMU are seeing an increase in enrollment as well. Our awareness and interest in missions both at home and around the world definitely needs to increase until it moves us to personal as well as corporate involvement. Some of our Strategy Planning goals have either been realized or are being worked toward. My prayer is for completion and celebration of what we have believed and accepted as God's plan for our association. Our purpose is to assist our churches in fulfilling the Great Commission in their own community and across our association.

Our organization at the associational level has expanded in order to prepare for future challenges. Our newest committees such as Properties, Personnel, and Finance, are beginning to function. New mission performance program leaders and councils such as Pastoral Ministries, Family Ministries (Senior Adults), Missions Development, and Christian Life are beginning to plan and work to meet existing needs. Our Associational Youth Ministry has hit the ground running and doing a great service. Migrant ministry and the LBJ Job Corp Chaplaincy continues to work. Vacation Bible School for Special Friends continues to pick up new persons and helpers. Our resort ministries continue to be a tremendous opportunity for those who wish to accept the challenge. Our church program teams such as Sunday School ASSISTeam are well prepared and capable to assist our churches in improving their church programs. Our association is fortunate to have as many talented and gifted people in our midst. God has placed each one here for the purpose of His glory.

We are attempting to include every church in the life of the association at some point through their people or the use of their facility. We are appreciative to all who have readily and lovingly opened their church building for our use during Executive Board Meetings, Annual Meetings, and workshops. Our desire is to involve even more of our people in the coming years.

Two concerns that have surfaced this past year include a three year decline in Discipleship Training enrollment in our overall association and the problem of communication. Discipleship Training is a very important part of the life of our church families. This is the area where we assimilate new Christians and new members into the life of our churches. It is also the area where we train new leaders. In my opinion, this may be the place where we are letting the gap down for the sheep to get out of the pasture. We must change this pattern or we will continue to lose potential leaders and members.

Communication is very difficult at the associational level. Although we have a newsletter in the mail each month, it doesn't guarantee that all church leaders or members are aware of the opportunities of training and service offered by our association. Someone lately said to me, "Our church members are not aware of all the association is doing!" **How can we remedy this problem?** I would ask pastors and church leaders who get the newsletter to please share the information with your congregation in some way. We also mail out a "Church Copy" to a designated person in each church with the understanding that it will be posted or made available to the members who are not on the mailing list. **HELP US GET THE WORD OUT!** Our Church program teams and Councils, as volunteers, do too much work and serious preparation for so little participation from the counterpart organizations in our churches. Help us bridge this communication gap or share your ideas with us about how we can make improvements.

I want to express my grateful appreciation to the many volunteers who make so a tremendous work possible. God has certainly blessed our association with so many wonderful and talented folks. So many people have readily and eagerly responded throughout the year to needs that sometimes surfaced so quickly. Thanks to the visionary leadership God has provided through our pastors in the growth that has occurred this year. Thanks to our associational secretary, Ila Sue Cook, who has worked diligently to make our office efficient and pleasant. Thanks to our Moderator, associational leaders and committees for their energetic, wise, open and effective leadership. Thanks to the tireless efforts of our church program teams and their visionary leadership. May God bless their continuing efforts to establish growth patterns in the development of our church toward fulfillment of the Great Commission. I pray for a stronger participation of our churches in this joint fellowship and effort to reach, win, and develop the people of our county for Christ. One of the greatest realizations God brought to my attention this year is that if these dreams/goals are not owned/accomplished at the local church level, they will never become a reality at the associational level regardless of how worthy they may be for the cause of Christ. With this in mind, let me encourage you to join our hearts and hands together, individually and corporately, and labor with God to see our dream become a reality.

Your servant, Lester Evans, DOM

DISCIPLESHIP TRAINING REPORT

Jesus commanded us to "Go into all the world and make disciples" so making disciples is no longer an option, it is a command. Many churches need to disciple Christians more effectively.

Last spring two boys, Kevin Tucker and Ben Unger completed the Children's Bible Drill. It was the third year for Ben, therefore he is a three year winner. It was Kevin's second year. The Bible Drill is important to the Boys and Girls, as well as the leaders, so let's encourage more to participate.

Plans are being made to attend a training session for Discipleship Training Officers at Caraway the last of August. Work is being done, trying to get a full team to attend.

Mary Powell, Director

EVANGELISM COUNCIL REPORT

The Evangelism Committee of Macon Baptist Association is made up of three people. Nancy Vanhook of Sugarfork Baptist Church, Mike Ramsey of Cowee Baptist Church, and Rev. Roy Lindsay of Aquone Baptist Church.

We as a committee are working to keep evangelism before the pastors and laypeople of the association.

We did a clinic on the evangelistic emphases of Vacation Bible School at the Vacation Bible School annual clinic. We also had Victor G. Cole from state Evangelism Development lead a seminar on Total Church Life with Cowee Baptist Church acting as the host church for this event.

We have future plans of which we will notify you soon. In order for EVANGELISM to be a success in Macon Baptist Association we need you the PASTORS and you the LAYPEOPLE to help us reach out to the lost over this community.

We have had a total of 167 baptisms for the past year. This is a decrease over last year.

EAST FRANKLIN BAPTIST CHURCH HISTORY

A group of people met at the Baptist Sunday School Mission of East Franklin on July 30, 1959 to get organized. The name was changed to East Franklin Baptist Mission. Under the watchcare of the First Baptist Church, in October 1959 the decision to buy a building lot was made. The land was purchased from Mr. A. V. Garrett. East Franklin Baptist Mission had their organization service on September 10, 1961. The name was then changed to the East Franklin Baptist Church. Fifty-two people stood to become charter members. The first pastor was the Rev. Jack M. Lewis, who had also served as pastor for fourteen months at the Mission. Grading was done October 1961 for the building. The loans for the building was from the Baptist State Convention and Mr. G. F. Hurley. The building was built by Mr. Woodrow Reeves. The loan was paid off in March, 1972. The dedication of the church was on Sunday, August 26, 1962. The first service was the following Sunday morning for Sunday School.

A vestibule and steeple was added in 1973. In 1978 dirt was hauled to fill in beside the church to be used later for a cemetery. Paneling was put up and new front doors were installed. A new room has been added for fellowship. In 1987 new windows were put in. An additional bathroom was built in 1989. A new heating and air conditioning system was installed in 1991. The church adopted a Constitution and By-Laws in January 1992.

There have been three pastors ordained to preach and two men licensed to preach here. There have been ten pastors who have served at East Franklin Baptist Church. At present, the Rev. Terry Dixon is pastor. The activities are: Sunday School at 10:00 A.M.; Worship 11:00 A.M. and Sunday night worship service at 7:00 P.M.; Wednesday night prayer service and Bible Study at 7:00 P.M.; Youth meeting is also at 7:00 P.M. Wednesday night; the W.M.U. meeting is the first Tuesday night of each month at 7:00 P.M.

The Lord has blessed this church in many ways. We just pray for the leadership and guidance of the Lord Jesus in everything we do.

FAMILY MINISTRIES

SENIOR ADULTS

A ministry to senior adults under the heading of Family Ministry has been established to help meet the needs of senior adults in Macon County churches. The first church leader training conference was held on Monday, July 13, 1992.

If you are convinced that senior adults need something more than what is being provided in the normal educational and worship

programs of your church, you may be the person to begin a senior adult ministry in your church.

If you are interested, I would like for you to contact me in order to form a senior adult council for the purpose of planning programs and activities for and involving all the churches in the Macon Association.

The first major project will be to provide training for senior adult leaders. Then we would like to plan a major senior adult event in the Spring or Summer of 1993.

Senior adults are the largest and fastest growing group within our area. By working together we can supplement the programs within our churches and help to meet their needs.

MBA Senior Adult Director

FOREIGN MISSIONS REPORT

As another year passes by, we are able to see the outstanding work that the Foreign Mission Board and our missionaries have done.

The outreach done by the 3,900 missionaries during 1991 contributed to the 233,334 baptisms on land overseas. The finances during this year continued to grow, contributions came in through the Cooperative Program and the Lottie Moon Christmas Offering. Through both programs the Southern Baptist gave $148,74 million in funds.

One of the strongest worked areas overseas was in Ethiopia, since the collapse of the communist government in May '91, Christians have enjoyed the freedom that once was unimaginable.

Also during 1991, the Foreign Mission Board established the Green Task Force (an extraordinary emphasis to reach people in an area of tremendous change). This group began to focus on new opportunities in the former Soviet Union. The task force stressed that the success of this plan depends on the prayers from all people. Let us also remember the Bold Mission Thrust which is still very active in ministering the gospel to every person in the world by the year 2000.

FRUITLAND BAPTIST BIBLE INSTITUTE REPORT

The Baptist Bible Institute at Fruitland has, and is, enjoying much progress this year. As of April 1992, there were 169 students enrolled in various courses. It is hoped this number can be increased to 175 by fall term.

The curriculum has been expanded to include couxes in Discipleship, Christian Service Ministry, and Clinical Pastoral Education. Also, an Associate Degree in religion is now offered.

Many changes in planning and construction of new buildings continue to be made. Three additional apartments for married students have been completed and more are to be built. Some renovation is now being made to present apartments to include an additional bedroom.

Financial Contributions for scholarships have continued to increase. Two Scholarship Trust Funds have been established this year amounting to over 192,000.00.

The school seems to have a friendly working relationship with most of the churches in North and South Carolina and Tennessee, and is looking forward to more and more students taking advantage of the school.

Fruitland Institute is open for and welcomes seminars for lay people. Also, conferences may be scheduled for bivocational Ministers, Deacon and Wives Retreats, W.M.U. Groups, and Sunday School Council Retreats. If the cafeteria is to be used it is needed for all groups to be at least 25-30 in number.

Since Fruitland Baptist Bible Institute is for all Baptist Churches it is hoped that inquiries will be made as to the many more helps the school may make available to them. Interested persons may call (704) 685-8886 for information.

LBJ JOB CORP CHAPLAINCY REPORT

This year is half gone. As I look back on this year there has been some bad times as well as good times.

When I gave my report for last year I reported no conversions. This year I am happy to report that for the half of this year I can report two conversions. Needless to say I had hoped for many more but I thank God for these two. My prayer is that we will have many more the last half of this year. Please pray with me that this will come to pass.

I want to thank Lester, our Director of Missions, and all the churches of Macon County for your prayers and support. You have made this ministry possible.

May God richly bless each and every one.

Rev. Charles Carpenter

After the meeting a time of fellowship followed the meeting with delicious refreshments being served by the ladies of East Franklin Church.

The Association also started an Associational Church Choir. This choir was assembled by members representing 10 different churches from the association. The Choir did two beautiful performances of a cantata entitled "Go Tell It On The Mountain". The first performance was December 21, 1991 at the Iotla Baptist Church and the second one was at Franklin First Baptist Church. Both performances was under the direction of Mr. Mike Willis, the Associational Music Director.

The Macon Baptist Association has started a campground ministry on Sunday mornings.

This year the Association had 5 Seminary Extension classes taught by Rev. Davis Hooper and Rev. Lester Evans. The classes were taught each Tuesday evening. Also started this past year was a Seminary Extension Library.

In our association this year we had a very unusual event--a fire at Walnut Creek Baptist Church. They have combined their church services with Pine Grove.

For the first in Macon Baptist Association Sugarfork Baptist Church began two Sunday morning worship services on May 17, 1992.

It has been an honor for me to serve as the Historian for the Macon Baptist Association. It is my prayer that we, as an association, may come closer together and work for our wonderful Lord. May God Bless All.

MISSIONS COMMITTEE REPORT

In the past two years the Missions Committee has gone through several changes. Some of the work we did has been placed in the hands of new committees in order for our attention to be focused on mission work. The one thing we want to report on at this time is concerning the missionary housing.

On August 19, 1988 the Missions Committee recommended to the association that a fund be established with at least six months rent available for the furlough of missionaries. The motion was carried. The association voted again in 1991 to accept Dr. Duane Kuykendall's request to come to Macon County on furlough. He has requested to come in June of 1993 - August 1994 which will be a full year. The fund for this now has about $3900. We will be needing around $6000 or more. We will be asking churches for more help in this project. Dr. Kuykendall will be available on a limited basis to work with our association. This will be a great opportunity for our churches to get to know more about foreign mission work. We have enjoyed working with our Missions Committee and Missions Director.

PASTORAL MINISTRIES REPORT

An old pastor was retiring. At the ceremony he was asked, "What would you do differently if you were beginning your ministry today?"

"I would major on three priorities: I would deepen my own relationship to God so I could speak more from the perspective of my own experience with God, I would train the laymen of the church to witness and minister more effectively, and I would spend more time insuring that our church made a real impact on a lost world and less time trying to be a public relations man in the community so the world would think well of a church."

Paul wrote to the church at Ephesus and said that God had given church leaders for the "perfecting of the saints, for the work of the ministry, for the edifying of the body of Christ; til we all come in the unity of the faith, and of the knowledge of the Son of God, unto a perfect man, unto the measure of the stature of the fullness of Christ" (Eph.4:12-13).

Developing pastors and lay people "for the work of the ministry is the desire of the Pastoral Ministries Program of the Macon Baptist Association. This is a newly defined task for us here and one that we are trying to take seriously.

We have had one major event already for pastors and their wives, and deacons and their wives. On July 10 we had a conference on managing stress which was attended by 35 pastors, deacons, and their wives. September 10 we are scheduling another workshop for deacons and their wives. Both of the above were done in conjunction with the North Carolina Baptist State Convention "Co-

operative Agreement Program. We are already making plans for the next two years for similar learning opportunities.

We would welcome input from you regarding what you feel would best meet your needs as you sharpen your skills in pastoral ministries in your individual churches.

Respectfully submitted,
Herbert L. Gibson, Jr.
Director of Pastoral Ministries

RESORT AND LEISURE MINISTRIES REPORT

In recognizing the need to share the gospel, and the love of Christ in a resort setting, several steps have been taken to meet the challenge this summer. Southwest Area Resort Ministry has furnished the Sonrise ministry team to Standing Indian Campground on Sunday mornings to lead in worship. Campers on Mission have supplied worship services in Cullasaja River Campground as well as other campgrounds in our association. A mission youth group from Enterprise, AL., conducted worship services as well as day camps in these areas. Time and effort is being spent to identify other ways that we as an association can meet the needs of people at leisure in our area. As our eyes are opened to missions opportunity, may we not overlook those people that are in our own backyards.

Charlie Ellisor

SEMINARY EXTENSION REPORT

Seminary Extension in Macon Baptist Association has been active in the 1991-92 year. Five courses were offered through the Macon center this year with an average of 12 students enrolled in the classes. Each course was from the college level curriculum, with students who took the courses for credit receiving college level credit. There are now approximately seven students who are working toward a college level diploma here in Macon Association.

With input from students, faculty, and the Seminary Extension Committee plans have been made for courses to be offered in rotation so students can complete the requirements for the diploma series. We will have a tentative schedule of classes available at the MBA office for anyone who would like to pick one up.

Also, Seminary Extension helped begin an Associational Library during 1991-92 that will be available to assist students with extra reading requirements. A request has been made for books or funds to build up the books in the library. Several have donated books for the library. We currently have almost sixty volumes in the library. This is only a beginning but we are hoping for more books or funds to purchase books.

Seminary Extension has been the benefactor of some funds that are to be used for scholarships for students at the center. Scholarships will be available for students in 1992 over and above the scholarships that are given through the North Carolina Baptist State Convention. The Seminary Extension Committee is currently establishing a policy for fair distribution of the scholarship funds. We do express our appreciation to those who have contributed to help these students with their expense.

As we look ahead to the 1992-93 year we are planning to offer four courses in the college level series. These classes are offered for everyone and can be taken for credit or audited with no test being given for those not seeking credit. We would like to encourage laypersons as well as pastors to take these courses if you would like to better serve your Savior.

In conclusion the Seminary Extension Committee expresses thanks to all involved with Seminary here in Macon Baptist Association. It is our goal to assist those who wish to train to serve our Lord more effectively. We always welcome any suggestions or comments from you as to how we can better serve you.

Respectfully submitted,
Rev. Davis Hooper

STATE MISSIONS REPORT

The State Missions Week of Prayer and Special Offering is the way our State Convention promotes the mission efforts of our convention. Many ministries are going on across our state. Literacy missions with language groups is just one of the many opportunities that has accounted for nearly all the growth the Southern Baptist Convention realized last year. Seminary Extension is being used as another tremendous tool in our prison systems across the state. These are just a couple of the ministries being done in North Carolina.

You might also be interested in knowing that about 10% of what the churches of Macon Baptist Association give to the State Missions Offering is returned to the association the following February. Earlier this year the amount was $877.40. These funds enable us to expand our mission work. Thank you for your continued support!

STRATEGY COMMITTEE REPORT

The Associational Strategy Planning Committee was formed to lead our Association in Long Range Planning. Its membership consisted of our Director of Missions, Rev. Lester Evans, our moderator,

Rev. Herbert Gibson, Mrs. Jo Ann Elmore, Rev. Steve Reeves, Mrs. Linda Harbuck, Rev. Ronnie Owens, Dr. Gene Tunnell, Mr. Jim Williamson, and Chairman, Harold Savell.

The first task of the Committee was to recommend a Statement of Purpose to define who we are and what is our reason for being. The Association adopted the following: "The purpose of Macon Baptist Association is to promote unity, fellowship, and cooperation among the family of Southern Baptist Churches in Macon County, North Carolina, and to provide resources, opportunities and coordination to help encourage and enable the churches, both individually and together, to achieve the objectives and goals toward fulfilling the Great Commission in their community, association, state, nation, and around the world."

The assignment was to study the physical, socio-economic, and spiritual make-up of our county and lead our Association to organize and make plans toward meeting the needs existing in our county. Our committee was divided into four study groups to study population characteristics, the religious scene, assistance programs available, and our Associational Organization.

Following these studies plans were made to evaluate the findings and plan a response in a retreat setting. Some facts gleamed from the studies that would effect our plans were as follows: The projected population growth rate by year 2000 is 35.7%; In 1990 we had 113 divorces and 100 marriages; 19.5% of our population is living in poverty; In 1990 juvenile arrests increased 41% over 1989, from 84 to 233; while our population has grown 16.5% since 1980, our total church membership has decreased. From these and other facts emerged four areas of concern and objectives related to those concerns. They are:

I. MISSIONS
Our objectives under Missions are (1) To increase the awareness in churches of mission opportunities at home and around the world, and (2) to increase participation by giving of funds, prayers and personal involvement.

II. ASSOCIATIONAL DEVELOPMENT
Our objectives under Associational Development are (1) To broaden associational leadership to more churches, (2) to have better trained leadership, (3) to improve Associational facilities and resources available to churches, and (4) to be committed to "Being on mission in our setting."

III. EVANGELISM
Our objectives under Evangelism are (1) A spiritual awakening among the people of God, (2) to develop every

church member in personal witnessing, and (3) to win every lost person to Christ and develop them in Christ.

IV. CHURCH DEVELOPMENT
Our objectives under Church Development are (1) To produce a mature, mission-minded church membership in all churches, (2) to have trained leadership in every church, (3) to have a harmonious relationship between pastor and church, and (4) to have a strong pastoral leadership and image.

These concerns and objectives, along with goals designed to help attain the objectives were adopted by the Association.

Respectfully Submitted,
Rev. Harold Savell
Chairman Strategy Planning

SUNDAY SCHOOL ASSISTeam REPORT

Lamar King, Sunday School Director for our association, is no longer serving in Macon County. Lester Evans, our Associational Director has asked me to fill the remainder of Lamar's term.

I'm not aware of all the activities that took place before joining the team, so this report will not reflect all programs and projects. The two activities I am aware of are: 1. Sunday School Outreach teacher training at Ridgecrest (attended by five members of the team), and 2. A Sunday School Outreach Workshop held at the Cowee Church on Saturday, May 2, 1992. This workshop was poorly attended, perhaps Saturday morning is not a good time for most people.

FUTURE PLANS:

In the future the Sunday School Team, known as the **ASSISTeam** will be available to come to your church to ASSIST Sunday School teachers in various workshops. Two workshops already suggested are: 1. Outreach through Sunday School and 2. Sunday School teacher training and updating. These workshops will be taught, for the most part, by trained and experienced school teachers and are available at the request of your Sunday School teachers.

Please let us know if we can be of service to your church.

Respectfully submitted,
Joe Folsom

TRUETT CAMP REPORT

As your Camp Director, I again count it an honor and privilege to serve the Lord and you in this work.

We had two weeks of GA Camp this year with 135 girls attending and 12 were saved at camp with several rededications being made. We encourage you to register early for 1993 camp and bring a friend with you. Laura Moore was director with Becky Brown assisting her.

We are glad to report another great music week with attendance exceeding last years. There were 93 attending with 2 accepting Jesus as their Savior, 4 for Christian Service and 35 rededications. A good time was experienced by all. J. Gilbert was Director.

We have received several registrations for the upcoming RA Weeks and Aud Brown the director for those weeks with his assistants will see that the boys enjoy another 2 good weeks of camp with spiritual training and good fellowship.

The new conference center is being used and also our new pavilion. Our room rates in the conference center are still affordable so encourage your church friends to visit with us at Camp Truett and Conference Center.

We are deeply grateful for all the churches in Region 10 for your prayers and support. We hope you will put the camp in your Church budget or will support the camp in any capacity that you can.

Worship and Bible study is still a very important part of our camp program.

Please encourage your children and your neighbor's children to come to camp, also have your church to use the camp and conference center. Come see the changes in the grounds and camp facilities.

Respectfully submitted,
Richard Roberton, Camp Director

VACATION BIBLE SCHOOL REPORT

We have been on a "Fantastic Journey" this year, a journey for the Lord. In March our VBS team went to Waynesville for a Regional Training Session.

On March 2nd there was a Pre-planning Conference for Pastors and VBS Directors. There were 19 present. We discussed ways to improve our Annual VBS Clinic. We also previewed the material for this year.

The Annual VBS Clinic was held on April 23, 1992. There were 87 in attendance. We had classes for teachers of all age groups, Directors, and this year there was a class for Pastors with emphasis on Evangelism. However, there were only 5 pastors in attendance.

The statistical report for 1991 is:
- Total enrollment - 2,661
- Total Prospects - 300
- Churches w/Standard VBS - 12
- Advanced Churches - 2

41 of our 44 churches conducted a VBS in 91.

A word of praise for a wonderful VBS team: John Sim, William Sierra, Nancy Folsom, Martha Barclay, Linda Browning, Patty Ann Waters, Mary Beth Houston, and Roy Lindsay.

Our Total Enrollments have increased over the past three years! Let's also increase our professions of faith and bring our prospects into our Sunday Schools. Let's continue on a "Fantastic Journey" for Christ.

WOMAN'S MISSIONARY UNION REPORT

Through the 1991-92 emphasis, CALLED AND ACCOUNTABLE, WMU has nurtured women and girls who have felt the call of God. We supplied training for local church leaders on September 9, 1991 with 14 churches represented. Feeling the need to encourage more churches to teach mission studies church wide, on October 10, 1991, a mission study institute, directed by Mrs. Eula Dalrymple, was held at Mount Hope Church with 9 churches represented. Also in October a Baptist Women Manual study was taught by Sharon Kephart, Church Growth Multiplier Assistant. In November, Baptist Women's World Day of Prayer was observed.

God blessed two churches with a desire to organize a new WMU organization: Pine Grove, September 1991; East Franklin, March 1992. Pray for these two churches, these organizations are going great.

We appreciate all Ruby Curtis did as she served Baptist Women of Macon Association.

The Baptist Young Women have been alerted this year that "Company is Coming" as the Convention promoted Missions through several magazines, hoping to touch lives of BYW not involved in missions. Thanks to June Trull and Sherry Houston for a job well done.

Within the busy world of our teenagers is ACTEENS. We appreciate these girls that are committed to missions through Acteens Organizations. We also take our hats off to the adults who so faithfully lead in the local church. Dale West, Associational Acteens Director, has contacted churches throughout Macon Association and reports we have 10 churches with Acteen Organizations, including reorganization of Acteens at Ridgecrest Church.

Girls in Action began the 1991-92 year with 12 organizations in Macon Association. One of the goals of Kathy Parker, Associational G.A. Director, was to help activate other churches and to establish at least one new G.A. organization. Kathy has been very busy assisting churches in manual study, teaching them "how to" have a G.A. meeting using the correct G.A. material. On May 16, 1992 a Mission Rally, for G.A.'s, was held at First Baptist Church. Lunch was served with Mrs. Prissy Tunnell as guest speaker. Mrs. Tunnell had written the material for the G.A. magazine, "Discovery", for the month of May.

Frances Wilson worked faithfully preparing for the training of Mission Friends leaders, but no one showed up for her conference. Through correspondence she promoted Mission Friends material, enlistment opportunities and also encouraged these Mission Friends leaders.

Mission Action/Personal Witnessing, as always, helped boost WMU this year. Gail Walters, MA/PW Director has led us through some great opportunities to witness. We began a new migrant ministry that we've never had the opportunity to participate in. We provided refreshments for the meetings and money to buy materials, Bibles and other publications.

Restocking the food pantry via Care-net was an ongoing project.

The Children's Quilt project was a big success. These were distributed by Maco Crafts to children who are victims of crack or other illegal drugs.

Christmas boxes for Women's Correctional Institute was a huge success. Our Association donated 800 pocket calendars plus $350.70 for their numerous other needs.

The 1992 Annual Associational WMU meeting was held April 7, 1992, 7pm at Coweeta Baptist Church with a good number in attendance.

A recognition service for Acteens and G.A.'s who had reached achievement in Studiact and Mission Adventure during the past year

was held for a first time in several years. Three Acteens and 35 G.A.'s were recognized. We appreciate our youth in missions.

To God be the glory for a great year in WMU.

Respectfully submitted,
Dixie M. Shook, Associational WMU Director

YOUTH MINISTRY REPORT

On October 14, 1991 youth leaders from nine different churches met at Longview Baptist Church for Key Leadership Training. This was the first of regular monthly meetings for fellowship, training, planning events and sharing ideas and resources. This group has met once a month on Saturdays for lunch (dutch treat). They have given time for growth and sharing and prayer for the youth of Macon County. We now have a mailing list for leaders in 16 churches in our association. We welcome new names, addresses and phone numbers for our mailing list. Please keep us notified of changes in these leadership positions.

In November of 1991 it was decided to apply to our North Carolina Baptist Assembly at Caswell for summer camp. All leaders on the mailing list were notified of this opportunity. On June 22, 1992, 30 youth and leaders, representing 5 churches, left for Youth Conference I at Caswell. It was a wonderful week for the youth and their leaders. Three decisions were made in our youth group and countless decisions were made by the 1,000 youth in attendance. Adult leaders who gave their time to go with these youth were Mike Arnold, Shannon Farmer, Bruce Harwood and Sandy Stancil from Cowee; Pam McConnell and Sharon Willard from Longview and Janet Long from First Baptist. Longview allowed the use of their bus and First Baptist donated their church van for the trip. Bruce Harwood drove his own van to carry luggage. Macon Association bought each youth a T-shirt imprinted with the "Quantum Leaps of Faith" theme logo.

On Yew Year's Eve our associational youth participated in a skating party at Franklin Skateway.

In January 1992 Dee Cox, Christian Education Director for Buncombe Association, led our monthly meeting and shared the plans and ideas of Buncombe's youth leaders.

Three youth leaders have begun working toward their Youth Ministry Diploma through the Church Study Course program. In May, 1992 Janet Long attended Key Leadership Conference at Ridgecrest for training.

Future plans include a New Year's Eve party for all Macon County Youth planned by our associational leaders, training events and a return to Caswell in 1993.

Our aim is to enable Baptist youth in Macon County to find strength for Christian living through fellowship and growth. This will

enable them to reach out with the gospel of Jesus Christ to the youth of Macon County.

Respectfully submitted,
Janet Long
Youth Coordinator

"GROWING UP"!

William K. Shields (Bill) was born February 10, 1915 to Robert Vance Shields and Molly Lee Shields in the community of Kyle, North Carolina located in the Nantahala section of Macon County.

At the age of four my father sold his farm and we moved to Aquone where my father became a logger and later a timber foreman. I had never seen the motorized world, my view had been horses, oxen, wagons, buggies and sleds. This move changed all that because we now lived beside the railroad track. I had heard about the "Iron Horse" and one day it came (72 ton log train) huffing and puffing and I ran and hid inside the house and I can still remember the house (shack) shaking and wondering if this monster was ever going to pass by.

"Growing up" in the Nantahala mountains continues to bring on lasting memories. At the age of thirteen, I joined the Nantahala Baptist Church and was baptized in the Nantahala River. Even though I drifted in my early years, I often went to church and the preaching made me hungry for Christ.

Later we moved to Franklin and my dad was killed on the Georgia Road by an automobile. Realizing the need to keep our family intact, with my mother being an invalid, work was a must. We moved into the Cartoogechaye community and this is where my wife and I raised our boys and still live today. I can look back and see that it was no accident but God's plan for me to find a wonderful wife and be close to a church. In December 1940, I married Clara V. Kiser and joined Mount Hope Baptist Church in 1942 where working together became worshiping together. Not only did we have church services on Wednesday nights, but a second service was added in the week and that became known as the "Cottage Prayer Meetings" on Friday night. This fellowship and study continued for six years and many of our community people and leaders today can still remember as if it was only yesterday.

On December 16, 1951, I was licensed to preach the gospel by the Mount Hope Baptist Church and in 1952 ordained to the work of the "gospel ministry." In 1952, I was called to pastor Ridgecrest Baptist Church and in my ministry of twenty-eight years and eleven county churches (some more than once) and one additional church outside the association, Upper Peach Tree Baptist Church in Cherokee County, plus receiving my Diploma from Fruitland Baptist Bible Institute in 1960 and working every day, God has blessed me and my family.

In 1980, I retired from full time ministry. Since then I have occupied my time in local mission work, interim ministry, nursing home programs, Sunday School teaching and studying and reading my Bible daily. "Growing Up" is my theme and there is no limit to growth but yourself. The "Golden Rule" allows us to live happily today, never regretting yesterday or worrying about tomorrow.

God Bless....
W.K. (Bill) Shields

DEDICATION

Rev. Jud R. Duvall

For over forty years, Jud Duvall has served as pastor of Missionary Baptist Churches in Macon Baptist Association, Franklin, Macon County, N.C. During this time he pastored eight churches and returned to two of those churches for a second term as pastor.

His ministry, over the span of these years, through the leadership of the Holy Spirit touched numerous lives both young and old through the Gospel message of Jesus Christ. Beginning his first pastorate in 1952, he was never without a church until he retired in 1992, due to health problems. His last pastorate was Brush Creek Baptist Church in Swain County.

He was born September 17, 1917, in the lower Burningtown Community of Macon County. At the age of 23 he married Isabella Roper and moved to Iotla Community, where he has lived for the past 52 years.

After answering the call to preach, he was licensed to preach the gospel by the Iotla Baptist Church at Franklin, NC, on the 10th day of February, 1952. Then on the 13th day of September, 1953 he was ordained to the work of the Gospel Ministry by the Authority and Order of the Iotla Missionary Baptist Church.

After his ordination he attended Fruitland Baptist Bible Institute and graduated from the Institute on March 29, 1957.

Other than his pastor work he served on many different committees and was moderator of Macon Baptist Association.

Since retirement he still does supply work, filling in for other ministers, funerals and weddings.

Jud Duvall has left an imprint on hundreds of lives. They will never be the same, because of his compassion for people and his steadfast faith in Jesus Christ.

LIBERTY BAPTIST CHURCH HISTORY

The first church services in the Liberty Community were held in what was referred to as "Upper Cowee" or "Upper Meeting House." The building was also referred to as the "Elmore Schoolhouse" and the "Liberty Meeting House."

In 1866, Cowee Church voted to lend part of the library to the "Upper Cowee Sabboth School." These books were the first literature used by Sunday Schools in Baptist Churches.

In 1871, twenty-seven members of Cowee Baptist Church petitioned the church for permission to constitute a church at what was known as Liberty Meeting House so that members would not have to travel so far for church services. The petition was withdrawn; but in February, 1874, members again petitioned the church to dismiss these members and help to constitute a church on upper Cowee. This petition was granted and on March 28, 1874, a presbytery consisting of Elders A.A. Justice, Merritt Rickman and members of Cowee Baptist Church, met and constituted what is known as Liberty Baptist Church. During the first meeting Articles of Faith of the Tuckaseigee Baptist Association were adopted. Elder A.A. Justice was elected as first pastor of Liberty Baptist Church on April 4, 1874. The first communion service was held in October, 1874, and sister churches, Cowee, Franklin, Savannah and Burningtown, were invited. Foot-washings were held in conjunction with communion as late as 1878. The first deacons were ordained in March, 1875. Delegates were sent to the Western Baptist Association in Macon County on

September 11, 1876, and each year thereafter as long as Western Baptist Association existed.

The Tuckaseigee Association first met at Liberty August 18-21, 1892. A hospitality committee was appointed in July to make necessary arrangements to care for visiting delegates, and marshals were appointed to insure that order was maintained.

The church met in the Liberty Meeting House until 1886, when a building was constructed by donated labor and materials.

In 1886, Liberty Baptist Church granted a petition to establish a Baptist Church at Vernon Schoolhouse on Alarka.

For several years Liberty supported a "Sabboth School" at the Harmony Schoolhouse, which came to be known as Harmony Sunday School.

In July, 1896, Liberty Church appointed delegates to Tuckaseigee with instructions to vote for a Macon County Baptist Association. It was not until 1904, however, that Macon County Baptist Association was organized. Liberty sent five delegates to that meeting. Macon Baptist Association first met at Liberty in 1911. The Rev. R.P. McCracken delivered the message.

A third building was completed in 1908, and the Rev. W.L. Bradley preached the first sermon in the building July 27, 1908.

Liberty has supported the Cooperative Program since 1940.

Following a revival conducted by the Rev. Audie Buchanan, Pastor of Liberty Church, at the Walnut Creek Schoolhouse, Liberty granted letters to twelve members and Walnut Creek Baptist Church was organized July 15, 1951.

Liberty moved into the present building December 22, 1956, and the annual Christmas program was presented on that date. The outside of the building was brick veneered in 1966, and a fellowship hall and two wings were added in 1981.

Additional land for cemetery has been acquired and both old and new cemeteries placed under perpetual care.

A centennial celebration was held in 1974, and Homecoming Day is observed annually on the first Sunday in September.

HOLLY SPRINGS BAPTIST CHURCH HISTORY

Sunday, August 9, 1914 the people of Holly Springs community met with a Presbytery from the Watauga Baptist Church for the purpose of organizing a church. The object of the meeting was explained by Brother J.M. Bennett, after which he read the 84th Psalm and had a prayer. What is now known as the Holly Springs Baptist Church was thus organized with a membership of 42 (40 coming from Watauga and 2 from Tellico). Rev. R.P. McCracken was elected Pastor.

The group met for sometime in the old school house until a Church was built and completed April 11, 1917 on land donated by Mr. and Mrs. John W. Williams.

Some excerpts from the records reveal some interesting financial activities -- January, 1915 an offering was taken for Foreign Missions amounting to $1.11 -- the offering for State Missions was $1.50. The Pastor's salary was raised to $60.00 yearly. John W. Williams would keep the "House" clean for $12.00 per year.

Very little information is recorded concerning the labor on the building, however we imagine the members did most of the work. The property was valued at $3,500. The bell which has a beautiful ring, as it calls our people together, was purchased in Atlanta, Georgia by Mr. Bob Shook for $75.00. The exact date is unknown. It was shipped to Franklin by train and on to Holly Springs by a wagon. The building was remodeled as more space was needed. Soon the congregation saw the need for a new building as well as the need for a Parsonage. November 14, 1954, the George Crawford property was purchased for a Parsonage.

A building program began in 1960 with Rev. L.A. Howard as Pastor, Nat Phillips as Building Foreman, and Lewis Moses as Building Chairman. Donald Seagle was Finance Chairman and Lefferts Higdon was Treasurer. A strong faith was shown as plans began with only $3,272.00 in the building fund. Much local labor was given freely and the co-operation from a united congregation was apparent. The first services were held in the new building July 14, 1963. The Church was debt free in 1969, however in September, 1970 the Church voted to build a new Parsonage with open house held on May 20, 1973. This time on December 12, 1977 the Church was once again debt free.

The 75th Anniversary of our Church was observed May 28, 1989 with Rev. Eddie Trull as Pastor. Dr. Thad Dowdle was visiting speaker.

The Church has an active W.M.U., Baptist Women, and Brotherhood as well as Mission activities and classes for the youth of all ages. Services are held each Sunday morning, Sunday evening and Wednesday night. Fellowship suppers and special events are always an important part of our overall program. Our Sunday morning Worship Services are broadcast each Sunday morning at 11:00 am over Radio Station WRFR FM.

God continues to pour out His blessings on Holly Springs Baptist Church. November 15, 1992, the Facilities Committee Chairman Grady Corbin, presented a recommendation that we enter once again into a building program. A standing vote approved and a projected starting date of April 1, 1993 was set up. Tex Davis, representing the Stewardship Committee, stated a price of approximately $120,000.00 for a two (2) story educational building, the Blue Print being drawn by Gary Whittle. Tilman Register is Building Chairman, Tex Davis is Building Supervisor and Grady Corbin is Building Fund Treasurer.

Sunday March 7, 1993, a groundbreaking ceremony was held in preparation for the building of the educational addition. On Saturday, May 1, 1993, Bunny McClure began moving dirt! As of this writing, the work, mostly volunteer, is progressing really well. The Church property is valued well over $300,000.00.

Our Resident and Non Resident membership of approximately 260 feel that Holly Springs Baptist Church is "Where Everybody is Somebody and Jesus is Lord"---Together We Build.

COWEE BAPTIST CHURCH HISTORY

In 1828, Cowee Baptist Church became the second Baptist Church organized in Macon County (six years after Franklin First Baptist). The first paragraph on the Cowee Church Book of Minutes, Volume I reads, "The constitution of the Baptist Church at Cowee in the Cherokee Purchase, Macon County, North Carolina, March 15, 1828. The presbytery, consisting of Elders Humphrey Posey and Steven White, met at Cowee by request, and after worship and a discussion on the subject of the meeting, fifteen members were found in readiness for a church, all of them members of the church at Franklin." These fifteen charter members were: Samuel Rose, Levi Truit, George Caler, Peter Mason, Joseph Welch, Jacob Caler, Lucrecy Rose, Susannah Truit, Hannah Dickey, Jaly Hibberts, Polly Edwards, Sarah Mason, Mary Mason, Roda Russell, and Sarah Fortune. On the same day, Samuel Rose and Levi Truit were examined and ordained as the first deacons. George F. Caler was elected clerk and treasurer. The minister of the church at Franklin supplied as pastor until Humphrey Posey was elected pastor June 14, 1828. Alee Russell, a black woman, was received as the first new member on May 17, 1828.

After its organization, Cowee Church became a member of the French Broad Baptist Association, and became a charter member of the

Tuckaseigee Baptist Association when it was organized in 1829. When the Macon Baptist Association was organized in 1904, one of Cowee's lay members became its first moderator.

The church celebrated its centennial anniversary March 24-25, 1928 with an all day meeting on Saturday the 24, beginning at eleven o'clock, with lunch and supper being served on the grounds. Since October, 1953, Homecoming has been held the first Sunday in October, with the exception of 1964, when construction of the sanctuary was in progress.

On Homecoming, October 1, 1978, the church celebrated its 150th year with a program entitled "This is Your Life, Cowee Baptist Church." A one hundred fifty year certificate was presented to the church from the North Carolina Baptist State Convention.

The church set the third Sunday and its preceding Saturday of each month as its regular business meeting time, and agreed that meetings would be held at Caler Schoolhouse, located near the forks of the road where Caler and Cowee Creeks join. The church later met at other places including the Elmore Meetinghouse, Liberty Meetinghouse, and Morrison Schoolhouse. Meetings were sometimes held in Member's homes.

On June 26, 1830, George F. Caler, Elijah Shepherd, and Samuel Bryson were appointed trustees and instructed to locate and purchase a spot of ground on which to build a church. The land was deeded to the church by Samuel D. Bryson, and the building was erected on a knoll near the highway in front of the present church building.

This log building was used until 1868 when a building committee was appointed "for the purpose of taking a subscription setting forth the meetinghouse at Cowee." This building, made of boards, was erected at approximately the same location. The first meeting in the new building was held March 27, 1870.

In February 1889, at a cost of $7.00, this building was moved to a location in the present cemetery, where a cornerstone of that building still stands.

In 1913, a building committee was appointed to formulate plans and construct a new wooden church building. The first services were conducted in the new building in 1915. In 1934, the structure was wired for electricity and a balcony with three Sunday School rooms was built in the rear of the sanctuary. In 1936, Sunday School rooms were built under the church, with horses and drag pans being used to remove the dirt.

Our present educational building was constructed of brick in 1953-54. As no financial institution in Macon County would loan the church money for construction, six families in Cowee Church pledged their personal property as security, and a loan was secured from Haywood Building and Loan Association.

In 1963, work was begun on the present sanctuary, and in 1964 the church, by unanimous vote, agreed to borrow $50,000.00 from Haywood Savings and Loan Association. Dedication services were held in the new sanctuary on December 6, 1964.

On May 6, 1984, groundbreaking ceremonies were held for an addition to the educational wing of the church. Dedication of this new wing was held January 6, 1985, with a note burning on July 23, 1989.

Cowee has long been a mission minded church. In August of 1863, a collection amounting of $74.75 was taken for army mission and colportage (distribution of Bibles during the Civil War). In 1879, $1.10 was collected to aid in preaching to the Chinese in America and $5.00 was received for Foreign Missions. Interest and involvement has continued to grow. In past years, work teams have gone from Cowee to West Virginia, Honduras, and in 1989, to Charleston, South Carolina after

Hurricane Hugo struck. The church gave over $29,000.00 to mission causes in 1989 and $114,550.00 in 1992.

Cowee Baptist Church is currently co-sponsoring the beginning of a church in the Southern part of Macon County. We look forward to the Lord blessing this venture.

REPORTS

BAPTIST CHILDREN'S HOMES REPORT

Chris starts college at North Carolina State this fall on a football scholarship. After leading Thomasville to a state championship in 1991, Chris also earned national honor society recognition, was active in the community counseling drug abusers...and became a Christian at Mills Home.

Kathy married a Christian young man who was a volunteer at Broyhill Home, where she lived. She continues her education at Haywood Technical College while working and becoming a young wife. She and her husband, Kris, are members at Woodland Baptist Church, where she was active in leading children's programs, even as a Broyhill resident.

Several rows of supportive staff members cried during the wedding when the minister asked, "Who gives this woman to be married?" Child care worker Jim Johnson responded, "Her mother and I do."

"Her mother," was Jim's wife, Vivian. Together, Jim and Vivian helped Kathy develop from an angry and withdrawn child, to a beautiful, confident, Christian leader.

Ashley was growing up too fast...and her parents didn't know how to handle it. They wanted to treat her like a child; she wanted adult freedoms. When their constant clashing came to blows, they knew they needed help.

Through the family clarification program at Mills Home, both Ashley and her parents learned the roles they played in the family conflict, and how to listen, forgive and adjust in the future.

"We're very grateful to Baptist Children's Homes," said Ashley's mother, Victoria. "I don't know what we would have done. I don't know what would have happened to Ashley. I've had friends say to me, 'I never knew there was a place like that.'"

Well, there is a place like that.

Thank God.

Baptist Children's Homes in 1992-93 served 1,453 children and their families through programs of intentionalized services at 13 facilities across North Carolina.

Those facilities include four residential care campuses; seven emergency care homes; two homes for behaviorally troubled girls, therapeutic camping for boys; a maternity home; a home for teen-age mothers and their babies and a model daycare facility.

Baptist Churches, through the Thanksgiving Offering, Cooperative Program and direct gifts funded about one-third of BCH's $10 million budget. A significant source of income continues to be from estate gifts from those who remember children in their wills.

BCH's model daycare service took a giant step June 27 when the new $1 million, 10,000 sq. ft. Fleshman-Pratt Early Childhood Education Center was dedicated. It will accommodate 75 infants, toddlers and two-year olds.

During dedication, Robin Britt, N.C. Secretary of the NC Department of Human Resources, said BCH is "a true model of how young children can be shaped, nurtured and loved," and that "we will be looking at

institutions like the Fleshman-Pratt Early Childhood Education Center as we find models to replicate."

T. Winfield Blackwell, president of the Fleshman-Pratt Foundation, whose lead gift started construction of the building, said, "Think how many children will be raised and shaped by the dedicated staff who serve here, and surely a goodly number will be developed, not only to be good citizens, but active ministers in God's service."

Churches interested in beginning or improving their daycare ministry can get free help from director Mary Lou Dickey. Call (919) 472-3503.

BCH also dedicated a counselor's lodge at Cameron Boys Camp; completed a strategic planning cycle for the next three years; celebrated the 50th anniversary of Odum Home in Pembroke; completed a three-year partnership with the Baptist Children's Homes of Sao Paulo, Brazil; and produced a new video about BCH, available Aug. 15.

Swelling with emotion at the dedication of her new building, Daycare Services Director Mary Lou Dickey promised, "we will not fail" those who trust BCH with their children.

Michael C. Blackwell, who celebrated his 10th anniversary as president of BCH July 1, echoes that promise. "Baptist Children's Homes has been a cutting-edge ministry for North Carolina Baptists since 1885. As a disintegrating society moves the edges further and further, we're honing our ministry sharper and sharper. Thank you, North Carolina Baptists, for your support."

BAPTIST FOUNDATION REPORT

The North Carolina Baptist Foundation works diligently in service to Christ as directed by the agency's Mission Statement:

"The North Carolina Baptist Foundation is an agency of the Baptist State Convention of North Carolina committed under the guidance of the Holy Spirit to serving North Carolina Baptists and others in generating an increased awareness of Christian estate stewardship principals as a means of financially undergirding churches, institutions and mission endeavors on a permanent basis.

And further, the Baptist Foundation Staff and Board of Directors are committed to being scrupulously moral, legal, efficient and accurate in carrying out the intent of each donor and trustor whose funds are placed under management of the Foundation as a means of sustaining a tangible and perpetual involvement in presenting the Gospel, meeting human needs and strengthening all bodies of Christian fellowship where Christ is the Head."

The total market value of the assets of the Foundation at the end of 1992 was $41,880,638., an increase of almost $5.6 million over the end of 1991. Typically, assets are either held as endowments paying interest income in perpetuity to named Baptist causes, or they are held in trust with current income being paid to individuals and future income to be paid to Baptist causes in perpetuity. Additionally, the Foundation offers fund management for Baptist causes on a revocable basis.

Earned income distributed and paid to Baptist churches, institutions & mission causes during fiscal year 1992:	$1,182,203.

Earned income distributed and paid to individuals (with Baptist causes named as future beneficiaries) during the fiscal year 1992: $1,024,007.

In 1992, and continuing into 1993, the Long Range Planning Committee of the Board of Directors met extensively to lay the groundwork for the Foundation's goals and objectives for the next five years. The previous five years were quite successful with ambitious financial goals being met early on. It is anticipated that the Board's work in evaluating the past and present status and in laying a road map for the future will result in exciting times ahead.

The staff of the Foundation consists of seven full time employees and two persons who provide part-time service in accounting and legal services. The office is located in Cary next to the Baptist State Convention building. Visitors are welcome and are encouraged to stop by for professional assistance or just to say hello.

BAPTIST HOSPITAL REPORT

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care of affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

Our healing team now consists of 5,852 employees. The Medical Center (NCBH and BGSM) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,247 inpatient admissions. Our Outpatient Department, physicians' clinics, and other related departments received 490,667 patient visits.

Our chaplaincy division joined with our health-care professionals to provide spiritual and emotional healing. With 15-40 chaplains present at various times, 52,934 ministries were provided to patients, families, staff and groups.

A new department of our Pastoral Care program named the Center for Congregational Health was given birth. Its purpose is to (1) train Intentional Interim pastors; (2) train church leaders; (3) provide a minister's assessment program; (4) establish a Minister's Help Line providing an opportunity for church leaders to receive guidance via a telephone call. The Pastoral Counseling Division opened a new counseling center in Wilmington bringing our total counseling centers to 11 across the state. The centers provided 16,205 counseling sessions.

POINTS OF EXCELLENCE

(1) The Joint Commission on Accreditation of Healthcare Organizations ranks Baptist Hospital in the top 9% of all hospitals in the nation. (2) We performed our first pancreas transplant and first

double organ transplant (pancreas and kidney) this year. (3) We are one of only 26 comprehensive cancer care centers in the nation, treating more cancer patients than any hospital from Baltimore, Md. to Atlanta, Ga. (4) Quality infant through adolescence care in our Brenner Children's Hospital. (5) Our neonatal transport team is the largest in North Carolina and one of the 10 largest in the U.S. (6) Our Level I (highest awarded) Trauma Center has 2,100 admissions a year.

SUPERB FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of excellent stewardship. (1) The latest report of the North Carolina Database Commission comparing hospital major services charges vs. Baptist Hospital reveals, for our most frequent diagnoses: Duke - 36% higher; Carolina's Medical Center (Charlotte) - 36.5% higher; UNC-Chapel Hill - 28% higher; Average statewide - 9% higher. (2) We are one of only 17 similar hospitals nationally with a "AA" bond credit rating. (3) Averaging the last two years and the projection for 1993, the Consumer Price Index will average 3.9% and the Medical CPI will average 9.7%. Baptist Hospital charge increases for the same period will average 3.3%, well under both the above mentioned indexes.

EXPANSION FOR MEETING THE NEEDS OF THE FUTURE

Nursing Center at Oak Summit: Opening in July, this 170-bed facility provides skilled and intermediate care. The center will be one of only a few in the state to provide care for ventilator-dependent patients.

Emergency Department/Dietary: Under construction at the present time to be completed by June 1995, this facility will total 750,000 square feet. Our current ER was designed to handle 29,000 patients annually, but is handling more than 40,000. Our new ER capacity will be 70,000 annually. This building will also house three floors of patient private rooms, our Pharmacy Department, and a 35-bed Day Hospital, new kitchen and cafeteria.

J. Paul Sticht Center on Aging and Rehabilitation: Construction on this facility begins in November of 1993 and is scheduled for completion in January 1996. It will include geriatric care, research, and education; psychiatry; and also provide comprehensive acute rehabilitation services including nutrition assessment, physical, outpatient, speech, and recreational therapy.

BAPTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave $422,000 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible and we are grateful.

In conclusion, it is readily seen that this healing ministry we share together says to our patients and their families; "We care about your health-care needs, your spiritual and emotional needs, and your financial burdens, and we express our caring through service."

BAPTIST RETIREMENT HOMES REPORT

1993: THE BEST OF TIMES

Did you know that:

In 1993, North Carolina reached place number ten (10) among all the states in the United States in regard to the size of its adult population over the age of sixty-five (65).

That one-half of all the people who have ever lived to be sixty-five (65) are now living.

The fastest growing segment of North Carolina life is composed of those adults eighty-five (85) and older and that by the year 2000 that age category will double in size.

That by the year 1996 North Carolina's "Baby Boomers" will be turning fifty-five (55) every 18 seconds.

That by the year 2010 one out of every two people living in North Carolina will be fifty (50) years of age or older.

What do figures like those above mean for North Carolina Baptists?

They point to the fact that one of the greatest needs facing our Convention as we move into the year 2000 is the provision of quality, affordable long-term care services to functionally impaired Older Adults through the expansion of existing long-term care facilities, and through the development of creative approaches to long-term care such as rural home health services, community day care programs, and respite programs for homebound care providers.

In an attempt to meet the above mentioned need, Baptist Retirement Homes of North Carolina, Inc. in 1993:

Opened the Rickman Nursing Care Center in Asheville, North Carolina (a 100 bed Medicaid certified nursing care facility).

The Rickman Center is a state-of-the-art long-term care facility that has been developed to meet the needs of the poor elderly in Western North Carolina. (80% of the resident population will be recipients of benevolent funding).

Renovated the Albemarle Baptist Home in Stanly Baptist Association and renamed it the Taylor House. The Taylor House has no financial requirements for admission and is designed to provide care to the assisted living level of care resident, regardless of his/her ability to pay for the long-term care services provided.

Developed a new addition to the Brookridge Health Care Unit in Winston-Salem in order to provide an area for small group work with residents suffering from dementia. This state-of-the-art program will enable Baptist Retirement Homes' staff to improve the quality of life experienced by members of its resident community who are mentally impaired.

Baptist Retirement Homes is keenly aware of the fact that without the support of North Carolina Baptists none of the above would have been possible. As a result of the prayers and funding that the "Homes" receives through the Cooperative Program and the North Carolina Offering For Older Adults, it has been able to offer hope to many Older Adults whose future would have been uncertain without the caring involvement of North Carolina Baptists. It is because of you that our institution has been able to make life for many Older Adults in 1993...The Best of Times.

Thank you North Carolina Baptists for your support!

THE BIBLICAL RECORDER REPORT

The only thing that is unchangeable is change itself! For most of us it is impossible to comprehend the radical and often destructive changes which are taking place in our world. In politics, morals, economics and church life, our Baptist world is faced with decisions and issues without equal.

Whatever one's view may be, there is an indispensable need for correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. Never was the Recorder more needed than now.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where we often think we know the answers to the issues only to discover we do not.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes than ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church newsletter incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1994 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptist with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact:

BROTHERHOOD REPORT

I would like to thank Macon Baptist Association for allowing me to serve as Brotherhood Director for the past (2) years. I had high expectations for the Brotherhood Leadership and a desire to see all of

us grow closer to God. This dream has not materialized, but I still see great things that can be done.

This Association will have another Brotherhood Director and I pray that the churches and Pastors of this Association will give him their full support.

Brotherhood means missions and when Baptist Men and women, boys and girls meet together and fellowship one with another and plan things to do in their church and neighborhood to help others and do the things God has ordained us to do, then God will be pleased and God will bless each church for being obedient to Him.

Again I thank you for all you have done and especially our Director of Missions, Rev. Lester Evans, and secretary Ila Sue Cook for their support and guidance. May God continue to bless each one.

CHRISTIAN ACTION LEAGUE REPORT

Do you believe in miracles? They still occur, and we experienced one in the 1993 session of the N.C. General Assembly. No gambling legislation was enacted during that legislative session.

When the legislators came to Raleigh on January 27, 1993, veteran legislature observers admitted that this was the year for a state-operated lottery bill to get out of the General Assembly. Both Governor James B. Hunt and Lt. Governor Dennis Wicker, both former lottery opponents, had endorsed the proposed lottery legislation. Furthermore, there were 42 new House members, and a large majority of them had campaigned supporting the lottery. Out of the key elected state officials, gambling opponents had only one friend, House Speaker Dan Blue, and he made no apologies about his opposition to state-sponsored gambling.

What happened? Concerned Christians began to speak up and contacted their legislators. By the time, Senate Bill 11, The State Lottery Act, had passed the Senate by a vote of 27-23, House members who had campaigned supporting lottery legislation began contacting members of the House Committee on Constitutional Amendments and Referenda to keep the bill in committee.

In the meantime, some 20 workshops were conducted throughout the state educating and motivating the Christian community about this insidious evil under the sponsorship of the League, N.C. Baptist Men, Woman's Missionary Union, the Council on Christian Life and Public Affairs, and the N.C. Christian Coalition. Resource leaders included Dr. Norman Geisler, author, GAMBLING A BAD BET; Dr. Patrick Anderson, Professor of Criminology, Florida Southern College; Dr. Paul Jones, Executive Director, Mississippi Christian Action Commission; Bill Brooks, Executive Director, CITIZENS AGAINST THE LOTTERY; from the Baptist State Convention, Doug Cole, Executive Director, Christian Life Council; along with George Reed, Director of Christian Citizenship; and members of Gamblers Anonymous.

In the closing days of the legislative session, Rep. David Redwine, (D-Brunswick), who has introduced lottery legislation for the past 10 years, requested that the bill be held over until the 1994 session.

Of course, this will give the $300 billion gambling industry some 10 months to re-group their supporters. Also it will give concerned Christians the time to get their message to lawmakers that gambling is bad public policy, and such legislation ought to be defeated.

There is also a pari-mutuel gambling proposal (horse racing with off-track betting parlors) before the General Assembly. The Senate Bill has already passed a Senate committee and is currently in the Senate Finance Committee. The House Bill has also passed a House Committee and is currently in the House Appropriations Committee. Both bills are eligible for the 1994 session.

Someone has said: "The only lesson we learn from history is that we don't learn from history." North Carolina had an experience with pari-mutuel gambling with dog tracks in Currituck and Carteret Counties in the early 1950's. The N.C. Supreme Court closed them down as being a public nuisance.

Perhaps there is no industry that is "riddled" with corruption as much as the gambling industry. Last year we had legislators indicted in S.C. for accepting bribes from gambling lobbyists. Some 10 public officials have pled guilty to corruption charges in Kentucky over a gambling "scam," and 12 others are under investigation. In Arizona, legislators have gone to prison due to a gambling scandal. We have had governors from West Virginia and from Maryland to go to prison due to gambling scandals in their respective states. Wherever you have legalized

gambling, undoubtedly, you will find corruption in government.

This is why it is urgent for committed Christians to contact their legislators and urge them to oppose any gambling proposals.

DRUNK DRIVING: When you deal with politicians, tenacity is a key. For ten years, we have sought legislation that would establish .08 breathalyzer reading as the standard for drunk driving in North Carolina. In the past, we were able to get such legislation through the house, but the Senate was the graveyard. The measure would always be referred to a hostile Senate Committee composed largely of trial lawyers, and that would be "death" to such a proposal.

With a change in Senate leadership, the .08 breathalyzer legislation will become law on October 1, 1993, which will be a useful tool in helping to remove drunk drivers from the highways.

The League continues to assist local communities in combating our No. 1 drug problem, alcohol. Let us know if a liquor referendum is to be held in your area, and we will be ready to help.

Thank you for standing with us in the cause of Applied Christianity through your prayer and financial support.

Sincerely,
Joe S. Lennon, President
Coy C. Privette, Executive Director

CHRISTIAN LIFE COUNCIL REPORT

This year has been a year of challenge and a time of learning and organizing in an effort to offer effective, active leadership in the area of Christian Life.

The Christian Life Council deals with social and government issues as they relate to Christians. We hope to bring to the Macon Baptist Association an awareness of the needs and a desire to do our part, based on biblical principles.

Our council's primary work this year has been that of education. We have tried to inform associational leaders on some of the most important issues and actions needed through articles in the monthly newsletter.

The Christian Life Council sponsored a petition to the State Board of Education urging members to vote against mandatory contraception teaching in 7th and 8th grade. We encouraged churches to participate in "Turn Off Your TV Day" in an effort to change objectionable TV viewing. We urged pastors to guide their members to vote and check voting records of candidates before casting their vote. We have promoted contacting elected officials concerning issues such as gays in the military and the Freedom of Choice Act (abortion on demand) which are contrary to God's law. We worked with a community committee to organize events for the National Day of Prayer. We have ordered a literature rack to hold pamphlets addressing current issues facing Christians today.

We, as Christians and Baptists must become more involved in the social and political arena. Why should Christians be socially and politically involved?

1. A Christian view of love and compassion compels us
   Matt. 22:39 - We must love our neighbor as ourself.
   John 11:33-38 - Love involves a sense of outrage in the face of evil.
   Luke 10:25-37 - Love requires that we take action.

2. A Christian view of human beings assumes it
Matt. 25:31-46 - We must take seriously man's physical, emotional and social needs.

3. The effectiveness of evangelism depends on it
Gal. 5:6 and Titus 2:14 - Good works are a consequence of evangelism.
Eph. 2:10 and Matt. 5:16 - Good works are a bridge to evangelism.

4. A Christian view of government requires it
Mark 12:13-17 - We have a duty to government, including participation.
Romans 13:1-4 - Government is ordained of God to reward good and punish evil.
I Tim. 2:1-4 - Government maintains the social order so that the gospel may go forth.
Acts 5:29 - Our submission to government is limited; we must hold it accountable to a higher standard.

5. The Character of God and the Lordship of Christ requires it
Isaiah 58 - God is the God of the secular as well as the sacred - critical of superficial religion.
Dan. 4:32 - God is Lord over all nations.
Psalm 146:7-9 - God is concerned with justice as well as mercy.

From Focus on the Family
Community Impact Curriculum

We must fortify ourselves with prayer. We must be a holy people so that we can bring a holy influence in society.

We must have courage and hold to our moral convictions. We are commanded "to occupy until I come," (Luke 19:13).

We must unite ourselves in the struggle against the "power of this dark world and against the spiritual forces of evil," (Eph. 6:12).

The other side is certainly together in their stand against Christian values. Surely we, through the mighty power of our Lord and Savior, the all-powerful God, can do no less.

COOPERATIVE PROGRAM

In 1923 a new Committee on Future Program was appointed to plan the direction the SBC would take in securing financial resources to fund present and future mission enterprises. In 1924 an appeal was made to Southern Baptists to adopt a biblical and systematic method of stewardship. Then, in 1925, that committee moved the adoption of what was called the "Cooperative Program of the Southern Baptist Convention."

Since that time the Cooperative Program has proved to be the most effective plan for mission support the world has ever known. Today Cooperative Program dollars go toward the support of our Foreign Mission Board, Home Mission Board, six Southern Baptist seminaries and the various agencies that represent Baptist interests around the world.

I would like to encourage every church family in our Macon Baptist Association to consider your role in missions and faithfully support our Cooperative Program.

Respectfully submitted,
Rev. Ed Trull

DIRECTOR OF MISSIONS REPORT

God has been very active in our midst during this year. Our Association is fulfilling one dream through providing housing for one year for the family of Dr. Duane Kuykendall, furloughing missionaries from South Korea. This has been planned for at least five years.

We entered a partnership to support a summer missionary to do migrant ministry with Rabun County Baptist Association in north Georgia. Jaime Estrada came to us from Donner, Texas, for 10 weeks to minister to these farm workers. Over that period he located approximately 150 migrants of which some are permanent residents. Not only has this ministry touched the lives of the migrants but also has made a viable difference in Jaime's life.

Rev. Charles Carpenter continues to provide a tremendous ministry as chaplain at the LBJ Job Corp. God has rewarded his faithful labor with several professions of faith this year. Because of his diligent effort, more opportunity has opened on the campus for ministry.

Never before have I witnessed God unfolding an opportunity like the new work start in the South Clarks Chapel/Hickory Knoll area. God has miraculously provided the people and resources needed to successfully complete each step of the process. God has led us to people who are open and responsive to be impacted with the gospel. God provided a mission pastor in Rev. Lewis Smith and a lead sponsor in Cowee Baptist Church. We expect God to do great things in the lives of the people and families of the area.

The preceding examples are corporate cooperative efforts to do together what no one of us can accomplish alone. To me, this is what constitutes associational missions.

Our Mission Performance Program teams and councils are faithfully preparing and working extremely hard to provide our churches with skilled leadership. However, they could be much more effective if our pastors and churches would provide them with opportunities to exercise their skills. Our role is in assisting and equipping our churches to fulfill the Great Commission. Our purpose is not to compete but rather to enhance your ministry.

I am grateful for the many volunteers across our Association who have spent countless hours and unlimited effort working to cooperatively and corporately glorify our Lord and Savior Jesus Christ. The experience of working with each of you has enriched my life and ministry.

I am grateful for the incredible job done by our clerk, Jo Anne Elmore, who has served with a wonderful spirit of enthusiasm and our treasurer, Elizabeth Mason, who has faithfully served our Association for the past 20 years. I owe a great deal to our secretary, Ila Sue Cook, for the immeasurable effort she continually puts forth to serve our Association. I would not have survived the onslaught of paperwork, phone calls, and personal visits without her diligent and proficient work. I am also grateful for the leadership of our Association as they continue to move us toward the fulfillment of our purpose and strategy.

I believe God has greater blessings and opportunities before us than we've experienced so far. However, these will not come without challenges and, in some cases, opposition. Our commitment for the future may be costly. But if it's God's work, He'll provide the resources to meet the needs.

The last three and one-half years has seemed brief during which I have encountered some of the most challenging days of my Christian life. I am thankful and grateful for our pastors and churches. I pray that our relationship continues to grow stronger and trusting in the years ahead. My heart's desire is to honor and glorify God wherever He calls me to serve. I am honored to serve the people of Macon Baptist Association and I pledge to give you my very best.

Your Servant,
Lester Evans, Director of Missions

DISCIPLESHIP TRAINING REPORT

I believe many churches are doing discipling which is not being reported, so I am going to work on finding out which churches are not reporting their work properly.

Several children were in the Children's Bible Drill. All of them were first year participants and therefore were slower in finding the books of the Bible. Two were State winners, Brian Unger and Lauren Sanders. The Bible Drill is an interesting way to teach children about the Bible and how to use their Bibles more effectively.

Plans are being made to have a team attend the ADDT meeting to be held in Caraway this August. This year, we have a full team and I hope they can all go.

Respectively submitted,
Mrs. Mary Powell, Director

EVANGELISM COUNCIL REPORT

The Evangelism Council of Macon Baptist Association is made up of the following three people: Nancy Vanhook of Sugarfork Baptist Church, Mike Ramsey of Cowee Baptist Church, and Rev. Roy Lindsay of Aquone Baptist Church.

We as a council are working to keep evangelism before the pastors and laypeople of the Association.

We conducted a clinic on the evangelistic emphases of Vacation Bible School at the annual Vacation Bible School Clinic.

We have had training for the Evangelism Council October 16, 1992 with Victor G. Cole from State Evangelism Development. Victor led a "One Day Soul-Winning" workshop October 17, 1992. There were twelve (12) people in attendance with three (3) churches represented.

As a Council we have compiled a list of contacts in each church for Evangelism.

As Chairman I attended the Region 10 Evangelism Conference at Truett Camp September 28, 1992. I also attended the Key Leadership Conference at Ridgecrest May 10, 1993, which was training for the Evangelism Director.

We as a council are now involved in the process of the new work start up in South Macon in accordance with the Evangelism objective and goals of our associational strategy plan.

We have a total of 125 baptisms for the past year with 44 out of 45 churches reporting. This is a decrease over last year so far.

SHORTOFF BAPTIST CHURCH HISTORY

Our church was organized June 2, 1935 with 23 persons transferring membership from the Highlands First Baptist Church (Mother Church) and one by letter from another church. Rev. Tom Tilson was the first pastor. At one time we grew to more than 150 members.

Church services were held in the Old School House (or Emmons Industrial School) until our present church was built and dedicated August 8, 1943. The property was donated by Mr. J. R. and Octia H. Phillips.

Over the years we have completed several renovations to the building; including raising and underpinning the building; bricking the outside; and remodeling the sanctuary. In 1980, when this phase of work began we had $3,000.00 in our building fund; by 1984 we had spent over

$27,000.00 and had not borrowed any funds. The basement of the church was then renovated to accommodate a kitchen and fellowship area which was completed and dedicated August, 1987; and that also was debt free. The Lord has blessed our church in many ways, one of which was providing us with skilled craftsman who have been able to do most of the labor to complete the various projects undertaken by our church.

Our church has had 22 pastors and 12 deacons since it was organized. Of the pastors who have served, Shortoff was the first pastorate for 10 of them. Rev. Walter Wilson is currently serving as our pastor.

FAMILY MINISTRIES

SENIOR ADULTS

The MBA Senior Adult Ministry began in 1992 as a part of the Family Ministry. Several churches already have a senior adult program and report excellent response.

Cowee church purchased a 32 passenger bus in February which they use for trips such as to the Asheville Mall, Farmers Market and other nearby areas of interest. They hold regular luncheon meetings and enjoy various programs, such as exercise, video, and featured speakers. Among their favorite is a Valentine banquet where they crown a king and queen.

Iotla church holds evening meetings once a month with a covered dish meal. Their programs include guest speakers, game nights, and slide film presentations. One very interesting program was an "Antique Night," where tables were decorated with old fashioned items which were brought to try to "Stump the Panel." They also take occasional trips. In September they plan to hold a progressive supper.

Franklin First meets once a month for a covered dish luncheon where they have a featured speaker. Twice a year they have a special evening meeting with a catered meal. They plan one trip a month to areas of interest, usually within a two hour driving distance. Their senior adult choir meets every week and sings for occasional worship services, nursing homes, other churches and community events.

Other churches in our association also have senior adult programs that are meeting the needs of senior adults. If your church has such a program I would like to hear from you. If you do not and would be interested in starting one, or if you would like to participate in events in already-established programs, please contact me. In the near future we would like to hold an area-wide meeting for all senior adults.

Bill Mills
MBA Senior Adult Director, (369-9559)

FOREIGN MISSIONS REPORT

Our Bridge to the World: Yesterday, Today and Tomorrow

Southern Baptist share a rich heritage of missions that has endured for a century and a half. Today our Southern Baptist Missionaries join a long list of servants -- like Lottie Moon, William Bagby and Bill Wallace, just to mention a few, in sharing the mystery found in Col. 1:27 - "Christ in you, the hope of glory."

These missionaries are laying foundations to build a bridge to cross to reach a needy world.

<u>Yesterday:</u>
Dr. Keith Parks retired as President of the Foreign Mission Board,

but God had his successor ready to fill the vacancy. Jerry Rankin was elected to fill that vacancy.

Today:

God has provided Southern Baptist a proven way to reach the world for Christ. Is He calling you (me) to take a specific position to extend this "Mission Bridge?" His plans are marvelous. We need to seek God's place for us -- on the bridge.

Let's continue to look at Bridge Building. Building does not end in 1992. Until the Lord comes, the Foreign Mission Board will be about the business of delivering the salvation message to people groups around the world. "ALL ARE PRECIOUS IN HIS SIGHT."

Tomorrow:

We have seen that God is doing His part. Missionaries are building and crossing the bridge. In 1992 they went in all directions to spread the good news of Jesus Christ. Their travels took them into the heart of the world's problems -- hunger, war, ethnic strife, ignorance and hopelessness. When we look at the world, we see a vast distance. In 1992, Southern Baptist joined believers in 129 countries to share the message of Christ's forgiveness.

As an individual you may be asking yourself, "What can I do tomorrow?" In 1992, the Foreign Mission Offering reached its highest total ever, $81.4 million for world evangelism and ministry.

As an individual plus millions of other individuals praying for Foreign Missions and supporting Foreign Missions with our Lottie Moon Christmas Offering and giving our dollars through the Cooperative Program, we are BUILDING BRIDGES to the world. What a PRIVILEGE to be a part of God's Kingdom work!

FRUITLAND BAPTIST BIBLE INSTITUTE REPORT

The purpose of Fruitland Baptist Bible Institute is to equip men and women who have been called into ministry. Fruitland continues to do so under the direction of our Lord Jesus Christ.

Fruitland is now in the process of growth. Not only in numbers of students, but in the campus size also. Property has been purchased by the Baptist State Convention of North Carolina for additional family housing. Currently, seven new mobile homes are being set up to accommodate the growing need of family quarters. May God continue to help the school grow.

Fruitland is now offering a 2 year degree program. Most colleges are now accepting anywhere from 48 to 65 transfer hours from Fruitland. This is great news for anyone who wants to continue their education after Fruitland.

A sad bit of news comes our way from Fruitland. Dr. John Rymer will be retiring as Dean of Academic Affairs at the school. He will still continue to teach on a part-time basis. Dr. Rymer has diligently served at Fruitland for over 40 years. All who have ever set under his teaching know that the school will greatly miss his knowledge and love for the students. May God richly bless Dr. Rymer in the future.

Since I am currently a student at Fruitland, a lot of questions have been posed to me about possible problems with some policy changes that are taking place at the school. Let me reassure everyone that

Fruitland is still holding true to its purpose and mission and that a committee has been formed by the Board of Directors to look into the possible problems. They have asked that no one call the school until their final report is made. This would be greatly appreciated.

If you know of anyone that may be a prospective student, the number to call is 704/685-8886 or you are welcome to visit the school at anytime.

Respectfully submitted,
Brian Holland

HOME MISSIONS REPORT

Home Mission Board President Larry Lewis said it best "It has been said many times that missions is the glue that holds Southern Baptist together. While there always have been, and always will be, differences among Baptists, missions is something we all can agree on and be involved in." The work of 4,868 home missionaries, who saw over 7,000 souls lead to the Lord last year, is possible because of your prayers and gifts.

Natural disasters such as hurricane Andrew last year brought out the best in relief efforts from Baptists just like you. Even the national media took notice and was impressed with the coordination and commitment of Southern Baptist. Many ongoing work projects coordinated through Home Missionaries are still meeting the needs of rebuilding homes and churches.

The Annie Armstrong Easter Offering which makes up 46% of funding for Homes Missions projects set a record this year. The excitement of our leaders and workers drown out the weakening voice of those detractors who claim we are a dying convention. In fact we are alive and well, thanks be to the Grace of God.

Rev. Steve Reeves

LBJ JOB CORP CHAPLAINCY REPORT

January 1 - June 30, 1993

The first half of this year has been very good. Three professions of faith in the Lord Jesus so far this year. We praise the Lord for these.

We are now having Bible Study on Sunday evening. The response has been very good.

New Corps members are coming in each week. We give each member a Bible if they want one. Some weeks we give as many as fifteen Bibles to one group. Our only stipulation is they read them. We encourage every one to attend the church of their choice every Sunday. Our buses will carry them and pick them up.

Thank you for your prayers and support for this ministry.

LBJ Chaplain,
Rev. Charles Carpenter

MISSIONS DEVELOPMENT COUNCIL REPORT

A number of missions have been implemented in the past year and are doing very well. We would like to see a greater number started in the future with more churches involved. Early in the year we will have a time when we would like as many churches as we can get to come out and play a game with us to make us more mission minded and aware of mission participation; even small churches can become involved and reach more people in our neighborhoods.

The Association will report on one mission start in the South Macon County area that will lead to a church start in the very near future.

Our leisure and campground ministries are doing very well this year. Nell and Hart Watson have more youth groups coming this year to carry on this work. The "Sonrise Team," consisting of two college students, provided a campground ministry at Standing Indian Campground throughout this summer.

We also have Tom and Shirley Jones from Campers on Mission who will be doing Campground Ministries in the Franklin area.

There is a young college student missionary who we are sharing with Rabun County Baptist Association to do migrant work. His name is Jaime Estrada, and his reports are very favorable. Jaime located approximately 150 migrants this summer of which some are permanent residents. He provided English classes and Bible studies as well as recreational opportunities. We look forward to a similar sharing next year.

Lets all try to be mission minded as we go about our daily routines

and reach out to all people we come in contact with and share with them the Lord's great works.

Donald Graham

PASTORAL MINISTRIES REPORT

These past few months have been a time of transition for Pastoral Ministries in our Association. As most of you know, Rev. Herb Gibson, the former Pastoral Ministries Director, had to resign because of health reasons and has moved away from this area. When I came on board as Pastoral Ministries Director, the plans for this year's work were still

not finalized which left me trying to tie the loose ends together! However, we will be having a major event in the fall for pastors and deacons. As soon as I can confirm a date for this event, I will pass this along to the pastors and deacons of our association.

Respectfully submitted,
Keith Clark, Pastoral Ministries Director

SEMINARY EXTENSION REPORT

Seminary Extension has been active during the 1992-93 year here in Macon Baptist Association. We offered four (4) courses during the year on the diploma level. Also we now have about seven (7) students that are working toward a diploma which they can receive from one of our Southern Baptist Seminaries. We hope others will take advantage of this great opportunity that is being offered here in Macon Baptist Association.

The library which has been started for use by the center students has also grown and we are continuing to add books to the library each semester. We were able to help the students who took advantage of the courses offered this year with scholarships in addition to the funds provided by the Baptist State Convention of North Carolina. We would like to thank the one who gave the gift to make the additional scholarships available.

As I have accepted a pastorate in Haywood Baptist Association I will miss working with you here. I will especially miss working with Seminary Extension. I do pray that those students who have begun work toward a diploma will be able to complete their program and get to graduate at one of our Baptist Seminaries. I ask that you support the one you choose to take my place and I know they will do a much better job than I was able to do. Thank you for allowing me to serve you in this way and may God bless you all.

Respectfully submitted,
Rev. Davis Hooper

STATE MISSIONS REPORT

North Carolina Baptists have never faced a greater challenge for missions than is before us today. Over 2,000,000 people in North Carolina are unchurched. More than 50,000,000 people visit our resort areas every year. The number of people with special needs, such as visually and hearing impaired and mentally handicapped, continues to grow. Our prisons are bulging with over 20,000 inmates. The multi-ethnic population of the state is growing faster than any other segment of our population. Already over 100,000 Hispanics have settled in our state. The Asian segment of our population will grow by over forty percent by the year 2000. Many of the multi-ethnics calling North Carolina home are without Christ as Lord and Savior.

Assisting churches and associations of the Baptist State Convention in reaching people for Christ and ministering to them is the task of the Mission Division. The Division organizes its work through its departments to meet the mission needs of the state.

Over 100 Southern Baptist Chaplains in the state are supported through the chaplaincy work of the division. New language missions are started in our language department and existing ones are continuously supported. We now have 97 language-mission churches in the state.

People with hearing impairments are assisted through our deaf ministries. Our special ministries work also touches the lives of visually impaired and mentally handicapped people. Seminary Extension courses are offered through over 100 training centers in the state. Bivocational ministers receive special assistance for their work. Eighty-four new mission-type churches were started in Anglo communities last year. Existing churches that are plateaued receive special assistance for assessing current needs. Multi-housing communities are touched through consultants who work across the state. The work of Baptist Associations is strengthened through the association development programs of the Division. Through training Mission Development Councils, Baptists all over the state are discovered in that every Christian can be a missionary. Families in military communities experience the love of Christ through our military ministries.

"The fields are white unto harvest". . . and the Mission Division of the Baptist State Convention seeks to point to the fields and lead Baptists in reaping the harvest. Your continued support through the Cooperative Program and the State Mission Offering is essential to achieving the vision Christ set before us.

Respectfully submitted,
Mr. J. C. Jacobs

STRATEGY COMMITTEE REPORT

The Associational Strategy Planning Committee (ASP) was formed two years ago to lead our Association in adopting a Mission (Purpose) Statement, along with Objectives and Goals. From the resultant studies the committee identified four areas of concern - **CHURCH DEVELOPMENT, ASSOCIATIONAL DEVELOPMENT, MISSION MINISTRIES AND EVANGELISM.** Objectives were developed to respond to these areas of concern. Goals were established to guide us in reaching those objectives. The Association Council then developed action plans to guide us toward reaching these goals in the next five (5) years.

The assigned task of the (ASP) Committee for this year has been to evaluate our progress toward these goals. As is normal, we have made great strides in some areas, normal strides in some, and, in some areas we will need to shore up. However, the overall picture is great.

In Area I: CHURCH DEVELOPMENT, our ASSISTeam and other Mission Performance Program teams have provided training opportunities for church leaders. Church participation should have been better for these training opportunities, but the Association did it's job well.

In Area II: ASSOCIATIONAL DEVELOPMENT, we have a goal to involve 100% of the churches in Associational leadership by 1996. We believe great strides have been taken in this direction by moving Executive Committee meetings and training sessions around to local churches.

In Areas III & IV, MISSION MINISTRIES & EVANGELISM, we believe great strides have been taken. A very significant action was our Director of Missions leading the Executive Committee to apply to the Baptist State Convention for financial assistance in a "New Work Start". This assistance has already been approved.

Also, we have obtained Missionary Housing for Missionaries Duane and Debbie Kuykendall, who will be in our area this year.

As an Association moving toward our goals, we are doing quite well. We would encourage our local churches to "tie in" to the Association's programs designed to help us all.

Respectfully Submitted,
ASP Committee
Harold Savell, Chairman

SUNDAY SCHOOL ASSISTeam REPORT

I am pleased to report to you that Sunday School is ALIVE! and well in Macon Baptist Association. It is exciting to be a part of the ASSISTeam these days.

The role of our ASSISTeam is to offer help to Sunday School Directors and teachers in two areas: (1) administration of a growing Sunday School program, (2) training workers to effectively communicate God's Word. Our job is not to do anything for you but rather to help you accomplish the kingdom purpose God has called you to do. The programs and ideas that our ASSISTeam have to offer are only tools that help get the job done. The will and the work needed to have an exciting Sunday School program must come from the heart and spirit of the Sunday School Directors and workers.

We, the ASSISTeam, look forward to serving you this coming year.

Respectfully submitted,
Ed Trull

TRUETT CAMP REPORT

We are trying to minister to all ages in our region and beyond in a spiritual sense as well as physical with the facilities that are available for use at the camp.

We had two weeks of girls camp this year. One hundred and thirty girls attended camp with eight professions of faith and several decisions and commitments were made. Wendy Hampton was the director and leader of this camp with assistance of Sherry Brown. They both did a very good job.

Ninety eight attended Music Week this year; it is the largest attendance we have ever had since its beginning. J. Gilbert did a good job keeping all the boys busy and teaching them the right things to do.

The new barrack building is under construction and hopefully can be used for next year camp.

We are continuing to do work on the landscaping to try to make the camp a beautiful place. Again we ask for your prayers and support for the camp. Without the help of the Region 10 people, we could not

operate, so encourage your church to put us in your church budget to see a mission effort take place.

Send us your children and use the new conference center for your church retreats.

A worshipful atmosphere and Bible study is still first and a major part of the camp program.

Thanks for letting me serve as your Camp Director.

In Christ Work,
Richard Roberson, Camp Director
Rev. Roy Lowe and Troy Ledford

VACATION BIBLE SCHOOL REPORT

We are letting our light shine through Vacation Bible School 1993. From our early reports we are having an increase in attendance and a number of decisions for Christ.

What a terrific VBS Team we had this year! Thank you to: Dale West, Roy Lindsay, Tony Ledford, Jeannine Justus, Patty Waters, Susan Jones, Dawn Ledford, Pam McConnell, Terry Henson, and John Sim. We were scheduled to go to our training session during the Blizzard. Even though we did not have the privilege of training, through hard work our 1993 Associational Vacation Bible School Clinic was a success. The 1993 Clinic was held April 26, at Franklin First. There was 92 attending the Clinic representing 20 churches. We opened our doors to Tuckaseigee Association and 19 was present from their Association.

Thank you for all of your support through Vacation Bible School and remember to follow-up on ALL prospects. Vacation Bible School is the start of your future Church.

Respectfully submitted,
Diane Keener, MBA VBS Director

WOMAN'S MISSIONARY UNION REPORT

When Woman's Missionary Union auxiliary to the Southern Baptist Convention was organized May 14, 1888, hearts were touched for the lost of the world. Women committed to the Mission cause felt the call of God to give of themselves through prayer and financial support that the good news of Jesus might go around the world. While some were called to go, others were called to support. But all are called to witness. Today 1.2 million women, girls and preschoolers are involved in missions through the local church.

For over 100 years many lives have been touched by Jesus and many Home and Foreign Missionaries have been raised up because of WMU and what it stands for. WMU exists to enable churches and believers to participate in introducing all persons in the world to Christ. WMU allows women and girls to receive and accept their call to service as they become personally involved in doing missions. Personal involvement makes us aware of the world locally and globally as we minister to others in Christ's name. We learn missions through WMU published material. WMU publishes material in English and nine other languages. These magazines and products provide WMU's financial base. As an auxiliary to the Southern Baptist Convention, WMU does not receive any Cooperative Program Funds.

During the 1992-93 year there was no Baptist Women Director. June Trull and Sherri Houston served as Co-Directors for Baptist

Young Women. They sent numerous letters, made many phone contacts with existing BYW as well as contacting Pastors and WMU Directors in churches with no BYW.

Dale West, Associational Acteens Director requests your prayers for Acteen Leaders. They have a challenge in trying to interest girls of this age as they compete with all other activities they are involved in.

Congratulations to Rebecca Frady and Jennifer Holland from Longview Baptist Church who achieved Queen Level on Studiact Step.

This year was a year of growth for G.A.'s of Macon Association. Kathy Parker, Associational G.A. Director worked diligently with several churches to organize Girls In Action. The leaders of two of those churches, Pine Grove and Sugarfork received Church Study Course credit for GA Manual Study. Kathy also worked with Aquone Baptist Church. These three new organizations increased the Association and State membership by approximately twenty-five (25) members in WMU. Please pray for these new organizations.

All WMU Age-Level Directors attended State level training for associational officers, then conducted training for directors of the local church WMU on September 14, 1992.

Mission Action was moving through Macon Association WMU this year even though we did not have a Mission Action Director. Food was collected for summer missionaries (S.W.A.R.M.). WMU ladies also responded to the request for refreshments for pastor's conference.

A Baby Shower and maternity clothes were collected for REACH. REACH is a non-profit organization that reaches out to help physically and mentally abused women, men and children in our area. A total of $450.00 was sent to Women's Correctional Institute in Raleigh for inmate Christmas boxes. A Love Offering of $126.00 was dedicated during the 1992 WMU Annual Meeting to be sent to Ruschlikon Seminary in Switzerland. Also an offering of $1,224.00 was given through local church WMU's designated for Macon Baptist Association's Migrant Ministry going on in the Scaly Mountain area.

We the Women of Macon Baptist Association covet to partner with Christians around the world to multiply each others efforts to lead a lost world to Christ as we support Southern Baptist Missions through Prayer, the Cooperative Program, the Lottie Moon Christmas Offering for Foreign Missions and the Annie Armstrong Easter Offering for Home Missions.

The Leaders of WMU of Macon Baptist Association are committed to encourage and nurture the churches of our association who have WMU organizations and pledge to encourage all churches in Macon Association to organize Woman's Missionary Union.

TO GOD BE THE GLORY!

YOUTH MINISTRY REPORT

Associational youth leaders met each month through December of 1992 for fellowship and to plan the New Year's Eve Party on December 31, 1992. It was held at the Community Facilities Building with approximately 80 youth attending. Kevin Davis led worship at midnight after an evening of games and fun. Pam McConnell and Bruce Harwood worked to prepare refreshments and the WMU's from several churches donated food.

Nell Watson, Resort Missionary, held a Campground Ministry Training Seminar on April 19, 1993 at Franklin First Baptist. No youth or

leaders attended.

62 youth and adults attended Caswell youth camp June 28-July 3, 1993. Youth were involved from the following Macon Baptist Association Churches: Cowee, Franklin First, Longview, Ridgecrest, Pine Grove, Coweeta and West Franklin. 2 youth made professions of faith and a number rededicated their lives. Adult Chaperones were Janet Long, Kevin and Sandra Davis, Pam McConnell, Bruce Harwood, Mike Arnold, Shannon Farmer, Sandy Stancil, Renee McCall and Tripp Mullen.

Respectfully submitted,
Janet Long, Associational Youth Director

IN MEMORIAM

Dr. Harold Oetjen Horne
1913-1994

A Man Who Loved and Served The Lord

Dr. Horne was born December 31, 1913 to Mr. and Mrs. Richard Horne of Augusta, Georgia. He was the fourth of five children. God called him to preach at the age of 20. He preached the word for over 59 years. He was married to Thelma Horne. He came to Macon County in 1977. He was a member of Longview Baptist Church. He served as pastor of Cartoogechaye and Higdonville Baptist Churches, Interim pastor at Sugarfork, Holly Springs and Wells Grove Baptist Churches.

He held numbers of Revivals, and did supply work in the Macon County area. He was always willing to do what he could to carry on the Lord's work. He was a spiritual inspiration to many people. He gave his time, talent and gifts lovingly and joyfully for the Lord. He will be remembered for "living what he preached."

DEDICATION

Rev. Arnold Shower

W. Arnold Shower was born on a farm near Summerfield, Kansas September 24, 1917. At the age of twenty-two, he married Marjorie Ford of Sand Springs, Oklahoma. They have two sons, one daughter, ten grandchildren and six great-grandchildren.

Rev. Shower began his ministry in 1946 and was ordained on September 26, 1948 at the Limestone Baptist Church in Sand Springs, Oklahoma. He pastored three churches in Oklahoma while attending the University of Tulsa. Graduate work was done at the New Orleans Baptist Theological Seminary.

God used Marjorie's health to necessitate the family move to the West Coast of Florida. During the next twenty-two years Arnold pastored three churches. He also served as Moderator of two Baptist Associations, served six years on the Board of Trustees at the Florida Baptist Theological College, and was named Florida Rural Pastor of the Year by Stetson University.

The Shower's purchased their Bailey Hills property in 1970, but had to wait until 1985 to move permanently to Franklin, after they each had retired.

Rev. Shower set retirement aside to accept the pastorate of Wells Grove Baptist Church in 1985. He pastored just over two years, and then returned later to serve as interim. He has served as President of the Macon County Pastor's Conference.

Arnold and Marjorie have been members of Iotla Baptist Church since 1983, with the exception of the time served at Wells Grove Baptist Church.

DEDICATION

Cliff and Doshia Cook

When folks speak of Cliff and Doshia Cook, the conversation is filled with love, admiration, and respect both in Graham and Macon Counties. Cliff, born February 11, 1914 in Andrews, NC, and Doshia, born August 16, 1917, were united in marriage in Graham County October 7, 1934. This was the beginning of a life of dedication to God and family.

Facing the many adversities that all married couples are confronted with, Cliff and Doshia raised a family of one girl and five boys. Although there was not always a lot of money, there was certainly more than enough love to go around. Growing up in this family, we can remember having family alter and prayer. This taught us love for God and instilled, in each member of the family, love and respect for each other. All these memories have a special place in our hearts, but the best thing was having a mom and dad we could look up to, who lived the Christian life they were teaching their family about. We were a family that worked together, played together, and sometimes cried together, but the best part was we prayed together. Together, mom and dad built a strong foundation for love of God and family.

Most people would say that with this large family, Cliff and Doshia had all the work they needed. Because of their love for God and family they didn't just sit on their hands, they took the family to church. Having been saved and baptized at an early age, Cliff age 15 and Doshia age 13, the cornerstone was laid for a life of work in the church. When it came to serving the church, mom and dad never said, "I'll do this but I can't do that" and never did they make excuses. They gave of themselves by serving in any capacity they were called upon to perform. Cliff worked for the glory of God as a Deacon at the age of 17 at New Hope Baptist Church in Graham County. This was just the beginning for a man who had dedicated his life to Christ.

Mom and dad moved to Franklin from Graham County in 1944 because of Cliff's employment with Zickgraf Sawmill. Shortly thereafter, they joined Wells Grove Baptist Church and are presently active members at this time. Cliff has served as a Deacon, Sunday School Superintendent and teacher, and is currently Chairman of Deacons. Mom and dad's interest in the church community is second to none. Whether it is visiting the sick or shut-in or leading a person to Christ, mom and dad were always ready to face the challenge. When we think about their dedication and life long work in the church, we could write a book about the many things they have done. But, mom and dad would be the first to say, "I didn't do it for my glory, but for the glory of God."

Faced with the job of raising six children and being a wife, mom not only supported her husband in his church activities but set out to live her dedication to God and the church. Mom served as a teacher for Sunday School classes, Vacation Bible School Director, and currently sings in the church choir. She is also active in the WMU. Both Cliff and Doshia are active members of the Gideons.

People say life is what you make it, but sometimes they don't know God. Cliff and Doshia Cook are living testimonies of what a life can be when it includes God. We, the children of Cliff and Doshia Cook, are proud of them. We thank God for having parents who not only love us but care enough to be a road map for a happy life. "We love you Mom and Dad!"

MASHBURN BRANCH BAPTIST CHURCH HISTORY

The site that the Mashburn Branch Church is now on was once the community school house which also doubled as the church on Sundays. When the building was no longer being used as a school (shortly before 1952), the building and property went up for public bid. The people in the community wanted the site for a church, so with the people's faith and God's help the property was bid on and purchased for $60.00.

Shortly after this it was decided that the community needed a church built on the site. (At this point the old school house was still being used.) Two of the founders of the church, Grover Sorrells and John Gibson drew up the plans for the building. From that point on, with much prayer and help from God and his people, Mashburn Branch Baptist Church was built, and dedicated to God on the 24th day of August, 1952. It was built with much love for God's people, and for those who need to know Him.

If you do not have a church or would just like to visit us, you will be made welcome with that same love.

PLEASANT HILL BAPTIST CHURCH HISTORY

The Pleasant Hill Baptist Church had its beginning in 1886 in the Old Log School House, right below the present site. R.D. Wright was the minister at the first meeting. The community did not use North Skeenah School (the Old Log School House) very long. The next year in 1887, Rev. R.D. Wright organized plans and the church was started on a plot of land given by Aunt Mahala Sanders. Her untiring devotion in the beginning of this Church has earned for her the respected title as "The Mother of Pleasant Hill Baptist Church."

The carpentry was done by Joe Jones and Henderson Sanders. J.C. Sanders and James Ledford hauled all of the lumber to build the Church (with wagons and steers). Other men of the community helped in the building of the Church. The pews, ceiling and weather boarding was planed by hand.

The church was dedicated to "The Glory of God" in 1888. The first regular minister was Rev. Yarborough; J.A.T. Sanders was the first church clerk. Jeff Griggs was the first Superintendent of Sunday School.

Here are some of the familiar names of the families that have been faithful members of Pleasant Hill Baptist Church: Sanders, Stockton, Ledford, Griggs, Henson, Hastings, Dehart, Mason, Farmer, Carpenter, Shope, Dills, Stamey, and many more.

Fred and George Kimsey built the Belfry on the old Church in 1928. This Church was used for 65 years. In 1952, the Old Church was torn down and the Present Church was built on the same site. G.R. Stockton did most of the block laying. Frank Mason did the electric wiring. The rest of the community helped with their time, money, hard work, and many prayers.

The new church was dedicated to "The Glory of God" in 1955. W.L. Ledford's family donated the materials and paid for the erecting of the belfry on the new church in 1957 in memory of W.L. Ledford.

The pulpit furniture was given by the Zeblon Shope family in memory of their parents and sister in 1964.

As the church grew in members it became necessary to have water in the church. The well was drilled in 1966. Rebecca Mason and Amy Carpenter installed the water cooler in memory of their father, Rev. Lester Ledford. Two restrooms were built in 1966.

In 1968, it became necessary to have two new Sunday School rooms. Roy Moffitt and Frank Mason was appointed by the church and with the help of a few members they had the rooms completed in 6 weeks.

The Howard Ledford family donated the organ in memory of their parents in 1975.

A small plot of land was purchased from J.C. Sanders in 1929 for a cemetery by Rev. Lester Ledford, Vester Stockton and Elizah Dehart. Flora Sanders donated a plot of land behind the church for a cemetery in 1957.

Charlie Ledford and Dillard Sanders purchased a small portion of the parking lot from Hester Carpenter in 1969.

The church purchased 4 1/2 acres of property along Pleasant Hill Road in 1993 and in 1994 purchased 2 acres of property joining

the church property connecting with the 4 1/2 acres.

In 1980 the Fellowship Hall was built under the supervision of William Letson.

The Homecoming Day was organized in 1938 by Weaver Shope, Rev. Lester Ledford, Dan Mason, Verlon Stockton, and Mae Ledford.

The following are the men that have served as pastors of the Church since the church's dedication: Rev. Yarborough, Rev. John Brendle, Rev. Owens, Rev. Will Bradley, Rev. J.R. Pendergrass, Rev. Billy Potts, Rev. Billy Stallcup, Rev. Bartlett, Rev. Jud Smith, Rev. Tom Vinson, Rev. J.I. Vinson, Rev. Lester Sorrells, Rev. Mount Ledford, Rev. W.L. Griggs, Rev. John Kinsland, Rev. Lee Crawford, Rev. Lester Williams, Rev. George Cloer, Rev. Lester Ledford, Rev. Bill Shope, Rev. Claude Ledford, Rev. Ottis Gregg, Rev. Wallace Tallent, Rev. Alton Dendy, Rev. Ricky Harrell, Rev. Billy Rogers, Rev. Doyce Waters, Rev. Ernie Sanders.

Rev. Lester Ledford, Rev. Jim Vinson, Rev. Claude Ledford has been the only 3 men to be re-called to serve another term as pastors.

WATAUGA BAPTIST CHURCH HISTORY

On March 7, 1886, three men, S.H. Harrington, J.R. Ammons, and J.G. Ammons met at the Watauga School for the purpose of organizing a church. Twenty-one other interested people also attended the meeting. On May 22, 1886, the decision was made to build the church on J.D. Franks' property. Rev. J.G. Ammons was the first pastor of the church. The present church building is located only a short distance from the original church off Highway 441 North on Watauga Church Road in the Watauga section of Macon County.

Two other churches in Macon County were organized from members of Watauga Church - Holly Springs Baptist Church and Ridgecrest Baptist Church. Records of the church indicate that, over the years, several men were called into the ministry and were ordained at the church.

Several additions and improvements have been made on the church during its existence and, at the present time, it has a sanctuary with a seating capacity of 250 with a two-story classroom section and a separate fellowship hall.

On June 9, 1986, the Watauga Baptist Church celebrated its 100th birthday. During the 100 years, thirty-two ministers have served the church as pastors with the present pastor being Rev. Wesley Price.

At the present time, the membership enrollment of Watauga Church is approximately 360 members. The Sunday School enrollment is 115; the Discipleship Training enrollment is 54, with twelve active deacons.

At Watauga we consider ourselves a singing happy church where everyone is welcome.

REPORTS

BAPTIST CHILDREN'S HOMES REPORT

Greetings from the girls and staff at Moody Home! We are very thankful and appreciative of your prayers, love, and financial support given us through the years. There are five full time and one part-time staff at Moody Home. We have nine girls in the Moody Home. In this last year, churches in Macon Association and surrounding area have provided us with financial support that has allowed us to significantly up-grade our computer system. Monies have also been received for the purchase of an electronic piano keyboard. We are currently learning how to use the keyboard so the girls can sing at home. These expressions of your love and support are greatly appreciated.

However, the greatest thing that has happened is the positive Christ-like changes in the lives of the girls and staff at Moody Home! Seven of the nine girls have made public professions of faith in Jesus Christ as Lord and Savior. They have been baptized and joined a local church. God honors HIS words and our prayers. The girls voluntarily share and lead in daily devotions. YOU can be proud of how God is honoring your prayers, love and support.

Most BCH residents come from dysfunctional families where a single parent, most often a mother, is unable to care for her children. Her frustration with life, often due to alcohol or drug abuse, or having been abused herself, leads to limitless freedom for the children, which lead to troubling behavior. Physical abuse, divorce, alcohol, drugs and truancy mark their young lives. Behavioral problems make it impossible for the child to continue to live at home.

Baptist Children's Homes provides a safe environment where children learn to identify their problems and learn biblical ways to resolve those problems and conflicts. At the same time, willing family members are addressing their problems with the help of BCH support staff. In some cases, children and families are restored and reunited.

BCH enjoyed a year of tremendous successes, in human terms and in institutional terms, which will allow us to continue to affect change in lives. Success in the "Give a child a chance!" Campaign has helped provide a margin of excellence in the future. Already, the enthusiasm engendered by the effort have lifted the spirits of staff across the state.

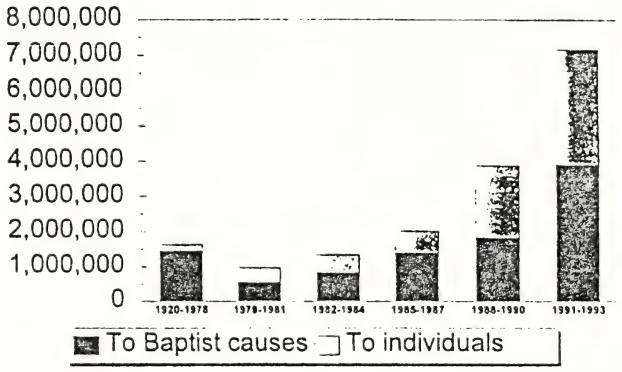
An increasingly important aspect of our support comes from estate gifts and bequests. More and more people who want their resources to provide new life for children include BCH in their wills. THANK YOU for helping us to be able to continue to tell and show others that North Carolina Baptist care about children and families.

Respectfully submitted,
Jim Byrd, Moody Home Staff

BAPTIST FOUNDATION REPORT

Income Distributions

1920-1993



With the 75th anniversary of the chartering of the N.C. Baptist Foundation approaching, it is exciting to reflect on the fulfillment of dreams of the founding fathers. The prayerful deliberation that led to the vote in the 1919 Baptist State Convention meeting for the beginning of "a trust agency" envisioned a viable entity which would promote and manage funds given by individuals for perpetual support of several struggling institutions and the mission programs at the heart of this missionary minded denomination.

As of December 31, 1993, the Foundation held $45,878,748 under management. In 1993, $1,243,217 was distributed to Baptist work and $1,196,748 was distributed to individuals for a total income distribution of $2,439,965.

The income distributions for the entire 74 year history of the N.C. Baptist Foundation totals: $7,009,154 income paid to individuals and $10,011,893 to Baptist churches, institutions and mission causes for a grand historical total of $17,021,047.

In 1993, the staff of the Foundation consisted of seven full time employees and two persons who provided part-time service in accounting and legal services. In May of 1994, Rev. Coy H. Jeans, Jr. was employed by the Foundation Board as Western Area Manager of Trust and Endowment Development. Rev. Jeans will serve individuals in western North Carolina through estate stewardship planning to better provide for families and Christian endeavors. He will also work very closely with Associations and churches in the area. We encourage western North Carolina Baptists to contact Rev. Jeans at his office in Marion at 704-652-9548. The Foundation's main office is located at 201 Convention Drive, Cary, NC 27511, telephone 919-380-7334.

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs reports, not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

PROVIDERS AND RECIPIENTS OF HEALING

Our Hospital healing team now consists of 5,777 employees. The Medical Center (North Carolina Baptist Hospital and Bowman Gray School of Medicine) personnel total employment is fast approaching 9,000 people making us the second largest employer in Forsyth County. In our 806-bed facility, we had 23,545 inpatient admissions during our fiscal year 1993-94. Our Outpatient Department, physicians' clinics, and other related departments received 523,672 patient visits.

DEPARTMENT OF PASTORAL CARE

Our chaplaincy division joins with our health-care professionals to provide spiritual and emotional healing. With 15 to 35 chaplains present at various times, 58,747 ministries were provided to patients, families, staff and groups. Mission dollars from the Cooperative Program enabled this ministry to be carried out.

The Center for Congregational Health, in its second year of ministry as a part of our Department of Pastoral Care, continues to expand and strengthen. To date thru 1993, 40 ministers have completed intentional interim training and 29 are in training. The number of churches calling intentional interim pastors continues to increase. The training of consultants for conflicted churches and leadership training for young ministers were both begun.

The Pastoral Counseling Division now operates 12 counseling centers across the state. These centers provided 26,716 hours, a five percent increase over the previous year.

In December 1994, Dr. Dewey Hobbs will retire as Director of the Department of Pastoral Care. His eleven years of leadership and ministry have brought quality and expansion in every facet of the department.

BAPTIST BENEVOLENT CARE FUND

Last year Baptists across our state gave $425,734 to our annual Mother's Day Offering. All of these monies went toward relieving the financial burden of scores of former patients who have little or no health-care insurance and no financial means to pay their hospital bills. The churches and individuals help make this ministry possible and we are grateful.

EXCELLENT FINANCIAL STEWARDSHIP

In the midst of escalating health-care costs, we have a proven record of superb stewardship.

(1) The latest report of the North Carolina Database Commission comparing the average of other state academic medical center charges vs. Baptist Hospital for our most frequent diagnoses reveals our charges are 21% lower.

(2) We are one of only 17 hospitals nationally with a "AA" bond credit rating.

(3) Averaging the last two years and the projection for 1994, the Consumer Price Index will average 2.8% and the Medical CPI for hospitals will average 8.9%. Baptist Hospital rate increases for the same period will average 1.8%, under both the above-mentioned indexes.

MEETING THE CHALLENGES OF THE FUTURE

The health care environment is and will continue to be changing. Baptist Hospital is proactively facing these changes on a daily basis. Below are listed several visions which have recently been or will soon be realized.

Nursing Center at Oak Summit

Opened in July 1993 this 170-bed facility offers four levels of care. It is also one of only a few nursing centers in North Carolina that provides care for ventilator-dependent patients.

Emergency Department/Dietary Building

Progressing toward a late 1995 opening, this facility will expand our ED capacity to 70,000 visits annually. It will also house three floors of patient private rooms, our Pharmacy Department, a new kitchen and 900-seat cafeteria, and a 35-bed Day Hospital.

J. Paul Sticht Center on Aging and Rehabilitation

This building will usher in a new era in rehabilitation at our Medical Center. Housing a total of 128 beds, it will contain a geriatric day hospital which will aid the transition from hospital to home, inpatient rehabilitation nursing units, a psychiatric floor, geriatric research and education. Completion is targeted for 1996.

At Home Health Care

Our Home Health Solutions provides our local region with parenteral nutrition and intravenous antibiotic therapy, chemotherapy and pain management. Home Health Specialists provides nursing care, personal care and physical and occupational therapy.

Center for Research on Human Nutrition and Chronic Disease Prevention

Our continued partnership with Bowman Gray School of Medicine enables our Medical Center to provide the highest quality of research, education, and patient care. Quoting Dean Richard Janeway, "We are trying to prevent the major killers such as cancer, strokes, and heart attacks. With this facility we'll be able to transfer the information straight to the patient's bedside."

COMMUNITY HOSPITAL ASSISTANCE

Developing relationships with community hospitals such as Stokes Reynolds in Danbury and Hoots Hospital in Yadkinville enables us to assist them in lowering costs as well as providing quality hospital and outpatient care. We anticipate expanding this endeavor to include other smaller, outlying hospitals. We also have significant affiliate relationships with hospitals in Wilkesboro, Lexington, and Mt. Airy and are in the process of developing other affiliate relationships.

QUALCHOICE OF NORTH CAROLINA

Joining with BGSM and Wake Forest University, Baptist Hospital has developed a managed care plan. Our design is one which offers affordable quality health care while providing the insured freedom of choice. This plan will be opened for public enrollment beginning January 1, 1995.

A CLOSING WORD

We continue to esteem our heritage, celebrate our current capabilities, and strive to position ourselves for the future. Your partnership, prayers, and utilization of our services inspires our dedication to our mission. We are grateful to God and to the North Carolina Baptist family.

BAPTIST RETIREMENT HOMES REPORT

Making Life for Older Adults...The Best of Times

As a result of the wonderful support given by North Carolina Baptists, 1994 will be remembered as one of the finest years in the 43 year history of Baptist Retirement Homes. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired W. Paul Riggs to serve as Chaplain to the residents of the Prince Nursing Care Center in Winston-Salem and the Rickman Nursing Care Center in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step-up" for Older Adults, the renovation of the Taylor House in Albemarle was completed and renovation of the Hamilton Baptist Home in Martin County was begun. When the renovation of the Hamilton Baptist Home is completed in mid-1995, all of the facilities operated by the Baptist Retirement Homes will be "State-of-the Art."

In recognition of the changing profile of institutionalized Older Adults (47% of the "oldest old" in North Carolina suffer from some form of dementia), a special small group approach to the care for institutionalized Older Adults suffering from dementia was instituted at the Prince Nursing Care Center in Winston-Salem. Through the implementation of this program, Baptist Retirement Homes once again demonstrated its commitment to the principle that everyone has the right to age with dignity and to enjoy a certain quality of life throughout the aging process.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem...a unit where frail Older Adults can receive such treatments as IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults, Baptist Retirement Homes expanded its nursing services in 1994 to include an additional 100 Older Adults (80% of that group being classified as the poor elderly...men and women who lack sufficient financial resources to pay for the institutional services they receive).

Thank you North Carolina Baptists for helping us make life for Older Adults...**The Best of Times!**

Mrs. Janet Tipton

THE BIBLICAL RECORDER REPORT

The rapid changes taking place in our world have produced distorted values, violence, threats and uncertainty and the surrender of much that is good and wholesome while creating false heros who fail. Baptist must rise up to face these decisions and issues before our window of opportunity is lost forever. We must not squander our heritage from yesterday and our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. Never was the Recorder more needed than now, with charges and countercharges flying, with people trying to use and manipulate others.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The most important thing facing us at this point is to get the Recorder into more Baptist homes then ever before. Your support as a subscriber and reader and your encouragement to others will enable the paper to better serve the constituency with accurate and helpful information delivered to Baptist homes and churches. We need your help!

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Anticipated increases in mailing costs makes CNS a greater value in 1995 than even when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has become even more important to us than ever before.

That is why the Recorder was born; that is why it serves

today. For more information on how your church can subscribe or use CNS, contact:
The Biblical Recorder, 232 West Millbrook Road, Raleigh, NC 27609 (919) 847-2127.

Mrs. Jean Farmer

BROTHERHOOD REPORT

The Brotherhoods of the churches within the Macon Association have been busy this year. While many projects and mission involvements go unreported there are some that we can officially report.

The year started with some return trips to the Hurricane Sections of Florida for some follow up work. Soon afterwards, Baptist Men were called to action in the Flood Areas of the Midwest. Different groups of men from area churches united with men from our Region 10 and went to the flood areas to give a helping hand.

Not all mission work revolves around a natural disaster. In the spring of this year, the Macon Baptist Association served as host for the North Carolina Baptist Men's Medical Unit. The medical unit was set up in Franklin for four days and during those days, dental work and medical screening were performed on a large number of visitors to the van. Local Brotherhood from the area churches acted as host while local WMUs provided medical care packs for the children. If you missed the medical unit in 1994, we are planning a return visit for 1995. So Watch Out!

Another big Brotherhood Mission involved area Brotherhood and Baptist Men in the construction of the new South Macon Mission Church being built in Clarks Chapel. Brotherhood Men have been involved since the first shovel of dirt was turned. It if were not for the many hours of volunteer work by the Baptist men, women, and youth, GOD'S HOUSE WOULD STILL MERELY BE A DREAM!

Respectfully submitted,
Mr. Richard Lightner

CHRISTIAN ACTION LEAGUE REPORT

Can God's people make a difference concerning the moral climate of our state? There is no doubt about it! The $300 billion gambling industry has targeted our state for legalized gambling. Why North Carolina? The fact is that N.C. is the largest state in the nation where the gambling industry has not been able to get their foot in the door. Furthermore, NC is the only state in the traditional Bible-belt where the gambling industry has not been able to make any inroads. In order to get their legislation enacted, they hired 14 of the most influential and effective lobbyists that money can buy to sell "their

bill of goods" to the members of the N.C. General Assembly.

Is there any way to defeat such money and power? Yes! Through the prayers and influence of God's people! It happened in 1994!

The legislature has adjourned - the members have gone home - the gambling lobbyists have packed their bags and left town.

How was it done? Baptists and other Christians fulfilled their Biblical responsibilities by influencing their legislators through their prayers, letters, phone calls, and personal contacts.

The Christian Action League along with the Christian Life Council of the Baptist State Convention; N.C. Baptist Men; and Woman's Missionary Union, has conducted 36 workshops, THE CHRISTIAN LOOKS AT GAMBLING, to educate and motivate our people into action against this insidious evil. You responded, and now, we can claim the victory.

Furthermore, when communities like Asheboro, Albemarle, Concord, Kannapolis, Thomasville, and Manteo, including Hyde and Harnett Counties, faced battles with the powerful $140 billion dollar liquor industry during the year, we were delighted to provide campaign strategy, research documents, and publicity materials. The liquor forces did not win any of these referendums.

We thank God for your support of our Ministry of Applied Christianity, and we stand ready to assist God's people in being the "salt" and "light" that He would have us be.

CHRISTIAN LIFE COUNCIL REPORT

The apostle Paul instructs us that as Christians we have the responsibility to be good citizens of the state "for conscience sake" because God has ordained government to punish and restrict evil-doers and to reward and protect moral behavior (Rom. 13:1-7). Christians are to support the civil government unless the authorities require a believer to support or to do evil in direct contradiction to their ultimate allegiance to their Heavenly Father.

The Bible says (John 19:14; I Cor. 5:9-10) that Christians are to be in the world but not of the world. The Bible also says (Matt. 5:13-16) society is to be transformed by the Christian's witness, influence, and presence.

In His Sermon on the Mount, Jesus gave the New Testament church part of its marching orders. He said (Matt. 5:13-16) that we are to be salt and light in a decadent world, preserving and illuminating.

These passages clearly indicate we Southern Baptists should not be monastics who live apart from the world in a monastery set high on a hill. The responsibilities of citizen Christians include not just obedience to the state but involvement in society.

The Christian Life Council seeks to provide information from a Christian perspective, which will enable citizens to respond to government and become involved. We have contributed a column in the monthly newsletter and have provided information at some Executive Meetings to give pastors and leaders information on problems, along with who to write or call in response. Letters and phone calls do make a difference.

In September, we provided a Training Session on Christian Life, with John Hilkert as the leader. He challenged all present in the area of Christian involvement. We must all be careful of being fooled by the "separation of church and state." Although that exists, it is for the protection of churches against a "state religion," not as a prohibition for becoming involved.

The Council has promoted town-wide events such as the Life Chain and the National Day of Prayer. We participated in the fight against the establishment of an ABC store in Franklin.

The Christian Life Council acted with the Associational Youth Leader in planning the True Love Waits rally, held in May. True Love Waits is a national campaign sponsored by the Southern Baptist Convention to encourage teens to abstain from sex until marriage. This is one of the most pressing issues facing our youth today.

The Bible has much to say about government. God not only ordained it, He called it His servant for good in spite of all its failings. Christ asks us to render to Caesar what is his due, and yet today's churches devote little time instructing members in their responsibilities or educating them on what is happening in government.

We encourage you to accept the Biblical mandate and INVOLVE your church.

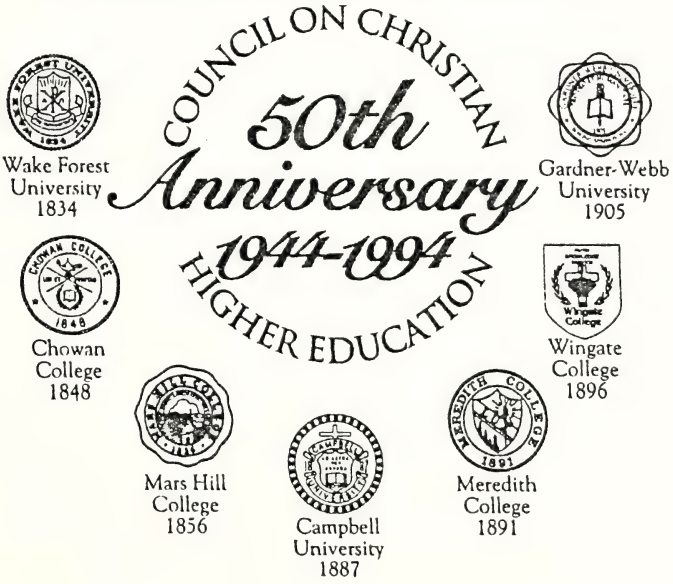
Mrs. Sharon Drake

CHRISTIAN HIGHER EDUCATION REPORT



One year and 338 days after Pearl Harbor, the Council on Christian Higher Education was created: November 17, 1943. The first Council meeting occurred January 17, 1944, four months and 20 days before D-Day.

Reports to the Baptist State Convention in those years contained many references to World War II and its effects upon churches, communities, the colleges and Baptist work in general. It was a time of weakness and confusion. War was raging in Europe and the Pacific, and the outcome was still in doubt.

In such a time there were visionary Baptists who by faith could see beyond the clouds of war to the needs of peacetime. A Convention committee of 64 members labored almost two years before recommending that the Council be established. Chowan College was closed in 1944, Gardner-Webb College was not yet funded by the Convention, and Wingate College received only $5,000. The clear aim was to strengthen the colleges, increase their moral and financial support among Baptists, place Christian Higher Education high on the Baptist agenda, and to organize such efforts on a continuing basis.

In 1994, the Council on Christian Higher Education's 50th year of operation, let us give thanks for those pioneer Baptists whose foresight, insight and good works caused North Carolina Baptists to become leaders in the field of Christian Higher Education.

COMMUNITY MISSIONARY BAPTIST CHURCH HISTORY

In the summer of 1987, members of what was Sloan's Chapel voted to join the Macon Baptist Association under watchcare for a year. The name Community Missionary Baptist was chosen and Mark Bishop was voted in as pastor. Homecoming was chosen to be the third Sunday in September.

On August 18, 1988, Community Baptist was accepted into full fellowship of Macon Baptist Association at the 85th Annual Session. At this time, there were only 17 members.

In the fall of 1988, the stage was extended and the walls were paneled. More work was done on the church in the fall of 1989 with the installation of new carpet, a new pulpit, communion table, and pews were also purchased. Next it was voted on to remodel the restrooms and extend the sanctuary and porch. Most of the work was done by the members. This was completed debt free in the fall of 1991. The air condition was installed the same year. Currently the outside walls of the church are being plastered. Plans for remodeling the downstairs of the church are in the future with the Lord's help.

Presently, Community Missionary Baptist has 65 members with Mark Bishop the pastor. The deacons consist of Eddie Long, Zeb Guffie, Bruce Ammons, L.C. Browning and Boyce Cunningham.

COOPERATIVE PROGRAM AND STEWARDSHIP REPORT

The Annual Associational Stewardship Conference was held on April 14, 1994 at the Western Sizzlin Steakhouse. The conference was directed by Ken Batts, Director of Planned Giving. The purpose of this conference was to assist pastors, church staff, and/or laypeople in financial management and planned giving.

At the conference, we were reminded that the Cooperative Program as we know it today, was set up as an expression of our desire to meet the

needs of every human and as a symbol of our unity as Southern Baptist. We learned that in North Carolina, approximately 2/3 of every Cooperative Program dollar stays in N.C. to support our Christian colleges, social services and various agencies of the General Board.

In conclusion, if a church so desires, a leader from the Stewardship Department will come and have a training session with the church concerning financial management.

DIRECTOR OF MISSIONS REPORT

God has been good to us this year. Statistics from the Annual Church Profile show an overall increase in growth over last year with the exception of a couple of areas. Discipleship Training and Cooperative Program giving were down from last year's figures. I pray for growth in these areas as well throughout the next year. We continue to move toward fulfilling our strategy plan.

Our Associational Council continues to wrestle with a variety of ideas and ways to provide more effective assistance to our churches. Our association is blessed with well-trained volunteers who serve in leading positions. Our desire is for these leaders and teams to be used more often in the development of church programs within the churches. They have worked long and hard to prepare their skills for the opportunity to serve. Please take advantage of the tremendous gifts and services made available to your church through these leaders and teams. Only by cooperating together can we reach our greatest potential and fulfill the Great Commission in Macon County and the world.

The South Macon Baptist Mission continues to flourish. God continues to perform one miracle after another in the establishment and growth of this new body of Christ. Soon, this mission will constitute as a church and meet in their new building.

We completed the contract in providing missionary housing for the Kuykendall family while they were on furlough from South Korea. Dr. Duane Kuykendall and family did not return to South Korea. Rather, Duane was called as Pastor to a church near Hickory, North Carolina. This was an exciting venture for our association.

There are still many ministry opportunities awaiting our witness within our association. The migrants continue to increase in number each year as well as their need for a witness. Maybe your church might

adopt this ministry as your own. Resort ministry continues to be a need in our areas as tens of thousands of people pass through Macon County each year in the campgrounds, flea markets, town festivals, county fair, white water rafting, mining, etc. Our youth ministry is expanding and is looking for ways to become more involved in mission action. This year, for the first time, we networked with several community organizations and agencies to bring the Medical/Dental Van to Franklin. More than 120 under-privileged people were served by a dentist, ophthalmologist, and many other medical personnel. More and more volunteers are becoming involved with Disaster Relief/Recovery. These are just a few of many ministry opportunities in our association left untouched because of a lack of volunteers or churches committing to care for them. Our Vision is the only limiting factor in reaching God's potential. Pray with me that God will raise our awareness and burden for these ministry needs.

We have several challenges facing us over the next two years. "Here's Hope, Share Jesus Now" revivals will be emphasized in 1995. Plans are already in process for the 1996 World Mission Conference in which 28 churches have committed to participate. Much work is involved in each of these projects so let's give our best to see that the efforts are successful.

Another very exciting feature has come into being for our region. The establishment of the Appalachian Center, an off campus center of New Orleans Baptist Theological Seminary. The Seminary, in cooperation with the Baptist Associations of Western North Carolina, North Georgia, and East Tennessee, is offering classes in Murphy, North Carolina at Little Brasstown Baptist Church, that will lead to a fully accredited Associate in Christian Studies degree. This is a tremendous opportunity for ministers and laypersons alike to receive quality theological training.

I want to express my deepest appreciation to Macon Baptist Association for allowing me to participate in the Doctor of Ministry Program at New Orleans Baptist Theological Seminary. Please remember that some seminar dates will conflict with associational meeting dates. Therefore, I may not be at every associational meeting. However, I will prepare written reports when I must miss. Thank you for allowing me the flexibility in my working schedule. I need your prayerful support and participation over the next couple of years in order to meet the requirements of this demanding program. This process will definitely be a growing experience for both of us.

Please pray for one another. Pray for your pastor and his family. Our pastors carry a tremendous responsibility. They are human. They hurt, too! I pray for a broader and more binding fellowship among our pastors. My deepest desire is to be their friend and colleague. Our leadership sets the example for churches to follow.

I want to say "THANK YOU" to the many associational volunteers that have given their all to serve our association and churches, to the leadership within our association for their encouragement and support, and to Ila Sue Cook for the many hard hours of secretarial duties she performs relentlessly and devotedly. Each person and contribution is what makes our association strong. Someone once said, "The difference between a good athlete and a great athlete is about a 6 to 8 inch drop from head to heart." These folks have put their heart into the ministry of our association. THANK YOU!

I renew my commitment to give my best effort to God and Macon Baptist

Association as Director of Missions. Serving God in this association is a great honor and privilege. We have a long way to go and grow together in fulfilling the Great Commission. "Together," to me, is the key to understanding the meaning of the word "association." I'm excited about our future!

Your Servant,
Lester Evans, DOM

DISCIPLESHIP TRAINING REPORT

I was delighted to see that our enrollment in Discipleship Training had increased; that may simply mean that more churches are learning to report their training, but any way, it shows us that the training is being done.

Also, we had another church participate in the Children's Bible Drill. Our Association had seven children advance to the state drills and five were state winners. Next year we expect to have at least three churches involved.

Many things are being changed in Discipleship Training. If you need help, don't hesitate to call me.

Respectfully submitted,
Mary Powell, Associational Director

EVANGELISM COUNCIL REPORT

Our attention in evangelism is focused upon the "Here's Hope. Share Jesus Now." crusade scheduled for 1995. All of our plans have been and will continue to be directed toward having as successful a crusade in Macon County as possible.

To this date we have conducted a "Here's Hope. Share Jesus Now." enlistment luncheon for Pastors and key lay persons. There were twenty-two churches represented at this meeting.

We also have encouraged all churches to enlist Local Church Steering Committees and provided training for these Committees.

Our plans for the future include two very important Association-wide events. One will be an Associational Prayer Retreat that will be held later this year. The time will be announced well in advance. The other event will be a One-Day Soul-Winning Conference conducted on Saturday, January 7, 1995. This is in preparation for Soul-Winning Commitment Day in local churches on January 8.

Our goal is to have as many people as possible to make the commitment to share Jesus with at least one person for 60 days, from January 9 through March 9. We trust this will prepare our local churches for great Harvest Revivals from March 12 through September 30, or when the local church plans it's revival.

May God richly bless each of you in your labors to "Share Jesus Now"!

(3) Voted to install window air condition unit in association office.

(4) Voted to hold off on carpet installation until building was waterproofed (due to drainage leak).

(5) Voted to grant approval to our Director of Missions, Rev. Lester Evans, to pursue Doctor of Ministry Degree at New Orleans Baptist Theological Seminary (with the understanding his hours might be flexible).

(6) Voted to approve completion of the application for Pastoral Assistance funds from BSC for Westside Baptist Church (formerly Highlands Baptist).

(7) Voted to increase the hours of the Association Secretary from 20 hours weekly to 30 hours, effective January 1, 1995.

(8) Received, for information, the 1995 Proposed Budget.

(9) Received, for information, the Nominating Committee Report for 1994-95.

(10) Received, for information, the Program for the Ninety-First Annual Session of the Association (August 18-19).

The statistics for the meetings this year (averages are shown in ( ) following totals): Total attendance for year - 115 (38); with 40 (13) pastors, 38 (13) executive members, 19 (6) associational officers, and 20 (7) visitors; representing an average of 22 churches.

As you can see from the above report, there were several items of business voted on or received during the year. We encourage all Executive Members who have been elected to represent their church to attend the meetings during the coming year and to keep your church informed as to the activities and events in the Association. We request your prayers as we each seek to serve as the Lord would have us to, and as we try to make the decisions for our Association now and for years to come.

FAMILY MINISTRIES

Families today are facing tremendous pressures that threaten to rip them apart. This is not only true for those who claim no religious faith, but even church goers are no longer immune to these forces.

Daily, our homes are bombarded with anti-family propaganda through the media: images of adultery on television, promotion of homosexuality through the movies, acceptance of illegitimacy and fornication as routine in magazine articles.

We might point to alcoholism, abuse, addiction, abortion, incest, pornography, sodomy, ad nauseam as the termites eating away at the foundation of family life. But it is not enough to identify the problems; they must be addressed.

Can those in broken homes look to the church to heal them? If we do not have the answers, who does? With this in mind, as the Family Ministry Director, I would be glad to connect you with the resources you need to have an effective family ministry in your church. Furthermore, I have conducted a Family Life Conference in my church, and would be available to do one for you. We hope this year to put on an associational conference that will serve as a model for the local church. Please let me know if we can help you.

Respectfully submitted,
Rev. Dennis Thurman

FOREIGN MISSIONS REPORT

HOW CAN WE HELP?

Macon County has been fortunate in having a good number of missionaries that have served in Foreign fields to be living here in Macon County.

Rev. and Mrs. Kuykendall family served four years in South Korea and they have been here on furlough. One thing that Rev. Kuykendall spoke about was how expensive it is to live in South Korea.. The main thing that impressed me about their ministry in Korea, and with other foreign missionaries, is how do you get the people to understand what we are telling them. Our accents may be different to theirs, but one man heard a song in his native tongue and understood and accepted Christ and became a worker among his own people. Thank God.

Rev. Kuykendall and his family are now serving God at Mount Zion Baptist Church in the Caldwell Association. They wish for our continued prayers.

Rev. and Mrs. Earnest Glass served God in Singapore, China. Rev. Glass held an administrative position and also did administrative work in Indonesia. God used these two lovely people for His glory in this area of the Pacific Coast. Rev. Glass, for a time was interim pastor of First Baptist Church, Franklin, NC.

Dr. Gene and Priscilla Tunnell served in Vietnam. They had not planned on being missionaries, but when we place ourselves in the hands of God, the Holy Spirit will direct us and shape our lives a piece at a time, like a jig-saw puzzle. Dr. Tunnell majored in Social Service and both majored in music and thought they would be serving here in the U.S. in the Baptist churches, but God had other plans and they went to Saigon, Vietnam. The communist were in Vietnam and the Vietnamese in Danang needed help. Dr. Tunnell was caring help in the form of money that had been raised for them. While in Danang, the communist took over and Dr. Tunnell, along with thousands of Vietnamese, was captured and placed in the hole of a ship with very little food and water. Dr. Tunnell ministered to the needs of the Vietnamese and his wife, Priscilla, did not know where her husband was for a while but there was someone who let her know. She went about doing the job there in Saigon and after he was released and the communist moved in on Saigon, they took their son and went into Indo China as long as they could and finally moved here to Franklin. Dr. Tunnell works with "Care-Net" and Priscilla is the Music Director for all the choirs at the First Baptist Church.

George and Christine Horne were volunteer missionaries. Christine was a Home Missionary for five years in New York. George Horne took his retirement early so they could become volunteer missionaries. They served a total of five years in the hospitals of North Yemen, South Korea and Israel. They were not allowed to preach in the hospitals but I am sure that God used the love and care that they showed the patients to cause some to come to Him. Christine Horne is our Associational W.M.U. Director and she is a wonderful person and so is her husband.

In 1993 God used Southern Baptist in foreign missions as never before: 498 missionaries were appointed bringing the total to

3,954; there were more than 260,000 baptisms, 7.29 percent increase in churches where missionaries work to 176; church growth overseas in 1993, 35,188.

In the Americas there are 1,258 missionaries in 36 countries, 8,732 churches and 92,388 baptisms last year. How can we help? Pray and give.

FRUITLAND BAPTIST BIBLE INSTITUTE REPORT

Fruitland remains faithful to the task of providing its students with a quality Biblical education so they may be effective ministers of the gospel of Jesus Christ.

God has blessed this institution and has used it to touch many lives for the Lord Jesus. Enrollment is up to approximately 200 students which includes 40 night students and several International students. Additional housing has been added to the campus in order to accommodate this increase. Seven new mobile homes for married couples have been set up on beautiful landscaped lots. A Music Theory Course has been added to the other courses of study which include: Christian Education, Church Administration, Clinical Pastoral Education, Christian Counseling, Church History, Discipleship, Evangelism, English, Grammar, English Composition, Ethics, Hermeneutics, Homiletics, Literature, Missions, Music, New Testament, Old Testament, Pastors Multiple Ministry, Psychology, Reading, Research, Supervised Ministry, Theology and Youth Education.

Students can earn 55 hours of college credit that is easily transferred to area Southern Baptist Colleges and Universities. This is important because between one third and one half of Fruitland graduates further their education.

Fruitland has called Randy Kilby as its new president. Randy graduated from Gardner Webb University. He served previously as vice-president for enrollment at Georgetown College. Pray for him as he seeks to lead this institution for God's glory.

Fruitland is supported by Cooperative Program gifts of over $400,000.00. This money provides more than one half of its budget. Because of this support, Fruitland will be able to continue to offer an unique education for those who are called by God into the gospel ministry. Thanks to you Southern Baptist of Macon County for your part in providing for this vital ministry.

Bo James

HOME MISSIONS REPORT

The Home Mission Board was founded in 1845. It is about

witness and ministry that is local, personal, and effective.

According to Home Mission Board President, Larry Lewis, "Each year, many small and large churches give sacrificially to the Annie Armstrong Easter Offering. This allows the Home Mission Board, along with 41 state conventions, to plan and carry out national strategies for church starting and growth, ministry and evangelism. Together, these churches expend their ministries across county and state lines - even across oceans - to 102 ethnic groups using 98 languages and dialects.

100 percent of the Annie Armstrong Easter Offering goes to field work. This offering provided 47 percent of the budget for home missions, funding the work of 4,882 missionaries in 50 states and all territories of the United States."

One allocation of the 1993 Annie Armstrong Easter Offering is the Bold Mission Challenge, or the "15,000 Campaign." This allocation will help fund 1,500 new congregations started in 1992 toward a goal of 15,000 new church starts by the end of A.D. 2000. In 1992 and 1993, all receipts above $41,000,000 (offering goal) went toward funding the "15,000 Campaign."

The Home Mission Board has many ministry programs requiring financial support. However, without people being personally involved, these ministries will go undone. May we take seriously the words of the prophet Isaiah "I heard the voice of the Lord, saying, whom shall I send, and who will go for us? Then said I, Here am I; send me" (Isaiah 6:8).

MISSIONS DEVELOPMENT COUNCIL REPORT

South Macon Mission is doing very well under Lewis Smith and supporting church, Cowee. I understand it will be ready for dedication in the month of August.

We are looking for a new Chaplain for LBJ Job Corps to replace Brother Carpenter who resigned recently.

Our co-sponsorship with Rabun Association in Georgia for our migrant mission worked very well for 93 so we are going to follow the same pattern for 94. I understand that some of the workers at Scaly have asked to attend church. Lester Evans is trying to arrange transportation to church for them.

PASTORAL MINISTRIES REPORT

A "Church Conflict Management And Resolution" Seminar was held on November 1, 1993 at Franklin First Baptist Church in Franklin. All pastors and deacons were invited. The seminar was led by Cline Borders, a retired Director of Missions, who works with the Baptist State Convention Division of Church Programs/Sunday School on a part time basis. He is an expert in the area of church conflict management, and teaches seminars at

the request of churches and associations around the state. There were approximately 30 persons present at the seminar with 11 churches represented.

There was a seminar on "The Continuing Importance of Church/Minister Relations" held at the Western Sizzlin Steak House. The seminar was led by Jim Lambert who works for the Baptist State Convention in the area of Minister Support. It was a dinner meeting with the State Convention paying for the meals. Those invited included all pastors and spouses as well as other ministers and spouses from all the churches in the association. If a church only had one minister, two other key leaders and their spouses were invited. About 60 persons were in attendance. The seminar was held on February 21, 1994.

Respectfully submitted,
Rev. E. Keith Clark, Pastoral Ministries Director

SEMINARY EXTENSION REPORT

Seminary Extension has been active during the 1993-94 year here in Macon Baptist Association. We offered five (5) courses during the year on the diploma level. The number of students varies each semester as some courses appeals to one (1) person this time and another the next.

Seminary Extension is a course of study that is open to one (1) and all. If a person wishes to study and not receive credit he or she may do this. We that are involved in Seminary Extension invite all (man, woman, boy, girl) to take part in this God given opportunity. To study together and further the cause of Jesus Christ. 2nd Timothy 2:15 says..."Study to shew thyself approved unto God, a workman that needeth not to be ashamed, rightly dividing the word of truth." The price of these courses vary each semester. There are some scholarships available in addition to the funds provided by the Baptist State Convention of North Carolina.

Seminary Extension now has some people who have completed the required number of hours to receive their Certificate in Christian Studies.

The library that was started continually grows as each course is completed. This is a great benefit to the people that make up Macon Baptist Association and those who might make Seminary Extension a part of their life. As an individual I feel extremely blessed with this opportunity to study and fellowship with others.

Respectfully submitted,
Rev. Roy Lindsay

STATE MISSIONS REPORT

Through the Missions Division of the North Carolina Baptist State Convention Baptists are touching many lives. Your State Missions Program is busy starting new churches, ministering to people with special needs, seminary extension, multi-housing ministries, Baptist associations, ministries and church growth, to name some of the work.

Last year over 76,000 people were impacted with the Gospel through

mission programs. Church and Community Ministries reported over 800 professions of faith. Over 450 Seminary Extension courses were taught. Ninety-seven church-type missions were started, which was 12% of all new starts reported in the Southern Baptist Convention. We now have 92 language mission churches in North Carolina and hope to start 10 to 18 new ones in the new year. It is estimated that over 90 percent of all people living in multi-family housing communities in North Carolina are not attending church.

In 1992, North Carolina Baptists gave $1,439,872 to the State Missions Offering. Special mission projects in the state are not funded through the Cooperative Program.

As North Carolina Baptists strive toward reaching the goals of "Mission/Vision '95", the Missions Division seeks to continue to show the way.

Respectfully submitted,
Mr. J.C. Jacobs

SUNDAY SCHOOL ASSISTeam REPORT

I want to bring you greetings from your ASSISTeam of the Macon Baptist Association.

It goes without saying that Sunday School is the heartbeat of a growing church. Any church that has a healthy Sunday School will have a healthy congregation. Sunday School REALLY IS the Sunday morning place to be.

The role of our ASSISTeam is to provide consultation to any of the churches in our association in the areas of Sunday School leadership and teacher training. We will try our best to be available at all times to help you to become the church God has called you to be through your Sunday School.

As you are well aware, the Sunday School Board of the Southern Baptist Convention has been going through some major changes in recent months. To observe these changes you just need to pick up a copy of HOME LIFE or MATURE LIVING magazines. However, these improvements are more than cosmetic. Great efforts are being made to make our materials as relevant and up to date as possible.

Starting in the Fall of 1994 there will be changes in the LIFE and WORKS series of curriculum. Then in 1995 there will be changes in all curriculums. In 1995 there will also be a change in the way we order our materials.

All of this is being done so that we can be provided with the very best in Sunday School materials so that we can teach the unsearchable riches of God's Word. If there is any way we can be of service to you please let us know.

Respectfully submitted,
Rev. Eddie Trull, ASSISTeam Director

TRUETT CAMP REPORT

We had two weeks of girls' camp this year with 18 saved and several rededications being made. Laura Moore was camp director and did a marvelous job.

J. Gilbert directed Music Week again this year and did a very good job with large attendance. Several decisions were made. Everyone seemed to have an enjoyable time.

Boys' Camp will be directed by Aud Brown and registrations have been coming in good for the two weeks of camp.

We have completed the new barracks which can be used all year now as they are air conditioned and also have electric heat. Thanks for all the prayers and support for this new facility. We also have the new gym completed and the campers are enjoying using it. We have a $47,000.00 debt at this time for the cost of construction of the gym and the new barracks.

We are truly grateful for the churches in Region 10 for your prayers and support for all the mission work that is being done at Truett Camp. We still encourage you to put the camp in your Church Budget or help us in any way that your Church sees fit.

Bible study and teaching of GOD IS still first and foremost in the camps that are held here.

We are trying to serve all ages in our region and beyond in GOD'S Work.

Continue to encourage your children to come to camp and get your church to consider having a retreat here.

Visit your camp to see all the nice things that have been done.

Respectfully submitted,
Richard Roberson, Camp Director

VACATION BIBLE SCHOOL REPORT

We have experienced much growth and learned more about our Lord and Savior as we explore the "Trail," discovering wonderful "Treasures" in God's Word. We continue to have an increase in attendance and in the number of decisions to follow Christ.

On March 7 at the Associational office, 19 attended the "Early Bird Clinic." Thanks to those who came out to get an early start!

A very special "thank you" goes to a very dedicated VBS team: Margaret Carpenter, Rev. Eddie Trull, Tony Ledford, Diane Keener, Sherry Smith, Tina Pyle, Joy Dooley, Susan Jones, Dawn Ledford, Rev. Harold Savell, and Pam McConnell. They so faithfully attended the training session at Beverly Hills Baptist on March 4 from 9:00 - 4:00. They brought back wonderful ideas that they successfully taught at the 1994 Associational VBS Clinic on April 25, at Franklin First. There were 96 attending, representing 21 churches. We were blessed to have the children's choir of Franklin First to sing the Trail of Treasures mini-musical. Prissy Tunnell did a wonderful job directing these children. Lester Evans was a wonderful Trail Guide! We were really touched by all their hard work! Thank you!

Thank you for all your prayers and all your support in leading children to Christ through Vacation Bible School. This is a wonderful outreach ministry. This may be the only time they are involved with a church and will be able to experience the Love of God.

Respectfully submitted,
Karen Worthington, MBA VBS Director

WOMAN'S MISSIONARY UNION REPORT

The WMU has been challenged with the 1993-94 Emphasis, "Serving in Christ's Name."

We the WMU of Macon Association are thankful for the opportunity to be a part of South Macon Mission, by furnishing cake, cookies and cupcakes to be used for the fellowship following the Bible Studies that were conducted to begin the organization of the mission.

Also at Christmas 1993 we participated in the Prison Ministries by sharing with the inmates at Woman's Correctional Institute, Raleigh. A gift of $577.00 was given through the NC State WMU to purchase gifts for the inmates.

In April 1994 the N.C. Baptist Men's Medical-Dental van visited this area. The WMU had the opportunity to purchase dental hygiene products to be used as the van served children of our association.

Through accepting these opportunities and accomplishing them and through other activities, the WMU of Macon Association achieved Standard on the Associational Achievement Guide.

Local churches have the opportunity to achieve recognition on the Church WMU Achievement Guide. WMU of Cowee Church was recognized for 10 consecutive years of reaching Distinguished on the Achievement Guide. It was also an honor to recognize Mount Hope on their first year of reaching Distinguished. We are looking forward to many other churches reaching this level.

On April 12, 1994 the WMU of Macon Association met with Pine Grove

Baptist Church for the Annual Meeting.

A candle light service was conducted by Eula Dalrymple to promote the Emphasis "Serve in Christ's Name" concluding the service. A solo, "People Need the Lord" was presented by Priscilla Tunnell.

Mission Volunteer, Alma Bryson, gave her testimony, "What it Means to Me to Serve in Christ's Name," and Acteens from Faith Baptist Church were recognized for their achievement of reaching Queen Level in Acteens Studiact Step.

The special music was presented by the Youth of Highlands First Baptist Church; they sang "Go Where I Send Thee."

Guest speaker for the meeting was Dr. Duane Kuykendall, who along with his wife Debbie and son Jason, were on furlough as Foreign Missionaries from South Korea.

Priscilla Tunnell gave the charge to newly elected WMU officers for the coming year 1994-95: Director - Christine Horne; Associate Director -Ruby Curtis; Secretary - Ila Sue Cook; Baptist Women Director - Dale West; Mission Action Director - Mildred Williamson.

At the close of the Annual Meeting it was a surprise and a great honor to be recognized for approximately 35 years of service to WMU of Macon Association, as I stepped down as WMU Director. Eula Dalrymple, who served as Associate Director with me for several years, presented me, on behalf of the Associational WMU, a Michael Rogers print, which I shall always cherish, as I remember the blessings I received while serving the Association as Sunbeam Band Director, Assistant WMU Director, Mission Friends Director and WMU Director.

Thanks Associational WMU.

God bless each of you is my prayer.

To God be the Glory,
Respectfully submitted,
Dixie M. Shook

YOUTH MINISTRY REPORT

A lot has happened since our last annual meeting in associational youth ministry. In October we held a training event for youth leaders at the Associational office. The conference was led by Michael Capps, a professional Youth Ministry Consultant, with about 20 people attending.

Youth groups from Mt. Hope, First Assembly, First Baptist Highlands, Cartoogechaye, and Holly Springs performed skits and songs at a youth rally featuring Doug Berkey, a professional Christian Mime. There were 155 people in attendance.

We held our annual associational New Years Eve Party at the Community Building featuring games, food, a Christian movie, a devotion, and a countdown to the new year.

In February we sponsored a puppet and clown seminar at First Baptist Franklin. There were 60 people in attendance representing several churches. Clowning was led by Susan Strickland who has a lot of experience in this field, and has led seminars in many places including Curtain Call, a state led conference. Ray and Jane Parrot led the puppet conference. They too were great and have led conferences at Curtain Call.

On May 7 we held an Associational "True Love Waits" Rally featuring the Magic of Matt Fore. Dennis Thurman from Sugarfork Baptist

Church gave an inspirational challenge to the teens on why they should remain sexually pure until they enter marriage. We had 36 cards signed by teens who promised to remain sexually pure until marriage. These cards were sent along with cards from all over the country to the Southern Baptist Convention, and to Washington, D.C. to be on display as a testimony to the government that Abstinence Based Sex Education can and will work.

We have 2 youth rallies planned for the fall. Mark Matlock will be at the First Baptist Church Franklin on September 17 at 7 p.m. Tom Toombs will do a Youth Rally on October 15 at the Iotla Baptist Church at 7 p.m. I believe that young people will come to know Christ at each of these events. It could be one of your young people but you have to bring them.

Finally please be in prayer for me in the year to come. As you can see I have worked hard for the Association this past year. However, I cannot do it by myself any longer. I am beginning an Associational Youth Council which will plan events for next year. I would like to have a representative from every Church on this Council. That is the only way to meet the needs of every Church. If your Church is not presently represented on this Council then please see me and recommend a person to represent you. God can do great things in Macon County if we work together.

Love in Christ,
Kevin Davis

James B. (Jim) Campbell
Age: 52
Died: January 9, 1994
Native of Macon County

Son of Lavada Angel Campbell and the late C.L. Campbell

Jim is survived by his wife of 31 years, Mary Jo Swafford Campbell, of Franklin; one son, Ronald Campbell of Franklin; one daughter, Tammy Hoyle of Boiling Springs; and one brother and two sisters.

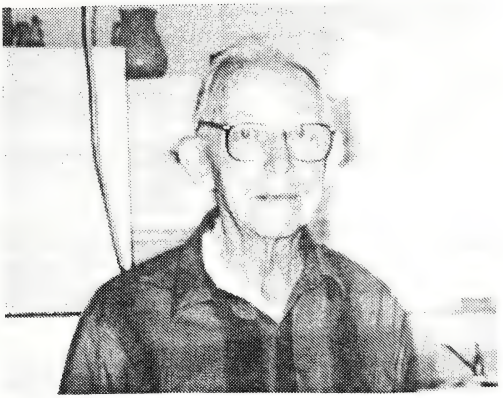
Jim was a longtime employee of Winn Dixie and had managed meat markets in Macon County for more than 34 years.

Jim was an active member of Iotla Baptist Church where he had served as an usher, deacon, and Sunday School Superintendent. He had served the Macon Baptist Association as a Sunday School Director and member of the Nominating Committee.

Jim met everyone with a smile and is greatly missed by his family and friends!

DEDICATION

James Marshall Fouts



Marshall Fouts was born June 13, 1922 to William (Bill) T. and Mary Aldora (Dora) Rickman Fouts at the home place in Iotla where he presently resides. Bill was a well known merchant and operated a small farm. At the time of their marriage, Dora was a school teacher but became a full-time wife and mother. Marshall was the fourth child of nine children born to Bill and Dora. The strict Godly lifestyle of Marshall's parents became apparent when, at the age of nine, Marshall was saved in a revival service at the Iotla Methodist Church to which Iotla Baptist Church members were cordially invited. Marshall joined Iotla Baptist Church and was baptized February 8, 1931 by Rev. Floyd Sitton, Pastor.

Marshall attended school at Iotla and Franklin High School. Just before graduation, he felt a call of God to join the military service in defense of his country from 1942-1946. Upon his return from military service, Marshall was presented his high school diploma and began to participate in the Veterans Farm Training Program and was married to Evelyn H. Huggins of the Burningtown community on October 8, 1950. Born to them were two sons, James Merritt Fouts and Frederick Allen Fouts, both of Franklin. Until his retirement, Marshall was employed by the Macon County Board of Education from April 1953 to June 30, 1984. Through the years Marshall has faithfully and lovingly served his church, community and country in many ways.

MEMO TO FRED FOUTS:

Marshall Fouts is one of the finest men I have had the pleasure of knowing and working with in our community. He faithfully served his country in time of need and continues to serve his community. He has been a member of the American Legion and VFW Funeral Detail for over 25 years. Through rain, snow, mud and heat, he has been a devoted member to honor his departed comrades and their families.

He is respected and respects other people, a devoted father and husband. To all I would like to Thank God for people like Marshall. Knowing Marshall has been my pleasure.

Sincerely,
John Zachary, Commander
American Legion and VFW Funeral Detail

PINE GROVE BAPTIST CHURCH HISTORY

Pine Grove Baptist Church celebrated its 100th anniversary on October 30, 1988. This celebration was planned after receiving notification from the North Carolina Baptist Historical Collection of the century of existence. As part of the activities on October 30, 1988, Jackie Gregory was ordained as a deacon. Other current deacons are Euell Owens, Mark DeBardelaben, Steve Stiles, Glenn Holland, Landy Holland, and C.L. (Butch) Deal. Rev. Frank Reed, the oldest living former pastor at that time delivered the message. The pastor during the anniversary and until May 1993 was Rev. Davis Hooper.

The first church was located between the Cullasaja River and the current entrance to Peeks Creek Road from the Highlands Road on property donated by John and Martha Corbin. Mrs. Martha Early McCoy made the first communion bread. Making the communion bread has been a service of Mrs. Elizabeth B. Dills for several years for the present congregation.

The congregation moved down the road to the present location on the Highlands Road prior to 1932. Many of the church records were lost in the fire that destroyed the church on March 26, 1932. A new building was erected in time for the 29th Annual Meeting of the Macon Baptist Association on August 10-11, 1932 which was held at Pine Grove.

Since 1932, the building has undergone many changes. The church has been bricked and air-conditioned and the pews are padded. A porch and a ramp have been added. A Fellowship Building has been constructed also. Presently, Pine Grove Baptist Church is growing spiritually and has added 15 new members from July 1994-July 1995, bringing the total membership to 198 with 117 of these being resident members. Rev. Timothy (Bo) James has been the pastor since October 1993. This growth is causing the congregation to make plans for physical expansion. We need additional classroom space for Sunday School and Vacation Bible School and are in the process of acquiring the property adjacent to the church on the south side from the Gladys Henson family.

One of the highlights of Pine Grove's church year is Vacation Bible School. For several years Pine Grove and Buck Creek Baptist Churches have linked-up for one tremendous Bible School. The spirit of cooperation between these two churches exemplify..."we are laborers together...".

He gave opportunity for questions regarding report and Rev. Ron Owens, Faith, noted that the moderator and vice-moderator are elected for two-year terms. He also noted that at the end of the two year term, it has been the practice in the past to place in nomination for moderator the name of that person who has served as vice-moderator. He requested an explanation as to why the current Nominating Committee had chosen to abandon that practice. The Moderator requested clarification as to Nominating Committee's decision from Director of Missions. (Moderator and Director of Missions are "Ex Officio" members of this Committee). The Director of Missions explained that the Nominating Committee had discussed this practice which had been a tradition but not an established law and noted instances in the past in which the vice-moderator did not assume the position of moderator. One consideration from the Nominating Committee was that more ministers in the association be given the opportunity to serve in positions as officers. He also explained that since the current vice-moderator has previously served as moderator and vice-moderator and also several years as parliamentarian, the Nominating Committee decided to nominate pastors who have never before had the opportunity to serve in these

leadership positions. In response to additional explanation request from Rev. Owens, the DOM also noted that since no information has been passed on from the previous Nominating Committees, each current Nominating Committee makes their own nominations and are not "tied" to procedures of the previous Committees.

A motion to accept the Nominating Committee's Report as submitted was made by Rev. Harold Ball, Franklin First. Second by Mrs. Dorothy Seagle, Holly Springs. Motion carried.

(50) The Moderator gave the report for the Place, Program and Preacher Committee: January, 1996 - Walnut Creek Baptist Church - Rev. BLACK MOUNTAIN BAPTIST CHURCH HISTORY

Black Mountain Baptist Church was first organized in 1943. The first building was built on land donated by Rev. Claude Ledford. The property was located on Skeenah Creek.

After nineteen years it was decided the church needed a new building. Brother Pearly Kirkland gave the property for the new building site. This property was located just up the road from the old building at the corner of South Skeenah Road and Horseshoe Ridge. The new building was dedicated in 1962 and overlooks South Skeenah Valley.

Over the years additions have been made. A fellowship hall has been built and the parking lot has been paved. Though many changes have been made there is one thing that has not changed. The foundation was built upon the Solid Rock and she still stands strong today.

If you do not have a church we ask that you come worship with us where everybody is somebody and Jesus Christ is Lord.

HIGHLANDS FIRST BAPTIST CHURCH HISTORY

AUGUST 18, 1995

At the meeting of the Tuckaseigee Baptist Association August 15 - 18, one hundred eleven year ago, it was reported that a Baptist Church had been organized in Highlands. In July 1884 the First

Baptist Church of Highlands began with 12 members and Elder S.H. Harrington as minister. As with any church much history could be reported for the past one hundred and eleven years, some that is cause for rejoicing and some for sadness. In those years we could identify at some point with every church talked about in the New Testament. But since history is a matter of perspective, for purposes of this report we will look only at some highlights.

In 1904 the site of the present church was purchased from the Northern Methodists. The property had a church building that had been built in 1888 and had a seating capacity of 300. This building served as a place of worship until a new church was built in 1940. The first service was held in the new building November 10, 1940. The pastor, J.G. Benefield, preached to 44 on that nasty, rainy morning. An educational building was begun in 1960 and dedicated May 28, 1961. In 1984 an addition was added to the front of the sanctuary and property was purchased on Highway 64 East where there is a home for the youth minister. A parsonage was purchased on the Dillard Road in 1977. This past year, 94-95, renovations have been made to the downstairs restrooms, youth room, kitchen and office areas upstairs in the church building.

While information about a building may be of interest, it does not reflect the true history of a church since a church is not a building but a body of believers. It would be difficult in this short report to record a true history of the body of believers at Highlands. If space allowed we could tell of the year there were 190 in V.B.S. or the year 79 people were baptized and there were 104 new members. Or perhaps we would tell of all the missionaries who have visited our church or of the people who have entered the ministry from this church, or mission support and work that has been done by the church. We could also tell of the good stewardship or great programs that the church has experienced. Finally we could even report the times things haven't been so good. All of this information could be repeated for most other churches, but our goal must be to serve Christ faithfully in the present and into the future until He returns. We need to be careful not to "rest on our laurels" or "wallow in our sorrows" to the extent we fail to be faithful now.

Presently with a goal to become the best church we can become, we have entered into an intentional interim program. This will give us a period of time to reflect on our ministry - where we are and where we need to be going. We will be aided in this process by Pastor Clyde Kerley who came to our church as interim pastor July 8, 1995. Our desire is to allow God to use us to be the church He wants us to be.

Church Clerk

REPORTS

ANNUITY REPORT

As the Southern Baptist Convention celebrated its 150th anniversary this June, the Annuity Board felt proud of its more than 77 years of serving those who serve the Lord. The Annuity Board offers security for pastors, other ministers, eligible church and denominational employees and their families.

Operating within its approved budget, the Annuity Board continues to fund its operations without subsidy from the Cooperative Program. All Cooperative Program money received is allocated by the Trustee Relief Committee to needy ministers and their widows. The operating budget is funded from earnings on assets.

The Church Annuity Plan provides financial security both before and after retirement. Its Protection Section, funded by state convention Cooperative Program dollars, includes supplemental disability and survivor benefits. State conventions also provide matching retirement dollars for eligible participants. This plan, designed by Southern Baptists for Southern Baptist churches and associations, provides opportunities for tax savings, competitive investment returns and the flexibility to meet each participant's special concerns. At the end of May, 1995, 37,076 participants serving 20,231 churches and associations were active in the Church Annuity Plan.

The Personal Security Program offers up-to-date insurance products to protect against the large and small bumps and scrapes of life. The program includes a Term Life Plan, Personal Accident Plan, Disability Plan and a choice of medical plans. This is a flexible program; coverage can be tailored to meet each family's unique needs. Each plan is available alone or in combination with other plans.

Nearly 22,000 church and associational staff members participate in the Term Life Plan. They have found this Plan provides the protection they need at a cost competitive with comparable plans in the marketplace. In this era of rising medical costs, Personal Security Program medical rates have not increased since 1992. Over 20,000 Southern Baptist church and associational workers enjoy the protection the medical plans provide.

With $4.8 billion in assets and over 77 years of experience, the Annuity Board offers its participants security and stability. The Annuity Board recognizes each dollar represents retirement income or life and health protection for a Christian servant in a Southern Baptist church, association, state convention or agency. The Annuity Board's mission is unchanged; it exists to serve those who serve the Lord.

BAPTIST CHILDREN'S HOMES REPORT

Imagine that you are a teenage girl and your parents and even your extended family have such personal, emotional and spiritual problems that there are no positive strong bonds that will keep your relationship with them secure and safe! Imagine also, you are approaching eighteen years of age and you are so uncertain and unsure where you will live and who you can depend upon.

Under these and even more testing and trying circumstances, the residents at Moody Home find security, safety, love and salvation. Eighty per cent of the girls coming to Moody Home discover their first time faith in Jesus Christ relationship. As they grow in Christ, they learn through personal daily Bible study how to let go of the painful past and plan for a joyful future that is grounded in a secure spiritual and Christian faith.

Believing in children, teenagers and families, giving safety, security and guidance, has been Baptist Children's Homes' goal since its beginning 110 years ago.

Serving 1,513 children and families in 1993-94 in 12 facilities across the state, BCH provides intentionalized programs of residential group care, emergency care, therapeutic camping, maternity care, teenage mother/babies, model day care and behavioral change for girls.

Commemorating 110 years of ministry, BCH published "Intent To Serve" a history depicting the last decade of BCH's child-centered, family-focused services. Each church was to receive a complimentary copy in the Fall of 1995.

A chapter of BCH life closed with the death of alumni, employee and friend Bill Sisk. Investing 52 years of himself, Sisk, who came to Mills Home at age 8 and returned to work on staff 42 years, died May 21, 1995.

Adding to the light, Baptist churches, through the Cooperative Program, designated gifts and the Thanksgiving Offering funded about one-fourth of BCH's $12 million budget with gifts totaling $2,934,304. Trustees, intent on strengthening BCH's leadership position and continuing its tradition of giving help to families and children, approved a $10.1 million campaign, "Light Their Way," to raise money for special projects , operational needs and

endowment. The campaign will run September 1995 - May 1997.

Many individual and churches throughout Macon Baptist Association have greatly contributed to the ministry of Moody Home. Your continued prayers, visits, encouraging words and financial support are appreciated and needed. THANK YOU FOR ALL YOUR SUPPORT!

In Christian Ministry,
Jim Byrd, Moody Home Staff

BAPTIST FOUNDATION REPORT

The messengers present at the Baptist State Convention meeting 75 years ago, when the establishment of the Baptist Foundation was approved, believed that the services to be provided by the Foundation could benefit both the individuals who would use its services as well as Christian purposes for which the Convention had organized many years earlier.

With a well trained and dedicated staff, the Baptist Foundation is now in position to assist any Baptist church member who has a desire to preserve their estate for their families and provide greater financial service to their church, association, missions, Baptist institutions or the Convention in its program of work.

Those who have become involved with the Foundation thus far, many of whom no longer are alive today are providing critically needed resources for either their family members and/or the Christian causes they dearly love. In many instances their use of a trust or endowment fund has helped reduce income and/or estate taxes and increased the value of assets they left for their families at their death. In addition, they continue to provide for sharing the Gospel with the income from endowment funds they created while they were living.

Many North Carolina Baptists are today enjoying the benefit of increased retirement income through the creation of an annuity trust with the transfer of property or other assets which the Foundation sold and invested under guidance of professional managers. When these trusts were created, the individuals were provided tax benefits which enhanced their estates. In most cases, the income they now receive is greater than that received prior to starting the trust. At some future date of their choosing, the assets in trust will serve the Lord in ways chosen by the donors.

During the past year, an area manager was employed to serve the western portion of the state. A twelve-minute video, "Pillars of the Church", was prepared which shares through personal example how the Foundation can serve every church member. A copy of this video is available by request in writing to 201 Convention Drive, Cary, North Carolina 27511. Personal and confidential assistance is available by calling our office at 919-380-7334 or written request directed to the above address.

The total assets under management by the Foundation at the end of 1994 were $47,312,575. A total of $1,241,756 was paid to Baptist churches, institutions and mission causes during 1994. The amount paid to individuals from trusts, which will eventually pay to Baptist causes, was $1,499,098 during the year. During the first six months of 1995, the total performance of the charitable endowment funds under management was 15.3% (annualized).

BAPTIST HOSPITAL REPORT

Founded in 1922, Baptist Hospital is a missionary enterprise of the Baptist churches of North Carolina. The essence of our purpose is to carry out a ministry of healing as taught by Jesus Christ. We remain as fully committed to this mission as were our founding fathers. In the midst of changing health-care norms, we have not, nor will we, deviate from this mission. The following paragraphs report not only basic facts, but various results of how we have sought in the last year to remain true to our heritage while providing quality health care at affordable prices.

"THE BAPTIST"
Affectionately known to many simply as "The Baptist," our hospital now employs 5,544 members who comprise our healing team. We are joined with Bowman Gray School of Medicine and thus The Medical Center has over 9,000 employees making us the largest employer in Forsyth County. In fiscal year 1994-95, our 806-bed facility provided care for 23,712 inpatient admissions. Our rapidly growing Outpatient Department provided care for 557,511 patient visitors.

A NEW DIVISION: PASTORAL CARE AND CHURCH RELATIONS

In May restructuring created a new division with the consolidation of the departments of Pastoral Care and Church/Community Relations. This division consists of four ministry components which are listed below with a brief ministry synopsis:

DEPARTMENT OF CHAPLAINCY AND PASTORAL EDUCATION
Through spiritual and emotional healing to patients, families and staff, approximately 55,000 ministries were provided by our chaplains.

THE CENTER FOR CONGREGATIONAL HEALTH
This rapidly expanding ministry to churches, pastors and staff, and congregational leaders also enables the training of intentional interim pastors. Also, training is provided for leadership and church consultants. Workshops and other events are held as well.

DEPARTMENT OF CHURCH AND DENOMINATIONAL RELATIONS
This department serves as the liaison between Baptist Hospital and the churches, associations, and convention, as well as other church groups. By facilitating appointments, policy interpretation, understanding of our health care services, this function helps keep our vital bond with North Carolina Baptists strong. Mission dollars for benevolent care through this department in excess of $452,000 were given by Baptists to the Mother's Day Offering. This mission effort helps relieve the financial burdens of patients who have little or no healthcare insurance. This is truly a ministry of renewing hope in their lives and is a source of great joy for us.

PASTORAL COUNSELING
With increasing requests from churches and associations across the state, this ministry continues to expand. Our thirteen strategically located counseling centers provided 27,000 ministry hours last year.
Thank You Letters From Mother's Day Offering Recipients:

"I would like to take this opportunity to tell you how grateful I am for the generous contribution made to help me with my recent medical expenses. I have been extremely concerned as to how this account would be settled. I never dreamed that such a fund was available. To all Southern Baptists across the state of North Carolina, I sincerely thank them for their generosity and concern for my well-being. This gift has definitely lightened my life's load. The gratitude I have in my heart is difficult to express on paper, but truly one deeply appreciated."

* * * * * * * * * * * * * * * *

"Please accept my sincere appreciation for the financial assistance you and Southern Baptists contributed toward my late husband's hospital bill. This was a gracious gesture on your part that truly helped lighten the financial burden left to me due to his extended illness. A gift of this magnitude will not be forgotten by me or my family. Through all this ordeal my faith in God has been unshaken, and your kindness only strengthens that faith."

POINTS OF EXCELLENCE AND PROGRESS
***FINANCIAL STEWARDSHIP** - Annually Baptist Hospital's rate increases consistently are less than both the medical consumer price index for hospitals and general inflation. The most recent North Carolina Database Commission report comparing the average of charges at other instate cademic medical centers for our most frequent diagnoses reveals our charges are 21% lower. For all hospitals statewide we are 7.7% lower on those same charges, despite treating the most critically ill patients from across the state.

***QualChoice OF NORTH CAROLINA** - A managed care plan providing quality health-care and patient physician choice. Established by The North Carolina Baptist Hospitals, Incorporated and

Bowman Gray School of Medicine and Wake Forest University, QualChoice is now expanding to employers in our region.

*ACCREDITATION WITH COMMENDATION - This distinction was awarded us by the Joint Commission of Accreditation of Healthcare Organizations. With a grade of 96 we earned the distinction as one of America's most highly rated hospitals.

*EMERGENCY DEPARTMENT/DIETARY BUILDING - With a Fall 1995 opening date this 300,000 square foot facility will expand our Emergency Department capacity to 70,000 visitors annually. It will also house a 35-bed Day Hospital, as well as a 900-seat cafeteria, and will double the proportion of private beds available to patients.

*COMPREHENSIVE OUTPATIENT REHABILITATION FACILITY - a 64,000 square foot facility scheduled for completion in the Summer of 1996.

*STICHT CENTER ON AGING AND REHABILITATION - Housing a geriatric research and education center, geriatric day hospital and inpatient acute rehab beds, geropsychiatry, and adult acute psychiatry, a planned completion and opening date for this center is the Spring 1996.

*HOME HEALTH SOLUTIONS AND HOME HEALTH SPECIALISTS - Specialists provide at home care such as intravenous chemotherapy, pain management, nursing care, and physical and occupational therapy.

*COMMUNITY HOSPITAL ASSISTANCE - Baptist Hospital continues to develop relationships with hospitals and physicians in other communities inviting them to join our expanding healthcare delivery system.

A CLOSING WORD

Historical methods of delivering healthcare are changing in significant ways. We are constantly seeking to position ourselves to develop the methodologies, services, and delivery systems to meet these challenges. In the midst of the multiplicity of changes remain several treasured, time tested constants. Among these are our commitment to excellence and compassion in providing care, the demonstrated support of North Carolina Baptist, and most significantly, the providence of our Lord. Trusting in these, we move forward boldly and confidently into the future.

BAPTIST RETIREMENT HOMES REPORT

Making life for Older Adults...The Best of Times

As a result of the wonderful support given by North Carolina Baptists, 1995 will be remembered as one of the finest years in the forty-four year history of the Baptist Retirement Homes of North Carolina, Inc. The following are some highlights from the year:

In recognition of its commitment to the spiritual well-being of the residents that it serves, Baptist Retirement Homes hired Luther Osment of Sylva, North Carolina as its first full-time Chaplain. Reverend Osment's work responsibilities include ministry to the residents of the Brookridge Retirement Community in Winston-Salem and the Western North Carolina Baptist Home in Asheville.

Reaffirming its commitment to the idea that retirement should be a "step up" for Older Adults, the final phases of the renovation of The Taylor House Facility in Albemarle was completed in the Fall of 1995. The renovation of The Hamilton Baptist Home in Martin County was also begun in 1995 and hopefully will be completed by year end. When the renovation of The Hamilton Baptist Home is completed, all of the facilities operated by the Baptist Retirement Homes will be "state-of-the-art."

In recognition of the changing profile of institutionalized Older Adults (4% of the "oldest old" in North Carolina suffer from some form of dementia), the Young Solarium addition was completed in the Fall of 1995. The Young Solarium will house a new small-group program designed to enhance the quality of life experienced by institutionalized Older Adults suffering from dementia.

In an effort to provide Older Adults with affordable care, a sub-acute unit was developed at the Prince Nursing Care Center in Winston-Salem... a unit where frail Older Adults can receive IV therapy, infusion, wound care, and stroke and bone fracture rehabilitation outside of a hospital setting.

In response to the need to provide quality long-term care services to the ever growing number of frail Baptist Older Adults who may not need institutionalized care, the Baptist Retirement Homes developed a new home and community based service program, In Home Care, Inc.....the new service designed primarily to extend the amount of time that frail Baptist Older Adults can remain in the home environment.

Thank you North Carolina Baptists for helping us make life for Older Adults...**The Best of Times!**

William B. Stillerman, President
Baptist Retirement Homes of NC, Inc.

THE BIBLICAL RECORDER REPORT

The headlines each day--Bosnia, O.J. Simpson, interest rates, tax overhaul, etc--often include Southern Baptists. The secular media show special interest in our conflicts but all too often do not tell the whole story of the good things Baptists are doing. The Biblical Recorder tells the whole story--the many positive things people are doing in their churches along with the negative issues which cannot be concealed and ignored if we honor our heritage from yesterday and fulfill our mission for tomorrow.

There is no way to address these issues without correct and reliable information. The Biblical Recorder was born and continues to serve for that purpose. In the 162 years of state Baptist papers in North Carolina, never was the Recorder more needed than now for people to have the truth.

People are reading less than any time in recent history. It is true of secular publications, it is true of wholesome books from respected libraries, it is true of religious publications. We live in an electronic age where many think they know the answers to the issues only to discover they do not. It is impossible to know in depth what is happening when we depend on "60-second sound bites" of news on television or radio.

An informed Baptist is a better Baptist; an uninformed Baptist may be an uninvolved or disruptive Baptist. No democracy, including our local churches, can survive long without an informed, involved constituency which makes decisions based upon accurate information from reliable sources.

The Biblical Recorder should be in every Baptist home in North Carolina. Your support as a subscriber and reader, coupled with your encouragement to others, will enable the paper to better serve the constituency with accurate and helpful information.

In order to save churches large amounts of money and to increase the readership of the Recorder, Church News Service (CNS) was launched in 1990. This system lets any congregation have their church news incorporated into the Biblical Recorder which saves staff time, postage and printing costs. Usually, for less than what it costs to produce the church newsletter, CNS gives the entire Baptist communication package to each family in the congregation. Recent and anticipated increases in mailing costs makes CNS a greater value in 1995-96 than when it was started in 1990.

The paper focuses more and more attention on North Carolina Baptists with news, features and inspirational articles which will encourage individuals and churches in their witness and ministry. One sure way to conquer problems and overcome the barriers to effective witness and ministry is to have the facts, know the issues and be adequately informed. With all the stress and disturbance in the world, "The North Carolina Baptist Way" has

become even more important to us than ever before.

That is why the Recorder was born; that is why it serves today. For more information on how your church can subscribe or use CNS, contact: The Biblical Recorder, 232 West Millbrook Road, Raleigh, NC 27609 (919) 847-2127.

Rev. Everett Wilson

BROTHERHOOD REPORT

Macon Baptist Association's Brotherhood has come a long way in the last few years. We have begun the long task of becoming involved with missions but now we must spend the time and effort to become more organized and trained.

The past year we have had groups of men go on mission trips to South Carolina, Georgia and a return trip to South Florida. At this time we have a group of three older RA boys from the Franklin First Baptist Church involved in a soccer clinic in the West Indies sponsored by the North Carolina Baptist Association.

During this year, our association has raised the funds needed to purchase a trailer to be used for Disaster Recovery. At this time plans are being made to equip the unit and take the steps necessary to get the unit ready for activation.

What is ahead for the Association in 1995-1996? We need to spend time organizing and planning for the RA Camp that is held at Camp Truett next year. We need to work with the other associations to secure funds and volunteers for the two weeks of camp held each year at Camp Truett. We need to provide the same service to the RAs of western North Carolina as we provide down east.

Mr. Richard Lightner

CHURCH GROWTH MULTIPLIERS

We consider it a great blessing to have the privilege of serving our Lord by helping churches to grow numerically and spiritually. We thank God for every association and the churches they represent. All of you are very special to us.

Church Growth Multipliers is a ministry of the North Carolina Baptist State Convention designed to help churches and associations to grow through church programs; Sunday School, Discipleship Training, WMU, and Brotherhood. We are available to help churches in all of these areas. We now have an added responsibility. Each of us were trained by Maurice Cooper to do conferences to help in a Care Giving Ministry.

God is blessing in a marvelous way. We have been in many churches during the past year. We have seen Sunday Schools grow, new Discipleship Training programs started, as well as some new WMU and Brotherhood organizations being started.

If we can help in any way, please feel free to call on any of us. Following is the list of Team Members, their addresses, and phone numbers.

CHRISTIAN ACTION LEAGUE REPORT

This year has been a significant one for the Christian Action League of NC as we gave leadership and support to local communities in their battle against the proliferation of alcohol, provided a voice for Christian morals and ethics in the halls of the legislature and continued our battle against on-going legislation concerning the lottery and other anti-family issues.

1. Legislative Issues:

A. Alcohol

The alcohol industry sought to implement state-wide Liquor-By-the Drink and beer/wine sales through legislative action. House Bill 599 would have implemented LBD without a vote of the people. The Christian Action League prompted churches to action and strong opposition developed from across the state, the bill was withdrawn and died in committee.

B. Lottery

In the 1995 Session of the General Assembly, there were four lottery bills introduced. Several times in the past decade, gambling forces were able to secure the passage of a lottery measure in the Senate, but not in 1995. Lottery legislation was defeated in the Senate by a 28-20 vote and it appears at this time the House lottery bills will not be voted on during this session. We praise the Lord for this victory and for the fact that NC remains the largest state in the nation that has no state-sponsored lottery. However, we request your prayers as the Christian Action League will continue to be on the front-line

fighting this battle again in 1996.

C. Abortion

The Christian Action league and other Christian organizations have continuously lobbied for abolition of the state abortion fund. House Bill 229 has passed and will cut the abortion funding from $1.2 million to $50,000 and then to be used only in cases of rape or incest.

For many years we have been working for legislation requiring parental consent before a minor can obtain an abortion. We are pleased to report that this measure was adopted this year.

2. League Leadership:

Reverend Johnny R. Henderson became the League's Executive Director in July upon the retirement of Coy C. Privette. Johnny brings a wealth of experience to this position. A trustee since 1977, he is the North Carolina Baptist Men's Correctional Ministries Coordinator and serves on the Executive Committee of Prison Fellowship of North Carolina. Also, his church was featured on ABC News last year for its outstanding prison ministry.

We are grateful to God for the prayer and financial support that the League receives from the churches of your association. May others join you as we seek to be the "Salt and Light" in a world hostile to Biblical ethics and morality.

CHRISTIAN HIGHER EDUCATION REPORT

BAPTIST COLLEGE/UNIVERSITY REPORT 1995

The Baptist State Convention is 165 years old. For 161 of those years the Convention has been in the business of founding, adopting, supporting and nurturing Baptist colleges and universities. North Carolina Baptists are known for their broad and deep commitment to Christian higher education. Our seven Convention-related education institutions are: Campbell University (1887), Chowan College (1848), Gardner-Webb University (1905), Mars Hill College (1856), Meredith College (1891), Wingate University (1896) and Wake Forest University (1834).

For 1995 the Convention's Christian higher education budget is $6,000,540, or 20.41 per cent of the total. These funds are divided among six colleges. Wake Forest is not in the budget, but receives designated gifts from churches and shares in student financial aid funding through the State Missions Offering.

The 1994 enrollment in North Carolina Baptist colleges and universities was 22,473, with 4,075 graduates. Approximately 476 students were enrolled in church-related vocation studies.

COOPERATIVE PROGRAM AND STEWARDSHIP REPORT

The plan for the Cooperative Program was first presented in 1925. As the idea was presented, Baptist were excited about the possibilities it offered as they saw the vision of what they could do together. With enthusiastic support, the Cooperative Program was born and has remained in the forefront of Baptist life.

The plan is divinely-inspired and laid upon a solid foundation of biblical principles that lead to faithful and disciplined giving. The same pattern of giving was established at the Macedonian church. Paul refers to this as "the grace of giving" (2 Cor. 8:1-5). It is voluntary and flexible for each church so that Southern Baptist may accomplish more together than they could accomplish individually. It is the means of extending the ministry of both large and small churches around the world.

Today, without any ecclesiastic edict, Southern Baptist regularly, and voluntarily, support a worldwide Bible teaching and preaching missionary effort. Through the years, untold numbers have heard and responded to the saving power of Jesus Christ. As a cooperative effort, each church and each church member have a part in sharing the greatest story ever told.

As a denomination, Southern Baptist have been described as a "sleeping giant." If that is true, the vision and excitement of the Cooperative Program should awaken the "sleeping giant" and every church member.

DIRECTOR OF MISSIONS REPORT

Macon Baptist Association has experienced another busy but fruitful year. Reports of numerous achievements and successes have flooded our office. The 1995 "Here's Hope" simultaneous revivals have had some impact on our county for Christ as many individuals have responded to the gospel. Our Associational Council has been working hard to plan and implement creative ways of doing ministry. Vacation Bible Schools across the Association reported multiple decisions for Christ. Our Seminary Extension classes are continuing with excellent teachers and good subjects. I would like to encourage more people to attend these beneficial classes. Our Youth and Children ministries offered several inspirational events during the year. We continue to receive requests for more activities and opportunities in the area of children ministries and we hope to fulfill some of these requests next year. Our WMU has offered tremendous help, sometimes on the spur of the moment, to provide assistance to a variety of ministries. Family ministries, which includes singles, married, senior adults, is working to get a running start this fall and throughout next year. Our Sunday School ASSISTeam is looking for inovative ways to revitalize Sunday School throughout our Association and will be seeking your assistance. Please give attention to the many opportunities for growth that will be offered this coming year through our ministry organizations.

One of the greatest needs of our region is a Christian counseling center. For more than a year, much diligent effort has been focused on this need. This dream is very close to becoming a reality. The churches of Macon Baptist Association have been asked to financially support this needed ministry. If each church would budget and give at least three-fourths of 1% of the

undesignated offerings, our Association would surpass what is needed to fulfill our part of sponsorship. Already, numerous churches have responded by sending designated gifts to the Associational office. Thank you for your prompt response to this vital ministry for the people of our region.

Preparation is being made for the 1996 World Missions Conference in which twenty-eight churches in our Association plan to participate. This will be the biggest, most expensive, and most challenging event our Association will be involved in during 1996. Pray that God will bless this effort with an outpouring of His Spirit. Our Steering Committee, mostly made up of Council members, will be equipped to train church steering committees in their responsibilities of preparation for this event. Details, materials, and assignments will be made toward the end of 1995 or during early 1996. The dates for this event are April 28-May 5, 1996.

For the past year I have been involved in the process of earning the Doctor of Ministry degree at New Orleans Baptist Theological Seminary. So far, the requirements have been grueling but rewarding. If everything goes well and I pass each requirement, it will take about eighteen more months to finish the program. At the moment I'm deeply involved in the most difficult part of the process. Thank you for your many prayers as I continue this effort. Without your prayers I would not be able to handle the requirements or the pressure.

I want to offer special appreciation and thanks to my family who sacrifice much in order for me to complete this endeavor. "Thanks" to our Moderator, Rev. Andy Cloer, who has provided not only encouragement to me but excellent leadership to the Association throughout the last two years. I want to say "thanks" to our Associational secretary, Ila Sue Cook, and clerk, Jo Anne Elmore, for the invaluable assistance they have provided in taking charge of the office and Book of Reports. Without their tireless and trusted help I could not have applied my efforts to the demands of the degree. I want to express my appreciation to all the pastors of our Association for your prayers, support, and friendship. I wish to be an encouragement to you as you labor for Christ. "Thanks" to all the many volunteers who have assisted in the preparation and mailing of the monthly newsletters, assembly of the Book of Reports, grounds keeping of the property, and many other activities and responsibilities. This year has certainly proved to me, through the invaluable help of many eager volunteers, what an Association can experience in fellowship and cooperation.

Your Servant,
Lester Evans, DOM

DISCIPLESHIP TRAINING REPORT

Many changes are being made in church life and Discipleship

Training is no exception; however, if you want the regular Sunday night program, it is still available.

Three children participated in the Children's Bible Drill this year. They were all from one church. Let us have more churches participating next year.

If there is anything we can do to help you, or if you need assistance in any way, don't hesitate to call me or the Associational office.

Respectfully submitted,
Mary Powell, Associational Director

EVANGELISM COUNCIL REPORT

This has been a year of great opportunity for us in evangelism in Macon Baptist Association. There have been two outstanding opportunities.

First, the Mission that was co-sponsored by the Association and Cowee Baptist Church has been constituted into a new church, the South Macon Baptist Church. That new church has about 100 in attendance for worship each Lord's Day.

Also, this has been the year of "Here's Hope: Share Jesus Now" crusade. We promoted the 60 days of sharing Jesus and 139 persons, made a commitment to this task. We conducted an Associational Prayer Retreat for the Harvest Revivals. We also conducted Soul-Winning Conferences for church leaders of children, youth and adults. We had 24 churches in Macon Association to participate in the Harvest Revivals. There has been 151 professions of faith reported by our churches this year. PRAISE GOD!

Our desire for the future is to see Macon County won to faith in Jesus Christ as Saviour and Lord. May God richly bless each of you as you and your church strive toward this end.

FAMILY MINISTRIES

Plans are being made for a Senior Adult Rally Day on October 17, 1995, to be hosted by Franklin First Baptist Church. This event will offer life enrichment conferences, special music, an inspirational speaker and a musical will be presented by the Prime Time Singers of Franklin First Baptist Church. Lunch will be provided at a cost of $2.00 per person.

This special event will be coordinated by Macon, Truett and Tuckaseigee Associations. All senior adults are encouraged to attend and to bring a friend that does not have a church home.

The Macon Baptist Association is planning to begin a new ministry to Single Adults in 1996. All churches are asked to let the Associational Office know if you have someone from your church that would like to serve on a planning committee with Sharon Hunt, the newly elected Single Adult Leader, in getting this new program started.

We will also be needing assistance from some of the churches to assist us with the senior adult program under Bill Mill's leadership. If you have a senior adult in your church that would like to help with the planning of some special events this year end and in 1996, please contact the Associational Office and you will be notified of the next planning meeting.

Fall Festivals of Marriage will be held at Ridgecrest during October and November. These are exciting marriage enrichment weekends for couples who want to meet and share with others as you learn how to "Romance in the Home" this year. Brochures are available to churches and individuals. If you desire more information on the Festivals of Marriage, please contact Bill and Marilyn Huber at 524-6025.

Watch for upcoming dates for the new "Grandparenting by Grace" to be held for all grandparents in our association.

FOREIGN MISSIONS REPORT

I would like to emphaize the importance of children being trained early. Osie and I had a boy, Charles Miller in Training Union and Sunday School. His mother was Christian. Later in life Charles and his cousin Bobby Miller became foreign missionaries to the Philippines. I had in G.A.'s and Sunday School, Janice and Irnie Harvey. Janice went to the Amazon as missionary and contracted disease. She came back to the United States for treatment and later began mission work in North Africa. My cousin Dottie and her husband Wayne became missionaries to Japan. I had taught their mothers also. Janice later worked at the State Convention. We need to stop and think about what our children are not being trained in. I feel fortunate to have had opportunity to teach these boys and girls, of which I have shared. I remember when children gave up fishing trips to study God's word. Parents need to do more toward training their children early. One can do mission work where ever you are.

Respectfully submitted,
Mrs. Mildred Jackson

P.S. Mildred dictated this report to Judy Evans while in the hospital just prior to her death. Believing that mission work could be done where ever she was, Mildred continued to witness until her death.

HOLLY SPRINGS: This past year has been very prosperous for Holly Springs Baptist Church. We give thanks for the progress made on the physical building as well as seeing our membership increase. After completion of our new educational wing last year it was apparent that the older classrooms and restrooms needed to be remodeled. This has been done--new ceramic tile in the hallway and restrooms, ceilings lowered, new light fixtures installed. Also all the classrooms got new furniture and the nursery department was fully furnished with a sink, cabinets, refrigerator, microwave oven as well as other learning center furnishings. The choir loft was enlarged and it now seems 40 chairs are not enough--Praise God! Air conditioning was added to the older areas of the church, both upstairs and downstairs. Our

congregation is certainly enjoying this. The entire building has now received a new coat of paint. To God be the glory, great things he has done through His people working together! All the work was done by members except for the air conditioning. The P.A. and radio broadcast sound equipment was moved to a more convenient location in the rear of the sanctuary. The church was grateful to receive, as a gift, a new electronic key-board. Holly Springs has been blessed and we, as a body of believers are thankful.

HOME MISSIONS REPORT

$150 million in our 150th year!

1995 finds some very exciting things going on in our denomination: The Home Mission Board's church starting goal is to begin 1,995 churches, the largest number ever started in one year by Southern Baptists. This would put us closer to our goal of 50,000 churches and missions by the year 2,000.

Southern Baptists were challenged to commit themselves to witness to at least one person everyday for 60 days during "Here's Hope - Share Jesus Now."

Our two offering goals total $150 million in our 150th year - $50 million for home missions through the Annie Armstrong Easter Offering and $100 million for foreign missions through the Lottie Moon Christmas Offering.

As of April, $37,177,516 was received for the Annie Armstrong Easter Offering. This was short of the $50 million goal.

In 1995, we celebrate our sesquicentennial, the 150th anniversary of the Southern Baptist Convention and its mission boards. Our denomination was started for the purpose of doing missions. When it was formed in 1845, the Home and Foreign Mission Boards were established with it.

Jesus said, "Go ye into all the world, and preach the gospel to every creature." Mark 16:15

Southern Baptists are a "missions people."

MACON BAPTIST ASSOCIATION HISTORY

This year's evangelism emphasis was "Here's Hope: Share Jesus Now." Several sessions were held to pray, promote and train for this emphasis:

10/15/94 Association prayer retreat held at Macon Baptist Association office

11/19/94 Adult witness training held at Macon Baptist Association office

11/28/94 Youth witness training held at Macon Baptist Association office

2/21/95 Discipling new Christians/new members held at Macon Baptist Association office

Several churches had decisions and rededications made as a result of these services. A complete report is still pending waiting for all churches to respond.

On February 27, 1995, the FIRST Mountain Evangelism Conference was held at First Baptist Church in Bryson City. It was sponsored by the North Carolina Baptist State Convention, Evangelism Division and entitled "People Sharing Jesus." It was well attended despite bad weather. Future conferences are being planned for this region. PRAISE THE LORD!

South Macon Baptist Mission held its first worship service in their new building on September 18, 1994. With 75 charter members they held a constituting service and open house on October 30, 1994. At this time they became South Macon Baptist Church. They requested uniting with the Macon Baptist Association on January 9, 1995. Thank God for the vision we had in starting this new church!

On April 10, 1995, the Executive Committee of Macon Baptist Association approved a recommendation to participate with the other four associations in Region 10 to sponsor a Regional Care Counseling Center in conjunction with the North Carolina Baptist Hospital and the Department of Pastoral Care in Winston-Salem. The estimated yearly cost is approximately $40,000. It costs approximately $80.00/hour to operate a Christian counseling center. The local sponsor is responsible for developing a client assistance fund to cover the cost of care to persons unable to pay full cost of service provided. Macon Baptist Association requested the local churches provide $12,000 a year towards operating expenses with the other four associations contributing the remainder. Local sponsors must provide space, equipment, supplies, secretarial staff and local promotions. It was suggested that each participating church in our association budget 3/4 of 1% of its undesignated gifts and offerings. To date several churches have acted to add this as a line item to their budget or to support through other means of giving. Monies can be sent to our association office to be held until a local board of directors is established.

The following is a brief list of activities the Macon Baptist Association has participated in this year:
Macon County Habitat for Humanity, Clerk's conferences, Macon Partners for Youth, Franklin March for Jesus, Vacation Bible School Clinic, Association Music Day Camp and the establishment of the Disaster Relief Team through the Association Brotherhood.

Many new and productive things have been developed during this past year and 1996 will prove to be even more exciting for serving God.

MISSIONS DEVELOPMENT COUNCIL REPORT

Early in '95 we had an associational council meeting and played "The Game." Comments heard afterwards were all positive and more

people should be aware of it. Anyone or any church or combination of churches willing to sponsor a couple of hours of fun and games, and a very useful learning experience, get in touch with me through the association office. IRENE HOOPER is willing to come and play "The Game" any time we can get a group together. We would like to suggest the possibility of 2 or 3 churches join together to sponsor a mission. MISSIONS should be a joint effort between churches and people.

We have not been able to obtain a missionary for our migrants as of yet, we are still trying to work with Rabun Association on this very important ministry. We are also working on a World Mission Conference for spring of 1996. For further information about the World Mission Conference, contact Lester Evans.

The Association received a report from S.W.A.R.M. dated July 10, 1995. They report a total of 244 ministries with 16,566 people touched. They also reported that 38 decisions were made. This is the tenth anniversary of S.W.A.R.M. and even though Nell and Hart are flatlanders part of the year they do not let up with "Go Tell It On The Mountain." They work at it 365 days a year. My biggest wish and my constant prayer is we could have more Nell and Hart Watson doing missions.

Respectfully submitted,
Mr. Don Graham

PASTORAL MINISTRIES REPORT

Last year was a difficult year for me as pastor in the Macon Baptist Association. Several conflicts in counseling situations left me a little burdened and slightly burned-out. As a result, I was not able to accomplish the plans I had for the Association as Pastoral Ministries Director. Therefore, it is with high regard, that I recommend to the Association that approval of support for the Pastoral Counseling Center be foremost on the minds of each messenger.

Sometimes we all run a little dry when we are constantly giving and helping others. It would be good to know that there is a resource that we can go to when we run low. The Counseling Center is just such a place. When a pastor realizes that a situation is over his head, it is good to know that there is a place to which he can refer that situation.

There are not that many counselors practicing who profess to be Christians. So what counsel you may receive may be contradictory to your beliefs as a child of God. Scripture says, "Blessed is he who walketh not in the counsel of the ungodly" (Psalm 1:1).

Believe me! We all need someone to talk to occasionally. Let's provide a resource that our members can confidently approach for godly counseling.

Respectfully submitted In His Name!
Tim C. Worthington
Pastoral Ministries Director

SEMINARY EXTENSION REPORT

Seminary Extension has once again been active this past year (1994-1995) in Macon Baptist Association. We offered four (4) courses during the year. They were New Testament Theology, Winter Bible study (Galatians), Church Administration and Contemporary Christian Preaching. A total of one hundred and eight (108) hours of class room work worth twelve (12) credit hours was offered to students during the past year. We have had two (2) people to receive a Certificate in Christian Studies from the Southern Baptist Theological Seminary of Louisville, Kentucky. Those two (2) people were Nolan DeWitt and myself (Roy Lindsay.) We had eleven (11) people to take advantage of Seminary Extension this past year. Some studied for credit some did not choose to accept credit. Macon Baptist has and will continue to offer these courses of study. I feel extremely blessed with this opportunity to study and fellowship with others.

Seminary Extension is a planned course of study that can help anyone who wishes to study in this manner. The price of these courses vary each semester.

Respectfully submitted,
Rev. Roy Lindsay

STATE MISSIONS REPORT

The Mission Statement for the Missions Division of the Baptist State Convention of North Carolina is:

> The Missions Division of the Baptist State Convention of North Carolina seeks to direct the mission work of Baptists in North Carolina and work cooperatively to open windows of opportunity for a worldwide mission program. The work of the division focuses upon (1) New Work Starts and Development, (2) Revisioning of Existing Churches, (3) Leadership Development for Mission Work, (4) Mission/Ministry Response, (5) Cooperative Planning to assist churches and associations in realizing their vision for missions, and (6) Association Mission Support.

In 1994 the division fulfilled its mission through starting over 50 new churches. Many of them were language churches that offer the Christian Gospel to the multi-ethnics who live among us. Four of the churches we helped start in previous years in predominantly Black communities were among the top 100 churches in baptisms last year. We must continue to start new churches to reach the more than 2.5 million people in our state who are un-churched. Currently, we have one Baptist church for every 2,034 people in our state.

North Carolina has more people living in our cities than in the

rural areas. Yet, we Baptists have more churches in the rural areas than in the cities. Seventy-five percent of our churches are scattered among places where one-third of our population lives. The great cry for Baptists in North Carolina is to reach our metropolitan areas.

At the same time, the rural churches of our state are finding themselves in an ever-growing mission field. The Missions Division leads the convention in understanding that our primary mission field remains close to us--it is North Carolina.

In addition, the division worked with many existing churches to help them develop a new call to mission, a new vision for reaching their communities. Materials and data offered by the division for local churches enable them to have an accurate "snapshot" of their communities. Various consultant led processes help to stimulate a church's growth.

The division worked with the eighty Baptist associations to help them fulfill their mission. Over $700,000 was invested by the division in mission work in the Baptist associations during 1994, much of that money coming from the annual offering, the North Carolina Missions Offering. The division assists associations in developing strategic planning that will enable the association to reach its community in the most effective and timely manner possible.

The Missions Division helps Baptists in North Carolina to be aware of the various "people groups" that are found in our state. Among the people groups are the mentally retarded, the blind, the deaf, more than 20,000 prisoners, the tourists (more than 40,000,000 in our state each year), the millions who dot our resort communities, the millions who live in multi-housing communities, the homeless, the drug addicts, the institutionalized, the ethnics. That's the mission agenda of the Great Commission; that's the task of Baptists in North Carolina.

Respectfully submitted,
Mr. J.C. Jacobs

SUNDAY SCHOOL ASSISTeam REPORT

ASSISTeam stands for Associational Sunday School Improvement and Support Team. Our purpose is two-fold. First, we are here to help in the administration of the Sunday School. This involves organization and records keeping. These things are my responsibility as the Director of the Team.

Our second purpose is to help with worker training and teaching skills. Our consultants are trained in age-graded classes. This provides instruction for workers of all ages.

This year we are trying a different approach. In the past our team has been elected from churches across the county. This way

had certain inherent problems such as difficulty in communications and scheduling. So, this year I requested from our nominating committee that the Sunday School Department from one church be nominated as the ASSISTeam. Hopefully this will help with these difficulties and open some other opportunities as well. For instance, that Sunday School Department will be able to model and try programs and ideas that come from the Sunday School Board before recommending them to other Sunday Schools. Also, that Sunday School Department will be getting the best training North Carolina Baptists have to offer. So there are benefits both to the association and the host church. I recommend that the host church serve for two years. At that time we will ask for another church to volunteer their Sunday School Department to serve as the ASSISTeam. If we can follow through with this plan four to five cycles we could have more than one hundred people in Macon Baptist Association trained and equipped as ASSISTeam consultants.

I am certain that Sunday School is still the BEST way to grow a church. My hope and prayer is that the Sunday Schools of Macon Baptist Association will meet the challenge with the best yet to come.

Respectfully submitted,
Rev. Eddie Trull, ASSISTeam Director

TESSENTEE BAPTIST CHURCH HISTORY

On March 13, 1896, a group of men in the Tessentee community formed a presbytery. The presbytery consisted of the Elder G.A. Bartlett, W.L. Bradley, and J.R. Pendergrass. Their first meeting was held at the Tessentee School house for the purpose of constituting a church in the Tessentee community. The Elder G.A. Bartlett was appointed moderator and W.L. Bradley was appointed secretary. A sermon was delivered by the Elder G.A. Bartlett from Acts 20:28 to those who were present. After the sermon thirty-six (36) members presented themselves with letters and being examined, the congregation was constituted into a church by the name of Tessentee Baptist Church. The articles of faith were read and adopted and also the church covenant was read and adopted. The closing charge was delivered by J.R. Pendergrass.

The church shared the building with the school until the year 1940. In 1940 a new school was constructed in the Otto community for Otto and Tessentee residents. The old school building was given to Tessentee Baptist church. Services were held regularly and the congregation began to grow.

With the continued growth the facility finally reached full capacity in June of 1984. The church voted to expand. New Sunday School rooms were added onto the back of the church and the sanctuary was widened. Carpenters and workers were careful not to remove the original support beams and posts in the sanctuary. Visitors today can still see the beams and visualize

just how small the church actually was. Along with the new additions the church also voted to construct a covered shed housing picnic tables for fellowship purposes. In August of 1985 stained glass windows were added to the front of the sanctuary. White vinyl siding was added to the outside of the church in 1991. Also, the steeple was rebuilt and the bell was placed back into the bell tower. The covered shed housing the picnic tables soon became too small and the church voted to construct a separate fellowship hall. Additional land joining church property was purchased in 1994 and construction on the fellowship hall began. The fellowship hall should be completed in August of 1995.

Membership at Tessentee Baptist Church currently stands at seventy-two (72). The current pastor is the Reverend Carl Carpenter.

TRUETT CAMP REPORT

We are in the midst of camp again as I make this report. We had two weeks of camp for girls this year. There were 140 girls attending and of the 140 there was 14 that were saved in these camps. There was also 42 rededications. Lori Gilbert and Wendy Hampton were the leaders.

We had 90 campers attending Music Camp this summer and also we had a very good winter Music Week End Camp in January. J. Gilbert with several assisting did a terrific job with both these camps.

We had good attendance for our Western Happiness Retreat this summer. Teresa Trantham and Neal Peyton did a good job with a lot of assistance from several people to make a special week end for a very special group of people.

Aud Brown is expecting a large group of boys for our two weeks of Boys Camp this year, possibly 70 to 75 boys. Aud always does a terrific job in his leadership roll with the boys.

We have remodeled the old dinning hall and now have it air conditioned. We have done some more work on the old barracks and they are also air conditioned. We are constantly trying to improve the campus and the grounds to make them look nice.

We still owe $22,000 on our camp loan so we ask for your prayers and support of the camp. Without each of the churches in Region 10 and beyond we could not operate, so encourage our people to use the camp facilities and send your children to camp. Encourage your churches to put the camp in their budget to see this mission effort continue in God's work.

A worshipful Bible study with good physical activities are still first and are very important in the camp program.

Thanks for letting me be your Camp Director and pray for me in my work.

In Christ's Work,
Richard Roberson, Camp Director

VACATION BIBLE SCHOOL REPORT

The Vacation Bible School theme for 1995 is "Windows on the World" emphasizing how many different windows of opportunities there are to explore in our world, in our country and in our own community. Vacation Bible School is a wonderful time to look for windows of opportunities to explore in our own communities.

On March 13, 1995, the Association Early Bird Clinic was conducted at the Associational Building. The meeting gives an opportunity to begin early planning for VBS and also an opportunity to preview some of the VBS materials that will be available. There was a good attendance of Pastors, VBS Directors and other VBS staff present.

The Associational VBS Team traveled to Canton First Baptist Church in Canton, NC on March 3rd, for the District Clinic. These clinics help to prepare the Associational VBS Team for conducting the VBS clinic in their own Association. These clinics are a great source of information on planning, promoting and conducting a Vacation Bible School.

The Macon Baptist Associational VBS Clinic was held on May 1st from 7:00 to 9:00 pm at Franklin First Baptist Church in Franklin, NC. The "Puppeteers" from Pine Grove Baptist Church presented a program of puppet skits for the opening assembly, showing a great way to promote VBS and to get youth involved in the planning of a Vacation Bible School. One hundred sixteen (116) attended the associational clinic with eleven (11) pastors present.

Conference leaders were:

Margaret Carpenter - Directors/Pastors
Rev. Lewis Smith - Mission/Backyard Bible Clubs
Rev. Eddie Trull - Adults
Rev. Kevin Davis - Youth
Tammy Green - Older Children

Pam Owens - Middle Children
Tina Pyle - Younger Children
Joy Dooley - Older Preschool
Devannah Long - Younger and Middle Preschool
Dawn Ledford - Special Education

A special "Thank You" to them for their commitment to teaching these conferences and for serving on the Associational team for this year. Thank you for your prayers and support in leading children to Christ through Vacation Bible School. This is a wonderful outreach ministry. This may be the only time they are involved with a church and will be able to experience the Love of God.

Love in Christ,
Margaret Carpenter, MBA VBS Director

WOMAN'S MISSIONARY UNION REPORT

Woman's Missionary Union Auxiliary to Macon Baptist Association was challenged by the theme for 1994-95, "A Time To Grow" through missions education, missions support, missions involvement and missions commitment.

We were educated as we attended workshops and leadership training in July and September plus regional training in April.

We grew through missions support and missions involvement as we helped provide Christmas gifts for women in correctional facilities in the NC Prison system; through CareNet in February as we gathered 2,016 cans of food and $923.35 to help provide food and other items to less fortunate in Macon County. Individual WMU organizations were generous as they gave to special causes and answered individual needs.

We were committed to missions as we promoted and gave to special offerings such as Lottie Moon Christmas Offering, Annie Armstrong Easter Offering, NC State Missions Offering and through Mission Friends, Girls In Action, Acteens, Baptist Women and special missions groups as they received first hand information about missionaries around the world as they share Christ in many lands and the USA.

Our WMU Watchword "May the Lord make your love for one another and for all people grow more and more" (Thess. 3:12a TEV.) has brought an awareness of the need to reach out in love and understanding to all people and share God's love for them.

At our Annual Meeting, April 4, 1995, we were privileged to have Jan High, Missions Education Consultant N.C. WMU, as our inspirational speaker. She shared plans and dreams for WMU as we make needed changes in organizations and curriculum beginning October 1995. She encouraged and challenged us to "Go Forward." The By-Laws Committee composed of Dixie Shook, Dale West and Ila

Sue Cook presented proposed changes to update Macon WMU By-Laws. They were accepted effective October, 1995. Copies are available at Macon Baptist Center.

Our's is an exciting future as Baptist women continue to grow in Christ as we carry out Christ's command to Go! Teach! Win!

Respectfully submitted,
Christine Horne
